#### Category discrepancy explanation

A blank ballot was pulled to have an electronic ballot be duplicated onto it. This blank was misplaced into the resolution bin and scanned as a blank ballot instead of being used for duplication. During the duplication process, staff had to pull an additional ballot for precinct 912 ballot to perform the required duplication.

#### VoteWA discrepancy explanation

Voters were credited properly. A blank ballot was pulled to have an electronic ballot be duplicated onto it. This blank was misplaced into the resolution bin and scanned as a blank ballot instead of being used for duplication. During the duplication process, staff had to pull an additional ballot for precinct 912 ballot to perform the required duplication.
