

# NE Hazel Dell Neighborhood Association

Nationally Recognized Newsletter  
By Neighborhoods USA

## Spring Edition of Neighborhood News

### Meeting Schedule for 2019 is:

- March 19, 2019
- April 16, 2019
- May 21, 2019
- June 18, 2019 (Ice Cream Social)
- July & August – Summer Break

**Location:** Clark County Operations  
Center, Community Room  
4700 NE 78<sup>th</sup> Street

### What's inside this edition?

Topic	Page
- Klinekids Kids Fishing Event	2
- Earth Day Fest	2
- Clark Neighbors Food Project	3
- Recycling Beyond the Curb	3
- Adopt-A-Road Program	4
- Repair Clark County	4
- Mandatory Boater Education	5
- Pet Licensing	5
- Traffic Safety	6
- Have you seen these weeds?	6
- Directory	7

## NE Hazel Dell Neighborhood Association Monthly Meetings

**Tuesday, March 19, 2019  
7 to 9 PM**

### Meeting Topics:

7:30 PM to 8:00 PM – Ray Yurkewycz - Executive Director of the Mount Saint Helens Institute. Mount Saint Helens Institute and the Science and Learning Center at Coldwater.

8:00 PM to 8:30 PM – Dr. Mark Mansell – Director, Cascadia Tech Academy (formerly the Clark County Skill Center)

### Meeting Location:

Clark County Operations Center  
Community Room B-1  
4700 NE 78<sup>th</sup> Street

At these meetings several announcements and general information will be shared and discussed.

*Refreshments served are provided by Burgerville.*

### THANKS TO: Burgerville USA

For providing refreshments at the NE Hazel Dell Neighborhood Association meetings

### NE Hazel Dell Neighborhood Association is on Facebook

Check out our neighborhood association on Facebook:

**facebook**

<https://www.facebook.com/NEHazelDellNeighborhoodAssociation>

#### Newsletter Publication

The NE Hazel Dell Neighborhood Association will publish six issues of the newsletter this year. Here are the issue dates for the newsletter and deadlines for 2019:

<u>Issue</u>	<u>Deadline</u>
1. May/June	April 20, 2019
2. September	August 20, 2019
3. Oct/Nov	September 30, 2019
4. December	November 20, 2019

The deadline date is for submitting newsworthy items for publication. Thanks!

### Klinline Kids Fishing Event

Klinline Kids Fishing will be held at Salmon Creek Park / Klinline Pond. Special Needs kids will experience fishing on Friday - April 12, 2019. Kids ages 5 through 14 will fish on Saturday - April 13, 2019.

Presented by the Klinline Kids Fishing Nonprofit, the Washington State Department of Fish and Wildlife and Clark Public Utilities, this program is aimed at getting more kids involved in fishing and building a base for the future stewards of this resource.

Here is the link to the event registration forms:

<http://www.klinline-kf.org/register.html>

Fewer and fewer kids are taking part in the sport of fishing either because of environmental or economic factors. This is a disturbing trend. To create stewards for our future fisheries we need to introduce children to the beneficial aspects of fishing as an individual and family activity and as a way to become more aware of our natural resources.

The "Klinline Kids Fishing" event accomplishes both of these goals. First, it gives the child an opportunity to experience the thrill of catching a fish. Second, educational sessions, offered by the Washington State Department of Fish and Wildlife and local fishing groups will help the child learn more about fishing and the outdoors.

Let's help get more kids fishing more often.

Donations are welcomed and should be made to Klinline Kids Fishing Nonprofit (IRS non-profit registration EIN # 45-3764565).

Be sure to LIKE us on Facebook at:

<https://www.facebook.com/KlinlineKidsFishingEvent>

### Earth Day Fest!

Since 1999, the StreamTeam has coordinated a large scale community celebration for Earth Day. Each year, hundreds of people join the team to plant native trees along our waterways, protecting local water quality and quantity.

Ride your bike or stroll down the Salmon Creek Greenway to enjoy free

children's activities, wildlife shows, salmon releases and more!

Clark Public Utilities' StreamTeam is hosting its 20th Annual Earth Day Fest in partnership with Clark County Vegetation Management. Free fun and games for the whole family along with interactive nature demonstrations and entertainment will take place from 10 a.m. to 2 p.m. on April 20<sup>th</sup> near Klinline Pond at Salmon Creek Greenway, 800 NE 117th St, Vancouver, WA 98685.

You can also register in advance to plant trees or pull garlic mustard from 9 a.m. to 12:30 p.m. Contact Ashley at [StreamTeam@clarkpud.com](mailto:StreamTeam@clarkpud.com) or 360-992-8585 to find out more or get signed up!

<https://www.eventbrite.com/e/earth-day-fest-2019-tickets-55082425016?aff=erelexpmlt>

### Meeting Guest Speakers for April Meeting

Our guest speakers have some great information to share with neighbors at our neighborhood association meetings scheduled on third Tuesday's from 7 - 9 PM at the Clark County Public Works Operations Center at 4700 NE 78<sup>th</sup> Street.

**Tuesday April 16<sup>th</sup>, 2019:**

**7:30 PM to 8:00 PM – Chinook Trails Association- Steve Jones, President**

**8:00 PM to 8:30 PM – CCARC - Clark County Amateur Radio Club**  
David Cherba - amateur radio enthusiast.

## Comic Corner – Obituary

Today we mourn the passing of a beloved old friend, Common Sense, who has been with us for many years. No one knows for sure how old he was, since his birth records were long ago lost in bureaucratic red tape. He will be remembered as having cultivated such valuable lessons as: Knowing when to come in out of the rain; Why the early bird gets the worm; Life isn't always fair; And maybe it was my fault.

Common Sense lived by simple, sound financial policies (don't spend more than you can earn) and reliable strategies (adults, not children, are in charge). His health began to deteriorate rapidly when well-intentioned but overbearing regulations were set in place. Reports of a 6 year old boy charged with sexual harassment for kissing a classmate; teens suspended from school for using mouthwash after lunch; and a teacher fired for reprimanding an unruly student, only worsened his condition.

Common Sense lost ground when parents attacked teachers for doing the job that they themselves had failed to do in disciplining their unruly children. It declined even further when schools were required to get parental consent to administer sun lotion or an aspirin to a student; but could not inform parents when a student became pregnant and wanted to have an abortion.

Common Sense lost the will to live as the churches became businesses; and criminals received better treatment than their victims. Common Sense took a beating when you couldn't defend yourself from a burglar in your own home and the burglar could sue you for assault. Common Sense finally gave up the will to live, after a woman failed to realize that a steaming cup of coffee was hot. She spilled a little in her lap, and was promptly awarded a huge settlement.

Common Sense was preceded in death, by his parents, Truth and Trust, by his wife, Discretion, by his daughter, Responsibility, and by his son, Reason.

He is survived by his 5 stepbrothers; I Know My Rights; I Want It Now; Someone Else Is To Blame; I'm A Victim; Pay Me For Doing Nothing. Not many attended his funeral because so few realized he was gone. If you still remember him, pass this on.

## Clark Neighbors Food Project

The Clark Neighbors Food Project (CNFP) is a revolutionary way to collect food: It's a donor drive, not a food drive.

[www.clarkfoodproject.org](http://www.clarkfoodproject.org)

Instead of asking for one-time contributions of food, volunteers (Neighborhood Coordinators) enlist neighbors to become long-term Food Donors.

If you would like to become a long-term Food Donor or a Neighborhood Coordinator, contact [clarkfoodproject@gmail.com](mailto:clarkfoodproject@gmail.com)

## Adopt-A-Park Program

Clark County Parks believes that you can make a difference in how local parks look and operate! By participating in the Adopt-A-Park program, you will help beautify a public space, while embracing park safety and building community.

The Adopt-A-Park program is an ongoing volunteer opportunity, and we ask for a minimum six-month commitment. By volunteering only twice per month, for two or three hours at a time, you can make a huge difference in your parks! You get to choose the days and times that you volunteer, so this is a great opportunity for those who have busy schedules.

We encourage businesses, clubs, classes, community groups, and individuals to adopt a park! If you plan

on volunteering as an individual, extra screening may be required.

To volunteer for park clean up and maintenance events sign up at [parkhero.org](http://parkhero.org)

For more information on Adopt-A-Park please call 360-397-6118 ext-1627. Karen Llewellyn, Volunteer Program Coordinator, Clark County Public Works. Email: [karen.llewellyn@clark.wa.gov](mailto:karen.llewellyn@clark.wa.gov)

## Recycling Beyond the Curb

Clark County no longer hosts recycling day events. However, you can Make Every Day Recycling Day! The curbside recycling carts are for specific materials. There are many other things that can be recycled - just not at the curb. With a little effort, you can still divert items from the landfill to conserve resources and help the environment. The Recycling A-Z an online directory or you can download a Free Recycle Right APP at the Apple APP Store, for iphones or ipads, or at Google Play for Android devices, that can help answer your specific questions on various discards that can be reused or recycled.

For more information go to [clarkgreenneighbors.org](http://clarkgreenneighbors.org)

## Earth Day 2019

Earth Day is always celebrated on April 22nd. This observance started in 1970 and arose from an interest in gathering national support for environmental issues. Common Earth Day activities include planting trees, cleaning up streams, litter and graffiti, or simply enjoying nature through hiking, gardening, or taking a stroll in a local park. Take time to rethink how you and your family can live cleaner waste free lives to save the Earth and its resources. Everyone can make a difference in protecting our environment. 2020 will mark the 50th Anniversary of Earth Day.

### Foster Homes Needed

Did you know that our community needs more foster homes for children who have been removed from their homes, by no fault of their own?

Service Alternatives contracts with the State of Washington to license foster homes in our community. They provide a high level of support to those foster homes and the foster children placed with them. There is a GREAT need for more foster homes for these vulnerable children. Service Alternatives primarily licenses homes for children between the ages of 6 and 17 years old.

If you are interested in learning more about becoming foster parents and are someone who might be willing to open your home and care for a child in need, then this program maybe for you.

Please contact: Crista Hendrickson  
[chendrickson@servalt-cfs.com](mailto:chendrickson@servalt-cfs.com)  
 Foster Care Recruiter  
 Service Alternatives, Inc.

### Adopt-A-Road Program

Clark County needs volunteers to pick up roadside litter as a way to beautify the county. In addition to litter pick up, Clark County may approve weed control and other roadside work.

To Adopt-A-Road, volunteers make a two-year commitment to pick up litter at least three times a year. The length of the adopted roadway may vary, but typically most sections are two miles in length.

The county will provide all supplies and equipment for clean-up events, as well as post signs recognizing volunteer groups along the adopted roadway sections,

Each group of volunteers must designate a group leader who will reserve clean up kits, ensure all necessary forms have been submitted, ensure everyone follows safety rules, and complete other group responsibilities.

Adopted roadways are county roads in unincorporated Clark County. The program does not apply to Federal and State Highways, city streets or private roads. Clark County already has identified about a dozen road sections suitable for adoption. Volunteers can also request to adopt other road sections. Public Works will assess the proposed road section for road shoulders, sight distances and other safety considerations before deciding whether to approve the request.

For more information on Adopt-A-Road please call 360-397-6118 ext-1627. Karen Llewellyn, Volunteer Program.

### Breaking the Bread Code of Freshness

Americans each consume roughly 53 pounds of bread every year, and we want the freshest loaf whenever we buy it. But is there a simple way to spot it, other than squeezing, smelling or simply guessing?

Well, there is a simple visual code that can identify the freshest loafs on the store shelf. And it's contained in the twist ties or plastic clips around the top of the bread bag.

The Color Code of Freshness indicates on what day the bread was baked. The standard code is:

Blue ----- Monday  
 Green --- Tuesday  
 Red ----- Thursday  
 White ---- Friday  
 Yellow --- Saturday

An easy way to remember the code is to simply recall the alphabet. The colors run in alphabetical order. The system was set to help supermarkets and grocers identify which bread was new, which was getting old (so it could be put on sale), and which was out of date and needed to be removed from the shelves.

So as a general rule of thumb the next time you go to the store for your next loaf, make sure the color of the tag is the same as the day on which you are

shopping. Note that the bakers got the day off on Wednesdays and Sundays. However, there are exceptions to the rule. Some bakers use only one color bread tag regardless of the day on which it was baked. They may simply contain a date stamp. In this case the date on the tag is the sell-by-date, not the date it was baked. If by chance the twist tie is always the same color, then you need to look for a date stamp on the bread bag.

Some bread makers may have their own color-coding. In that case it is best to contact the baker of your favorite loaf of bread and ask what their color-code system is.

The bigger question is: "Where was I when this little bit of knowledge was handed out? I did not know that about bread!"

### Looking to serve your community?

The Salmon Creek Lions Club is a great option.

Join with us at The Klineline Kids Fishing, PUD EcoFair, vision screening in schools, Walk & Knock Food Drive and more!

For more info go to their website at: [www.salmoncreeklions.org](http://www.salmoncreeklions.org)

### Repair Clark County

Formerly known as Repair Cafes, these are free community events where skilled 'fixers' volunteer to lend their skills to residence whom bring in their broken items for repair. The goal of these events is to keep stuff out of the landfill, conserve resources, save money and share skills throughout the community.

Bring your clothing, small home appliances, bicycles, electronics, jewelry, or tool/knives that need sharpening and fixers will try to repair them or help you fix them! Attendees may bring one item each and must be present during the repair. If multiple items are brought, the attendee will need to re-enter the line for their additional item after one repair is completed.

Attendees are encouraged to bring replacement parts (i.e. cords, zippers) specific to their broken item for fixers to use in the repair.

Experienced fixers will try to repair or mend your items and can sometimes teach you how to fix them. Please only bring items small enough to be easily carried by one person, and do not bring any items that are leaking, dangerous, dirty or have a strong odor. There are no guarantees an item can be fixed, or attempting to fix it won't break it even more, but fixers will be available to diagnose problems and offer their best, unbiased advice. Volunteers will provide free diagnosis and repair skills, and replacement parts may be available for sale at a low cost (i.e. cords, spark plugs).

Upcoming Repair Clark County events:

March 27th, Wednesday, 5 - 7:00 PM,  
Vancouver Community Library

May 4th, Saturday, 12 - 2:00 PM,  
Cascade Park Library

June 8th, Saturday, 12 - 2:00 PM,  
Person Education Center

July 11th, Thursday, 5 - 7:00 PM,  
Three Creeks Library

August 1st, Thursday, 6 - 8:00 PM,  
Filbins ACE Hardware (Hazel Dell)

September 14th, Saturday, 12 - 2:00 PM,  
Clark County Habitat for Humanity

October 22nd, Tuesday, 6 - 8:00 PM,  
912 Main Street, Battle Ground

November 16th, Saturday, 12 - 2:00 PM,  
Camas Public Library, Camas

Funding for these events is provided by the Washington State Department of Ecology. The program is directed through Columbia Springs Environmental Education. For more information call Terra 360-882-0936 ext 224 or go to [www.repairclarkcounty.org](http://www.repairclarkcounty.org)

Repair Clark County would not be possible without the help of skilled volunteers. If you would like to volunteer your skills or just help-out with events, please contact [repair@columbiasprings.org](mailto:repair@columbiasprings.org). All volunteers are required to attend a

volunteer orientation to ensure a safe and enjoyable event.

## PET LICENSING

Licensed pets have benefits:

- They are more likely to quickly be reunited with their owners.
- They receive longer care periods at shelters.
- They are transferred to an emergency medical care facility if found with an injury.

In Clark County pet license applications are required for all cats, dogs and wild or exotic pets older than eight weeks. Once the pet turns six months you will be sent a notice to pay a licensing fee.

Applications and forms are online for pet license applications for all pets at [www.clark.wa.gov](http://www.clark.wa.gov) then click on SERVICES and select ANIMALS AND PETS.

### Fees

Fees are required for pets older than six months. They are valid for 12 months.

Cats: Fertile - \$40 ; Altered - \$20

Dogs: Fertile - \$50; Altered - \$25

Wild animal - \$100

Low-income assistance - Pet license fee assistance is available for households that have limited incomes and are located in unincorporated Clark County or the city of Vancouver. Only one dog and one cat per household may qualify. Pets must be spayed or neutered.

Fines - The fine for having an unlicensed dog or cat in unincorporated Clark County and the cities of Vancouver and Yacolt is \$100 per animal. If an owner who receives a citation licenses the animal within 10 business days, the fine will be reduced by half. A second fine will cost \$200 and a third will cost \$400. Failure to pay a fine could create a lien against the owner's property.

## Where to purchase a pet license:

Licensing agents may charge a fee of up to \$5 per license.

Hazel Dell

- Designer Dog Grooming, 317 NW Bassel Road, Vancouver, (360) 546-2168
- Highway 99 Auto License, 13011 NE Highway 99, Vancouver, (360) 573-6226
- Salmon Creek Veterinary Clinic, 12709 NE Highway 99, Vancouver, (360) 574-0833

## Mandatory Boater Education

Weather you cruise, sail, kayak, fish or do yoga on a standup paddle board, you need to know the laws and basics of boating safety.

The Coast Guard Auxiliary Flotilla 78 in collaboration with Clark County Marine Patrol and the United States Power Squadron offers an interactive class to meet the needs of both Washington and Oregon residents to obtain the required Boater's Education Card. Completing the class can also reduce the cost of boat insurance. The *About Boating Safety* class provides adults and children 12 and older a day of hands-on learning.

Classes are held the fourth Saturday of every month at the Clark County Operations Center (community room - 4th building on the left - B-1) located at 4700 NE 78th Street 98665. Class time is 8:30 AM to 5:00 PM.

Cost is \$10 per boater. Space is limited, so call 360-609-2630 or 360-574-5044 or

[emaildeborsh@comcast.net](mailto:emaildeborsh@comcast.net).

For more information go to [www.parks.state.wa.us](http://www.parks.state.wa.us) and sign up online.

Traffic Safety

On July 23, 2017 Washington State's new Distracted Driving Law went into effect. This new law had additional elements that the previous law did not have and increased penalties.

\* No Hand-held Cell Phone Use

- Drivers may not use hand-held cell phones while they are driving, stopped in traffic, or at a stop light. This includes tablets, laptops, games, or other hand-held electronic devices.

- Drivers may not watch a video while they drive.

- This does not apply if a driver is contacting emergency services.

- Drivers can use hand-held devices when they are parked or out-of-the-flow of traffic.

\* Hands-free Use Is Allowed

- Hands-free use, such as Blue Tooth, is allowed as is a single touch to start function. Start GPS or music before you drive.

\* Dangerously Distracted

- You can also get a \$99 ticket for other types of distractions such as grooming, smoking, eating, or reading if the activity interferes with safe driving and you are pulled over for another traffic offense.

\* What's Not Included

- Some things are not included in the law. Transit and emergency vehicles are exempt. Drivers of commercial vehicles must follow Federal Laws.

- Two-way radio, citizens band radio, or amateur radio equipment are not included in this law.

\* Costs

The first ticket will cost at least \$136. Get a ticket again within five years, and those tickets cost at least \$234. Unlike current law, which exempts cell phone violations from being reported to insurance companies, all violations will be available to insurance companies.

Research shows that phone conversations reduce visual attention. Pass your phone to the passenger, put it in the glove box, or turn it off before you drive.

School Zone Safety

- During the school year the Traffic Unit conducts School Zone speed enforcement. All school zones are active when lights are flashing or

children are present so careful attention to speed is necessary to protect the safety of kids traveling to/from school. Remember the speed in a school zone is 20 MPH.

\* School Bus With The Stop Paddle Safety Tips

- Drivers need to stop in a two lane road no matter which way the bus is traveling.

- If the road is divided, the cars that are traveling in the same direction as the bus need to stop.

- If there is a two-way lane, cars in the turn lane need to stop as well as the vehicle that is going in the same direction as the bus.

Have you seen these weeds?

Japanese Knotweed is an invasive weed that is not native to Clark County. Since its inception in 2011, Clark Public Utilities' Eradication Nation has worked to stop its spread in Salmon Creek. Growing at a rate up to three inches per day this weed can grow up to 12 feet tall with stout bamboo-like hollow stems.

It can push through building foundations and driveways, dominate native vegetation, and destroy fish and wildlife habitat. In March and April, knotweed shoots look like asparagus. Keep an eye out for any fast-growing bamboo-like plants!

Japanese Knotweed spreads vegetatively from its roots, stems, and rhizomes that break off and are carried to other locations. A piece the size of your fingernail discarded into yard waste or floating down a stream can generate an entirely new infestation. Garlic mustard is another invasive plant that displaces native vegetation.

Thousands of tiny seeds per plant make it easy for garlic mustard to spread over forest understory. Contact the Invasive Species Coordinator for more information on proper removal methods.

Join us today and learn to identify these invasive plants, report sightings, and participate as a volunteer! If you believe you have Japanese knotweed on your property, do not hesitate to contact Eradication Nation and schedule a site visit. With the help of a grant from the Centennial Clean Water Fund, we can provide FREE control of Japanese knotweed on properties in the Salmon Creek watershed. Email: knotweed@clarkpud.com or call 360-992-8787

**Neighborhood Association  
Mission:**

The residents of the Hazel Dell area established the NE Hazel Dell Neighborhood Association (NEHDNA) in order to unite the common interests and promote the welfare of the area. The association is involved with a variety of matters, which affect the livability of the neighborhood and community in general.

All residents within the neighborhood association boundaries or neighboring areas not within an existing neighborhood association are welcome to attend and participate in the association.

If you have any questions or would like more information, please contact one of the officers or board members listed on this page. The NEHDNA does not subscribe to any religious affiliation or political party. Our desire is to work together for the common good of the neighborhood in which we all live. You don't have to live in the area to be a member or to come to the meetings! All are welcome.

*Neighborhood Association newsletters are copied free of charge by the Clark County Neighborhood Outreach Office. The information and views expressed are solely those of the NE Hazel Dell Neighborhood Association and not Clark County Government or their employees.*
