## MEETING AGENDA

### Robin Washington, Clark County Public Works Capital Project Manager

will join us to speak about road improvements in our area. We will have information about current projects underway in our area including the new sidewalk going North up the hill towards Safeway and the planned expansion of the intersection at Highway 99 and NE 99th St. This is also an opportunity to advocate for improvements between 99th St. and NE 117th St. that have been delayed for over 13 years.

**Deputy Brendan Weed, Clark County Sheriff Office** will attend and give us a short briefing on any crime trends in the area. The Sheriff's office provides our neighborhood with dedicated Deputy Liaisons.

We have had several inquiries about the **Holly Park strip mall** which recent had a fire. We will try to have updated information to share at the meeting.

SHERWOOD HILLS NEIGHBORHOOD ASSOC. is an all volunteer group, facilitated through the Clark County Neighborhood Program. Thank you Clark County for helping us get our newsletters out 3 times per year.

OUR GOAL is to improve our community by encouraging communication and connections. What would you like to see us focus on? We have done Neighborhood Picnics, Garage Sales, Neighborhood Watch groups, Trash Pick Ups and Emergency Preparedness. We have timely topics including; crime prevention, public works and projects, parks and connecting with local Government entities.

If anyone would like to join the Board or help with an event committee, please contact us. We encourage more people to be active and play a role in improving our community!

**Thank you to St. John Lutheran Church for use of the basement meeting room! Hope to see you all there!**
