DO YOU HAVE GARDENING QUESTIONS?

We'll have answers at the April meeting with Allen Wilson from the Columbian's gardening column as our speaker.

When the county notifies me of a land development within our neighborhood association's boundaries, I forward this information to our email list. You will only receive this information if you have requested to be put on the mailing list, or if you live within a few hundred feet of the development in question.

If you wish to stay informed, email me at sunnysidenava@yahoo.com and request to be on the Sunnyside NA email list. The list is also used to send out various announcements regarding our activities.

Our neighborhood association can receive a \$120 grant if one of our members attend a recycling, composting or waste reduction workshop. Unfortunately, there are just a few workshops left. If interested, contact me at sunnysidenava@yahoo.com. The first person to respond will be given the information.

We will be resuming cleanups of the Orchards-Highland Park soon. We have fulfilled all the requirements to volunteer for park cleanups. Please email me if you'd like to join us!
