Clark County Public Works

Bid Inquiry Log

Last Update: March 19, 2015

The last Bid Inquiry Log update will be 5 PM, the day before the bid opening and will display all questions and answers to the questions since that have accumulated by that time. The questions and answers posted on the Bid Inquiry Log at that time will be considered part of the contract and ranked as an Addendum with respect to order of precedence under Section 1-04.2 of the Standard Specification. Questions too late to be answered as of that update will remain unanswered and will not be included in the Log.

Question #3: Who is in charge of hiring for materials testing and special inspection?

Reference:

Answer: The County will be hiring a materials testing firm and will be providing inspection services. For Contractor testing needs, the Contractor will be hiring for those services.

Date: 3/25/2015

Question #4: What is the span wire pole tension/weight for the Type V Pole

Reference:

Answer: Addendum #2 will be released to clarify. The Type V pole is incorrect. The correct type of pole is a WSDOT Light Standard with Type I (DAVIT) Mast Arm.

Date: 3/25/2015

Question #5: Informational Only

Reference:

Answer: Addendum #2 updates bid opening date to April 14, 2014 and clarifies some sheets.
