CLARK COUNTY  
WASHINGTON

### Memorandum of Transmittal

DATE: October 31, 2014

TO: The Honorable Board of Clark County Commissioners

FROM: Mark McCauley, County Administrator

SUBJECT: 2015/2016 Recommended Budget Document

Transmitted herewith is the proposed 2015/2016 budget, respectfully submitted for your consideration. This document includes:

- Budget recommendations by function and department;
- Overview of proposed revenues and expenditures; and
- Summary of issues reflected in the recommendations enclosed.

### Budget History and Outlook

Our entire organization has been tested by extensive change over the last two years. All employees must be commended for adapting to new leadership, policies, and procedures. Many have accepted greater responsibility, transforming previously developed potential into proven capability. Today, Clark County has a lean and highly productive staff.

I am pleased to report that the finance team has provided exceptional cooperation and support in managing financial challenges since I assumed the duties of county administrator in September 2013. We have developed a strong finance team to leverage our combined experience and expertise.

For example, the team has been instrumental in refinancing long-term debt on the Tri-Mountain Golf Course and the Center for Community Health. As a result, the county will realize a net one-time savings estimated at \$224,840. Future benefits include greater flexibility to lease space to other entities and thus defray some expenses.

The finance team also addressed obligations to settle federal court cases. Alan Northrup and Larry Davis were paid \$10.5 million in connection with a 1993 criminal conviction overturned in 2010. The county obtained a loan to spread the expense over a

seven-year period. In addition, we arranged to pay \$3.6 million within six years to resolve litigation involving the federal Clean Water Act. Accordingly, Clean Water fees were adjusted to make payments to the Lower Columbia Fish Recovery Board for local restoration projects.

At the same time, the local economy has seen moderate growth, with increases in consumer spending, jobs, construction, property values and home sales.

We expect modest growth to continue in 2015-2016 with increases in taxable retail sales and new construction. These factors should have a beneficial impact on county revenues.

While the outlook is generally favorable, we recognize risks to the economy and the need for caution due to national and international conditions.

Total recommended budget, all funds .....	\$896,209,980
General Fund budget.....	\$295,724,819

**Recommended Clark County Budget Highlights**

The recommendations before you call for a two-year budget that is balanced but austere. There are few enhancements. Law enforcement and criminal justice are the exceptions targeted for strategic investment to promote public safety.

For 2015-2016, the proposed budget continues current services and adds 10 custody deputies in the Sheriff’s Office and a legal assistant in the Prosecuting Attorney’s Office.

In 2013-2014, the Sheriff added eight enforcement deputies, two employees to manage public records, and two discharge planners to improve prospects for former inmates to succeed in the community. Additional support for criminal justice included two deputy prosecuting attorneys and a Superior Court commissioner.

Funding is not recommended for some significant needs at this time. These include maintenance for some facilities and capital spending to replace some aging technology. However, we plan to monitor revenues and expenses very closely to identify capacity to support priority expenditures in supplemental budget requests through 2016.

## Conclusion

As drafted, the proposed budget includes reserves sufficient to operate for 52 days and comply with county policy. It requires no general increase in fees or property taxes. This is consistent with the Board's goals for restraint in public spending to maximize opportunities for private investment to spur economic activity that provides revenue for public services.

In all, we aim to provide essential services at a reasonable cost in a community where businesses and families may prosper.

Respectfully,

A handwritten signature in blue ink, appearing to read "Mark McCauley", with a long, sweeping flourish extending to the right.

Mark McCauley  
County Administrator
