How are decisions/recommendations going to be made in this group?

* **Work to concensus as a group:**

  All members of the group either prefer the option(s) as their first choice, or can work to support the option(s) for now

* If unable to reach concensus, the group will address add'l decision-making options at that time

* Recommendations presented by the group will include:
  - Concensus Items - Rank ordered
  - Story, Interests - Perspective Clarification
  - Minority Reports where needed
