Bid Inquiry Log

Last Update: March 26, 2024

Responses will be posted on the project's "Bid Inquiry Log", which will be updated twice daily, at noon and 6:00 PM. The Bid Inquiry log will display all questions and answers to the questions that have accumulated by the posting time. Questions too late to be answered as of that posting will remain unanswered. The questions and answers posted on the Bid Inquiry Log at that time will be considered part of the contract and ranked as an Addendum with respect to order of precedence under Section 1-04.2 of the Standard Specification.

Project #:	PRJ0002861
Title:	2024 Surface Seals
Engineer In Charge:	Brad Fisher

Date: 3/20/2024

Question #1: Section 5-02.3(13) Micro-Surfacing -Mixing and Spreading Equipment
Type III and Type II Micro-Surfacing specifications for the past 3 plus projects have a precedent of allowing Truck Mounted or Continuous-run Machines for the above items of work. Will this years project specifications be changed to allow as on previous projects the use of Truck Mounted or Continuous-Run machines for the Type III and Type II Micro-surfacing.

Answer: Please bid the Contract as posted.

Question #2: Looking over the bid documents and respective attachments, we do not see apprenticeship goal info that has historically been a part of Contract agreements with Vancouver. Will there be an apprenticeship participation goal on this Contract?

Answer: Please see addendum #1.

Date: 3/20/2024

Question #3: Will City of Battle Ground consider providing a written list of street segments and respective treatments that corresponds with the map drawings in bid docs? We are having trouble validating the bid quantities associated with Schedule C of Bid Items.

Answer: Please see addendum #1.

Date: 3/22/2024

Question #4: Can you please provide a street list for the City of Battle Ground with a description of the type of treatment each street shall receive and to confirm the limits.

Answer: Please see addendum #1.

Date: March 22, 2024

Question #5: Just wanted to bring to your attention that the Clark County web page states an addendum associated with this project was issued today, but no addendum can be found on BXWA portal.

Answer: Builders exchange has the posted addendum #1 for this project.
