

CLARK COUNTY GOVERNMENT CAMPUS PARKING

Due to the redesign of the Clark County government campus in downtown Vancouver, there has been a change in the location where members of the public can park. Immediately north of the new six story Public Service Center (PSC) building there is a three level parking garage. Located on the bottom floor of the parking garage are thirty-eight (38) metered public parking spaces as well as three (3) spaces for disabled drivers. There is a driveway entrance to the bottom floor of the parking garage from Franklin Street. The public parking spaces are located just inside the parking garage along the east wall, (on the right hand side as you enter from Franklin). These spaces are metered and are limited to two hours parking time.

There are an additional twelve (12) metered parking spaces and four (4) spaces for disabled drivers located on a street level parking lot to the west of the new Public Service Center (PSC) building. These spaces are also limited to two hours parking time. They can be reached by taking Franklin Street south from Mill Plain Blvd. until 13th Street. Turn west (right) on 13th Street and drive past the new six story PSC building. Once past the PSC building, turn north (right) into the parking lot containing these spaces.

Please see the attached map for the location of public parking areas on the County government campus.
