Survey Format	<p>Tim McVicker related that he has re-structured the layout of the accessibility surveys to ensure that all surveys are uniform in appearance. Barrier removal	<p>Tim McVicker stated that he reviewed the Transition Plan checklists and identified accessibility barrier items that could be corrected by labor and no material costs. When complete, Tim will update the Transition Plan. Facilities Management will address the upgrades. Facilities include:</p> <ul style="list-style-type: none"> <li>• Clark County Amphitheater</li> <li>• Elections Building</li> <li>• Tri-Mountain Golf Course</li> </ul>
