**Agenda Item**

**Meeting called to order at 5:30PM**

**New Business:**

The group assembled at the PSC at 5:30pm. Everyone went together in a County vehicle for a tour of industrial parks in Port of Woodland, Port of Camas Washougal, and the _________. The purpose of the field trip was to give the group some ideas for layout and design of industrial parks that are served by rail in order to use that information when developing design standards for the County railroad industrial land.

**Adjournment**

- The group returned to the PSC at 8:30PM and the meeting was adjourned.
