Bid Inquiry Log

Last Update: September 2, 2014

The last Bid Inquiry Log update will be 5 PM, the day before the bid opening and will display all questions and answers to the questions since that have accumulated by that time. The questions and answers posted on the Bid Inquiry Log at that time will be considered part of the contract and ranked as an Addendum with respect to order of precedence under Section 1-04.2 of the Standard Specification. Questions too late to be answered as of that update will remain unanswered and will not be included in the Log.

Question #2 In regards to the Typical Section for NW 68th St shown on page 7 of 25. What is the County’s expectation for traffic control during non-work hours when the full depth section is being construction? Will two lane traffic be able to share the paved section of road to remain which will be about 16’ wide.

Reference: Unanswered

Answer: The expectation is that a minimum of two 10-foot lanes will be available during non-working hours. A portion of the roadway may be on rock.
