①

Mill Creek Group

- 46 hits on the website
- Mike brought examples of surveys - Ryan too
- Who takes the survey?
  Property Owners?
  Renters?
- Do the values we have stated meet what the community wants

→ # of acres

②

- Need some kind of demographic data
- ID? anonymous? optional?
- Fairgrounds Neighborhood Assn
  - we are within their boundary
  - Goral will contact them - be the contact person
- Add a place for comments

Sense of Community ③

- WSU-friendly
- Consistant Design Standards
- Mixed housing
- Community/School Partnerships (more than just community use of fields)
- Parks
- Ballfields
- Commercial - yes/no what kind
- Private property rights balanced with what fits the community

Provide Safe, Accessible, Convenient Circulation

- More streets/ways into neighborhood
- Very slow traffic
  < 20 mph "traffic calming"
- Trails - connecting trail system
  - equestrian - walking
  - biking - soft surface
- Kids walk/bike = sidewalks
