Friends of Trees

Is a non-profit organization that plants trees at homes in Vancouver, Portland and beyond. Early this past summer Clark County (who provides a portion of their funding) announced that they have expanded the neighborhoods that are eligible for this program to include NE Hazel Dell and Sherwood. As a result Friends of Trees will be hosting their first-ever neighborhood tree planting in these two neighborhoods on Saturday, December 8th, 2018 at which time citizens can get street trees planted at their homes. Street trees are trees planted along the curb, whether or not there is a planting strip or sidewalk. The target is to make this Friends of Trees planting an annual event in the neighborhoods. If interested in potentially getting street trees planted at your home, please sign up by November 11th to learn more. For more information, call 503-467-2530 or go on-line to www.friendsoftrees.org/get-a-tree/

There are also numerous fun Friends of Trees volunteer opportunities available as part of the neighborhood planting. Why not get your hands dirty and make your community a healthier and greener place to live. To learn more about volunteering at a tree planting event, check out their website at

Halloween Safety Tips

Centers for Disease Control and Prevention
CDC 24/7: Saving Lives, Protecting People™

Autumn holidays like Halloween and Harvest Day are fun times for children of all ages, who can dress up in costumes, enjoy parties, enjoy fall fruits and vegetables, and eat yummy treats. These celebrations also provide a chance to give out healthy snacks, get physical activity, and focus on safety.

Check out these tips to help make the festivities fun and safe for trick-or-treaters and party guests.

Going trick-or-treating?

- **S**words, knives, and similar costume accessories should be short, soft, and flexible.
- **A**void trick-or-treating alone. Walk in groups or with a trusted adult.
- **F**asten reflective tape to costumes and bags to help drivers see you.
- **E**xamine all treats for choking hazards and tampering before eating them. Limit the amount of treats you eat.
- **H**old a flashlight while trick-or-treating to help you see and others see you. Always WALK and don't run from house to house.
- **A**lways test make-up in a small area first. Remove it before bedtime to prevent possible skin and eye irritation.
- **L**ook both ways before crossing the street. Use established crosswalks wherever possible.
- **L**ower your risk for serious eye injury by not wearing decorative contact lenses.
- **O**nly walk on sidewalks whenever possible, or on the far edge of the road facing traffic to stay safe.
- **W**ear well-fitting masks, costumes, and shoes to avoid blocked vision, trips, and falls.
- **E**at only factory-wrapped treats. Avoid eating homemade treats made by strangers.
- **E**nter homes only if you're with a trusted adult. Only visit well-lit houses. Don't stop at dark houses. Never accept rides from strangers.
- **N**ever walk near lit candles or luminaries. Be sure to wear flame-resistant costumes.

Master Composter/Recycler Training 2019

Join others with a passion for sustainability and help make a difference in our community - become a Master Composter/Recycler volunteer! Learn about composting,

worm bins, recycling and other ways to a healthier green living at this FREE 10-week training. Help educate others at workshops and community events. Wednesday evenings, January 23rd thru March 27th, 2019, 6 - 8:30 PM, location to be announced.

PRE-REGISTRATION REQUIRED
Go to ClarkCountyComposts.org to sign up or call 360-397-2121 ext 4961, or email mcr@clark.wa.gov

Lunch buddies needed:

Do you have 45 minutes a week to eat lunch with a child? To make a difference? Consider becoming a Lunch Buddy.

- VPS elementary schools participate in Lunch Buddies
- Good-hearted adults find 45 minutes a week to eat lunch with a child
- Children are on the wait list, most of them boys

For more information, please contact LunchBuddy@vansd.org or call 360-313-4730

Report a Road Concern

For problems that require immediate response, please call (360) 397-2446.

For issues that don't require immediate attention, such as a pothole or vegetation issue, filling out an online maintenance request is an excellent way to report a road or park concern.

<https://www.clark.wa.gov/public-works/report-park-road>

County staff typically receives these electronic maintenance requests from 6:30 a.m. to 5 p.m. Monday through Friday, excluding holidays.

For more pressing problems, please call (360) 397-2446. County staff tends to be extremely busy during storms and may not have time to

regularly check online submissions, so a phone call is the best way to report a problem that needs immediate attention.

For urgent issues after hours or on weekends and holidays the reporting number (360) 397-2446 will be forwarded to an answering service that can dispatch a county crew if necessary.

Volunteers needed

This year the event will be held on December 20th and it requires significant number of volunteers to help make it a success. Specifically, we need help with the following:

- Volunteers to staff event on the evening of December 20th. We need help setting up (starting at 4 PM), staffing during the event (show up by 5 PM) and clean up after the event (8 to 9 PM)
- Volunteers to help wrap toys at a gift wrapping party scheduled for Monday, December 17th from 6 to 7 PM at Sarah J Anderson Elementary cafeteria.

If you would like to volunteer contact Doug Ballou at 360-573-3314 or e-mail at dougballou@comcast.net

Tips to help keep you safe on-line

Fraud Alerts - Sign up for irregular or fraudulent activity alerts with your credit card accounts.

Change your passwords regularly - Create strong passwords using a combination of letters, numbers and symbols. Use different passwords for all the sites you use.

Spot a Scam - Fraudulent e-mails look as if they have come from legitimate organizations. Never respond to web sites asking for personal information. Don't click on links until you've confirmed the e-mail or texts are real.

Graffiti

Graffiti is done without permission and is considered vandalism. Gang graffiti is also threatening. In both cases, graffiti will attract more of the same if left in place. It creates a perception that the area where it is found is unsafe. For these reasons it is important to address it as soon as it is observed. Graffiti in any form is a blight to our community and projects a negative image. In addition if left unchecked it could lower property values in the long run.

How should one report Graffiti? With suspect information

If you see someone engaging in or have information about a suspect call 9-1-1 and state you are a Vancouver resident with a graffiti report.

Without suspect information

If graffiti is West of Andresen Road on Private Property – call the Vancouver Police Department West Precinct at: 360-487-7355 to make a report during regular business hours.

If graffiti is East of Andresen Road on Private Property – call the Vancouver Police Department East Precinct at: 360-487-7500 to make a report during regular business hours.

You can also make a police report for graffiti without suspect information anytime by calling the Vancouver Police Department during normal office hours (Monday-Friday, 8am-5pm) at (360) 487-7355.

If graffiti is located on Public Property – call the City of Vancouver Operations at: 360-696-8177 during regular business hours.

If the graffiti is located on State Highways or related overpasses – call the Washington State Department of Transportation at: 360-759-1300 during regular business hours.

If the graffiti is located on Electrical Boxes – call Clark Public Utility District at: 360-992-3000 during regular business hours.

If the graffiti is located on Bus Stops or Buses – call C-Tran at: 360-695-0123 or 360-696-4494 and leave message.

We all have an opportunity to rid our community of this problem by following the suggested steps of **RECORD, REPORT and REMOVE**. Thank you for your help.

Flashing Red Light Traffic Rules

Flashing red lights are commonly found at intersections and pedestrian crosswalks. Every vehicle that approaches a flashing red light must come to a complete stop before proceeding with caution. Failure to follow this traffic rule of law can result in a Moving Infraction Fine of \$130 in the state of Washington. Also it is proper etiquette to yield to the car on the right when multiple cars arrive at a flashing red light intersection at roughly the same time.

Recycling Hints

Plastic bags or wrappers do NOT belong in the blue recycle roll carts. Neither do veggie trays or lids, plastic bubble packaging, or just about anything which is plastic (other than plastic bottles with a neck and cottage cheese/yogurt tubs). Plastic bags get caught in the sorting machine forcing it to be stopped and the plastic bags removed. This costs YOU money!

Please don't put your plastic bags in the blue roll cart.

Frozen food packaging does NOT belong in the blue recycle roll carts either.

Boxes for frozen or refrigerated foods are treated with a chemical named 'wet strength' which keeps the cardboard from disintegrating when it gets wet.

That chemical makes the cardboard extremely difficult to recycle, so put cold food packaging in the gray garbage roll cart.

Additionally Styrofoam (™) packaging and food containers do NOT belong in the blue recycle roll carts. Kleenex and paper towels do NOT belong there either.

What DOES belong in the blue roll cart?

Paper egg cartons, newspapers, aluminum cans, catalogues, junk mail, rinsed food cans, cardboard, plastic containers with a neck (please remove the lid and squish), magazines, phone books, paper bags, cereal boxes, milk cartons, empty aerosol cans (please remove the plastic nozzle), scrap metal, etc.

Glass goes in the old bin we used to use - the green one if you have a choice, but the brown or cream one is ok too.

Shredded paper can be put in the blue recycle roll cart but please first put it in a paper bag and staple the bag shut so the little fru-frus of paper don't escape.

You do not HAVE to set out your cart every service day-you may prefer to set it out only when it is full or mostly full.

PROJECT YES

The Yarn Engagement Society seeks Volunteers!

Volunteer Connections, a program of the Human Services Council, is supporting a unique community project for the holidays. Volunteer Connections is looking for volunteers to knit or crochet warm weather items such as mittens, hats, scarves, gloves, or socks. We'll collect these items through the first part of December and then donate them to a project Bleu Door Bakery has been doing the last couple of Christmas seasons. Bonnie Brasure, the owner of Bleu Door Bakery, the popular Uptown bakery and café at 2411 Main Street, and her team and volunteers have gathered together for the last three years on Christmas day to spread some holiday cheer to the homeless. Bonnie and her crew provide people on the streets and in the camps a hot meal and a bag loaded with snacks, fruit, socks, hats, mittens and scarves. Last year they fed 300 people. This year they hope to feed double that amount which means

double the amount of warm weather items for goodie bags! Any items left over are donated to the many shelters in the area.

As serendipity would have it, a long-time volunteer with Volunteer Connections called in early summer and wondered if we might find a use for a larger quantity of commercial grade yarns that she wanted to find a home for. Her late husband and a partner had a commercial knitting business, when he passed away the partner sold the machines but did not sell all the large spools of yarns. Volunteer Connections took in the orphan yarns with the idea of launching an opportunity for people who want to help in some way, but are either home-bound or do not have time to do a regular volunteer shift. At a recent Chamber of Commerce networking event, Volunteer Connections Director Marcia Hale met Bonnie who had told the room about her Christmas project. Bonnie was thrilled at the prospect of finding some more people to help knit/crochet the needed items. Bonnie told Marcia they have a couple of people who knit and crochet the hats, mittens, and scarves but could certainly use many more! With that, Project Yes - Yarn Engagement Society was officially born!

Volunteer Connections has commercial grade yarn available to provide to prospective knitters until it's gone. The program has no funding and once the yarn stock is gone volunteers will need to donate yarn of their own. "This has come together rather quickly, if it's successful this year and we go forward we'll look for a sponsor or donations to help us provide yarn," says Hale. "I know people who do this type of thing for other programs and they find their yarns at garage sales, Goodwill, or when the big craft stores have sales. This is very much a pilot project that is happening because frankly, a whole bunch of random things came together this year!"

For those interested in volunteering please send an email to marciah@hsc-wa.org or call 360-735-3693. Watch the website, hsc-wa.org/volunteer-connections for details about the project to be posted soon!

Crime Tips

Target Zero: Washington State averages nearly 500 fatal traffic accidents every year. Target Zero is a project to reduce this number to zero by the year 2030. You can help towards this effort by not driving while under the influence of alcohol or drugs, not driving over the speed limit, wearing your seatbelt, and practicing defensive driving habits. It is illegal in Washington State to use a handheld cell phone while driving unless you are contacting 911 for an emergency. It is also illegal to text while driving, which causes serious distractions.

Identity Theft: Identity theft is a growing problem across the US. Criminals use personal information such as your date of birth and social security number to pose as you for illegal gains. You can protect yourself by not carrying important numbers or passwords with you. Report stolen credit cards immediately. Review your monthly financial statements and check your consumer credit report annually for fraudulent charges. Pick up your mail daily or have it held at the post office. Shred paperwork with your important information on it. Do not put your credit card number into unsecured websites.

Scams: Scamming people out of money is very profitable for criminals. Many operate outside of US jurisdiction making it difficult to locate/prosecute them. Do not give personal information to any unsolicited phone calls or emails.

Beware of emails and phone calls asking for financial help. Scammers will often pose as someone you know, such as a relative who is out of the country and needing money to get out of jail or back home. Never cash a check from an unknown source or send money orders as part of an "official procedure." Scammers send fraudulent checks which banks do not catch until days later, usually after the scammed person has already sent the requested amount back in a money order or gift card. It is illegal in Washington State to knowingly deposit a fraudulent check.

Package Theft Prevention

Package theft is a crime that occurs throughout the year but can be especially high during the holidays, as online shopping increases.

The Vancouver Police Department wants to remind you to consider package theft prevention strategies when ordering gifts online. Packages delivered while you are away from home are easy and ideal targets for thieves. With the increased volume in home deliveries, thieves have more opportunities to steal your packages. Here are some crime prevention tips that may keep thieves from nabbing your deliveries:

- Pick up packages promptly after they have been delivered.
- Ask neighbors to receive and store your package deliveries when you are not home.
- Consider shipping the package to a relative that will be available to receive the package.
- Require signature delivery to avoid the package being left unattended.
- Utilize tracking services offered by the delivery company.
- Request specific delivery times that are suitable to when you will be home.
- Invest in a camera system to monitor your packages and home.

6 NE Hazel Dell Neighborhood Association

- Send packages to secure delivery, holding, or pick-up locations.
- Many parcel delivery companies offer secure locations for packages to be delivered and stored until you are available to pick items up. There are many companies and locations throughout Vancouver that offer these services.

If you see a package theft occurring, call 911.

If you are the victim of a package theft, please call 311 to report it to police and follow up by reporting the theft to the US Postal Inspection Service by calling 1 (877) 876-2455 or www.postalinspectors.uspis.gov.

PEN PAL PROJECT DELAYED

The popular Pen Pal Project, a volunteer opportunity through Volunteer Connections, a program of the Human Services Council, is on hold at present. The Pen Pal Project matches adult volunteers with 5th grade students for a school-year long letter exchange. The Pen Pal project has operated under a federal grant that ended suddenly last year just before school started. The Human Services Council and a small grant from the Evergreen School District kept the

program afloat. For the 2018-19 school year a sponsor has not been confirmed yet to keep Pen Pal going. This year the teacher strikes had complicated the search for funding options.

Volunteer Connections is accepting donations for the program to operate this year. On the website at www.hsc-wa.org/volunteer-connections prospective Pen Pals or prospective donors can watch a video about the program. Volunteer Connections expects to meet with schools in October to determine what classrooms want to participate. Right now, they are accepting new Pen Pals on a waiting list. The number of adults they engage will be determined by the number of classrooms available and their ability to cover the staff expense. People who want to be on the Pen Pal wait list, or for those who have volunteered in the past and want to volunteer again, send an email to kittyh@hsc-wa.org or phone 360-735-3690.

**Neighborhood Association
Mission:**

The residents of the Hazel Dell area established the NE Hazel Dell Neighborhood Association (NEHDNA) in order to unite the common interests and promote the welfare of the area. The association is involved with a variety of matters, which affect the livability of the neighborhood and community in general.

All residents within the neighborhood association boundaries or neighboring areas not within an existing neighborhood association are welcome to attend and participate in the association.

If you have any questions or would like more information, please contact one of the officers or board members listed on this page. The NEHDNA does not subscribe to any religious affiliation or political party. Our desire is to work together for the common good of the neighborhood in which we all live. You don't have to live in the area to be a member or to come to the meetings! All are welcome.

Neighborhood Association newsletters are copies free of charge by the Clark County Neighborhood Outreach Office. The information and views expressed are solely those of the NE Hazel Dell Neighborhood Association and not Clark County Government or their employees.
