## ARTICLE 1. RECOGNITION

**1.1 Parties.** This Agreement is between Clark County, Washington, hereinafter referred to as the County, and the Laborers' International Union of North America (LIUNA) - Local 335, hereinafter referred to as the Union, for purposes of setting forth the mutual understanding of the parties regarding wages, hours, fringe benefits and conditions of employment of those employees for whom the County has recognized the Union as the exclusive collective bargaining representative.

**1.2 Exclusive Representative.** The County hereby recognizes LIUNA as the exclusive bargaining representative for the purposes stated in Chapter 41,56 RCW of all regular full-time, regular part-time and project employees employed within the classifications listed in Exhibit A to this Agreement and employed in the Clark County Health Department, herein after referred as the Health Department. For the purposes of recognition, "regular" employees are those occupying budgeted positions and working a regular schedule of 1,040 hours or more in any calendar year. The Union shall exclude all elected, confidential, supervisory (except that lead supervisors shall be included), temporary and part-time (less than 1,040 hours per year) employees.

**1.3** For the purposes of this Article, a temporary employee shall mean one who is hired to work not more than 1040 hours in any 12 (twelve) consecutive months.

**1.4 Excluded Positions.** The Administrative Assistants reporting to the Department Director, the Health Officer, and the Public Health Services Manager will be excluded from the bargaining unit. Unless otherwise agreed, all other positions within classifications specified within Exhibit A are included in the bargaining unit.

## **ARTICLE 2. NON DISCRIMINATION**

**2.1** The County and the Union agree that they will not discriminate against any employee by reason of race, creed, age, color, sex, national origin, religious belief, marital status, mental or physical disability, political affiliation or activity or any other categories of persons or activities protected by federal, state or local statutes, ordinances, rules or regulations. In addition, employees shall not be discriminated against or harassed based on sexual orientation.

**2.2** The County agrees not to discriminate against any member of the Union for his or her activity on behalf of or because of membership in the Union.

## **ARTICLE 3. UNION RIGHTS AND SECURITY**

**3.1 Maintenance of Membership.** Except as provided in Section 3.2, all covered employees shall, as a condition of continued employment, maintain their membership in good standing in the Union during the life of this Agreement. New employees shall be enrolled on the first day of the calendar month following their hire date or appointment to a position in the bargaining unit.

**3.2 Religious Tenets Exception.** In order to provide County employees the right of non-association with the Union because of the employee's bona fide religious beliefs, such County employee shall pay an amount of money equivalent to Union dues to a non-religious charity mutually agreed upon by the employee and the Union. If within ten (10) days after it is determined that the employee is eligible for exemption under this section, the employee and Union fail to agree on the organization to which payment in lieu of dues and initiation fees is to be donated, either party may petition the Public Employment Relations Commission for a decision. Said employee shall furnish written proof to the Union that such payment is being made.

**3.3** In the event an employee member of the Union fails to maintain his/her membership or charitable payment, the Union will notify the County in writing through the Human Resources Department of such employee's delinquency. The County agrees to give notice to the employee and the Union within five (5) working days that his/her employment status with the County is in jeopardy and that failure to meet the membership obligation within thirty (30) calendar days from the date such notice is received will result in termination.

**3.4** The Union will notify the County of its initiation fees and dues. The County will deduct such initiation fees and union dues from the wages of the employees and forward them to the Union each pay period. Each pay period the County shall submit the dues to the address and name provided by the Union, accompanied by a list of dues-paying employees, their salaries, and the amount of their dues. The County and the Union have developed a mutually agreeable dues deduction assignment form for authorization of payments to the Union by payroll deduction. The agreed upon dues deduction authorization form which is attached is attached as Exhibit B.

**3.5 New Hires.** The County agrees to provide the Union with written notification within thirty (30) days of new hires and separations from the bargaining unit in a fashion mutually acceptable to the parties. A meeting with the Union representative shall be included as part of new employee orientation.

**3.6 Printing and Distribution.** The County shall bear the cost of printing and binding this Agreement. The County shall provide copies of the Agreement to the Union for distribution to represented employees. The County shall provide copies to new hires.

## **ARTICLE 4. MANAGEMENT RIGHTS**

**4.1 Rights Reserved.** The management of the County and the direction of the work force are vested exclusively in the County subject to the terms of this Agreement. The parties agree that existing established past practices not covered by this Agreement on mandatory subjects of bargaining shall be altered only with agreement of the parties. This Article does not restrict the right of an employee to use the grievance procedure set forth in Article 22.

### **4.2 The parties recognize the following rights of the County:**

4.2.1 Determine the methods, processes and means of providing services.

4.2.2 Increase, diminish or change equipment, including the introduction of any and all new, improved or automated methods or equipment.

4.2.3 Make or change the assignment of employees to specific jobs within the bargaining unit in accordance with their job classification or title.

4.2.4 Hire, transfer and promote including determination of the qualifications, methods and standards thereof.

4.2.5 Discipline regular employees for just cause and discipline probationary employees for any lawful reason.

4.2.6 Determine or change standards and expectations for employee performance and conduct.

4.2.7 Evaluate employees including the use or modification of performance appraisal programs.

**4.3 Use of Temporaries.** The County may employ temporary employees on a seasonal, cyclic, or short-term basis, or to assist during an unusually high workload. A temporary employee normally will not be employed more than 1,040 hours in a calendar year, unless extended with the mutual agreement of the Union and the County. The County will notify the Union(s) quarterly of the number and identity, date of hire, classification & department of temporary employees. The County will not rotate temporaries through the same position.

Except where mutually agreed upon, temporaries shall be paid no more than the entry step rate for the classification they have hired to work in.

**4.4 Project Employees.** The County may employ project employees for long term but limited duration projects for up to twenty-four (24) months on a full time basis. Project employees are eligible for selected benefits: vacation, observed and floating holidays, sick leave, medical and dental insurance, and the Employee Assistance Program in the same manner as employees covered under this Agreement. Project employees shall be required to be members of the Union with rights equivalent to probationary employees but shall not be entitled to bump or displace covered employees when laid off at the conclusion of the project nor shall they be entitled to seniority rights.

When a project position is created in Public Health Specific classifications, management may with the mutual agreement of the Union protect the incumbent in the position from being bumped. However, regardless of the agreement at the onset, project position incumbents will be protected from being bumped should the layoff occur within the last third of the project timeline or within the last six months of the project, whichever is longer. Project positions in Administrative Support classifications will not be protected from bumping unless there are only three months or one quarter of the project timeline remaining, whichever is longer.

4.4.1 If the employee selected for the project position is a full or part time employee of the Health Department who has completed their initial probationary period, the employee retains all bargaining unit rights and benefits for the duration of the assignment and upon completion of the project.

4.4.2 If the employee selected for the project position is not a current Health Department employee, the following provisions apply.

4.4.2.1 Project employees are eligible for selected benefits: vacation, observed and floating holidays, sick leave, medical insurance, dental insurance and the Employee Assistance Program. Project employees are not eligible for life and disability insurance, leaves of absence, deferred compensation, tuition reimbursement and Flexible Spending Accounts.

4.4.2.2 Because project employees have been hired to complete a specific project, they do not have the right to apply for internal-only recruitments or to apply for transfer to regular positions. They are eligible to compete for positions available to external candidates.

4.4.2.3 At the beginning of employment, project employees will receive clear information on the scope of the project and the employee's responsibilities. In order to maximize the success of the project, the employee will receive feedback and support on performance.

4.4.2.4 Project employees will be members of the bargaining unit with all rights except as designated in this Article. Project employees shall not bump or displace regular bargaining unit employees and shall have limited grievance rights in the event of suspension and/or discharge.

4.4.2.4.1 If suspension or discharge is considered following the initial probationary period of six months, the County will provide notice to the Union five working days in advance of the action unless said action is for gross misconduct.

4.4.2.4.2 If the Union asserts that the decision was arbitrary and capricious, the Union may initiate an expedited binding arbitration process. The expedited arbitration process shall involve selection of an arbitrator from a list prepared in advance by the County and the Union and shall include an oral hearing that results in a bench decision.

4.4.2.4.3 All parties intend to complete the expedited process within thirty calendar days from the suspension or discharge. The County and the Union may extend this time limitation with mutual agreement. The arbitrator shall be limited to determining if the action was arbitrary and capricious and shall be limited to a remedy of no more than twenty (20) days back pay.

4.4.2.5 If a project position is converted to a continuing, regular position, the Director may elect to continue a project employee who had accumulated more than six (6) months of service in the position without a competitive selection process, provided the position does not represent a promotional opportunity for existing regular employees.

**4.5 Use of Alternative Workers and Non-Bargaining Unit Personnel.** The County may, in its discretion, make use of various alternative workers for rehabilitative, societal or other purposes including volunteers, offenders, youth programs, interns, senior citizens, welfare recipients and the disabled or assign tasks to personnel from other bargaining units and non-represented employees provided such activity does not result in the layoff of bargaining unit employees or a reduction in the number of bargaining unit positions. The parties affirm the principle that alternative workers should be used as a supplement to and not in place of bargaining unit members.

**4.6 Contracting Out.** The County may contract out bargaining unit work provided such activity does not result in the layoff of bargaining unit employees or a reduction in the number of employees or positions within the bargaining unit. The County shall provide sixty (60) calendar days notice to the Union and its representatives.

Prior to contracting out new bargaining unit work, the County and the Union will meet 60 days in advance to discuss options and impacts.

**4.7 Performance Evaluation.** The County retains the right to evaluate employees including the use or modification of performance appraisal programs. The County agrees to provide for employee and union input on the development of any new appraisal form or system or a substantial change to forms or systems now in use. The parties further agree to the following elements of a performance appraisal system:

- a) The purpose of performance evaluations is to provide employees with clear expectations and feedback regarding their performance against those expectations and to promote communication between the employees, their supervisor and the department head.
- b) The employer may establish or revise procedures and forms for performance evaluations, so long as such procedures and/or forms are reasonable. Peer evaluations shall not be utilized except that employees in lead positions may provide input on evaluations of employees under their lead.
- c) Employees may appeal performance evaluations to the reviewer or second level signatory. If still unsatisfied they may appeal to the department head. The department head's decisions shall be final.

- d) Performance Evaluations should be used to document previously raised problems and concerns. Except in unusual circumstances, problems not previously raised should not be included in evaluations.
- e) Performance evaluations, including employee comments and reasonable rebuttal materials, shall be included in personnel files. The County shall strictly guard the confidentiality of employees' performance evaluations.
- f) In cases where more than a year has passed since the previous performance evaluation without any intervening issues, the County will not utilize any performance issues from that performance evaluation to hinder an employee's opportunity to seek a promotion or transfer.
- g) Performance evaluations are not to be used solely as a basis for disciplinary action.

## **ARTICLE 5. LABOR/MANAGEMENT COMMITTEE**

**5.1** The Labor/Management Committee hereinafter referred to as the Committee or LMC shall be organized for the purpose of dealing with contract issues focusing on clarifying the intent and content of the labor contract, monitoring for unanticipated consequences of the labor contract and anticipating change. The Committee shall be comprised of the business manager for the union and up to three bargaining unit members appointed by the business manager and up to four relevant management representatives.

**5.2** The Committee shall normally meet monthly, or as mutually agreed.

**5.3** The Committee may adopt bylaws governing the operations of meetings and the range of issues to be discussed. Decisions will be made by consensus.

**5.4** The Committee shall consider only those contract issues which are mutually agreed upon or otherwise designated in the bylaws of the Committee.

## **ARTICLE 6. UNION REPRESENTATIVES AND ACTIVITIES**

**6.1** The Union shall inform the County in writing of the names of its stewards who are authorized to represent the Union. Such information shall be kept up-to-date at all times.

**6.2 Access to Workplace.** Union representatives may, after informing the appropriate management representative, visit the work location of employees covered by this Agreement. Access shall be allowed provided it does not disrupt the regular work activities of employees or the department.

### **6.3 Use of County Resources.**

6.3.1 The County shall provide the Union with bulletin boards at reasonable locations for its use in communicating to members. The Union shall limit its posting of notices and bulletins to such bulletin boards.

6.3.2 The Union may use County communications resources (telephone, voice mail, E-mail, mail distribution, bulletin boards) for communications that relate to the Union's business relationship with the County. They may not be used to conduct the internal business of the Union. All other uses require approval of the County and requests should be directed to the applicable department head or his/her designee.

6.3.3 Use of County facilities for Union meetings shall be permitted, subject to the general rules and conditions for public use of County facilities.

**6.4 Release Time.** Union stewards shall be allowed reasonable release time without loss of pay for the purposes of meetings with the County for grievances or disciplinary hearings or such other legitimate activities as are mutually agreed. For purposes of collective bargaining, union stewards and/or mutually agreed upon designees will have release time as provided in ground rules. Nothing in this Agreement shall be construed to require employees to receive compensation from the County for representation activities occurring outside of the employee's regularly scheduled work hours or for such time to be counted as time worked for overtime calculation. County equipment and work hours shall not be used by union stewards, employees or business representatives for solicitation of Union membership, collection or checking of dues, Union meetings or other activities relating to the internal business of the Union.

6.4.1 Union stewards shall request permission from their immediate manager for release time. Such request shall be granted provided release time does not unreasonably detract from their work performance and is in compliance with the above requirements as to the nature of the activity.

6.4.2 Union stewards shall be allowed one hour of release time preceding or following meetings with the County for preparation/debriefing activities.

6.4.3 Release time for arbitration or PERC hearings shall be limited to the grievant/appellant, Union witnesses and two Union stewards. Union witnesses shall be allowed to attend for as long as their presence is required in relation to their testimony.

Other employees may attend with permission of their immediate manager and shall attend on their own time.

6.4.4 The Union may use County communications resources (telephone, voice mail, e-mail, mail distribution, bulletin boards) for communications that relate to the Union's business relationship with the County. All other uses require approval of the County and requests should be directed to the applicable department head or his/her designee.

**6.5 Union Business Leave.** The Union shall be granted two (2) days per year Union Business Leave for use by stewards for Union conferences and conventions.

6.5.1 The Union may ask and the County may grant Union leave for up to one (1) year. This leave shall apply to one (1) person at any one time and shall only be granted to allow the individual to perform duties for the Union.

6.5.2 Leaves for Union business shall be governed by the provisions of Section 16.6, Other Leaves and Section 17, Insurance.

## **6.6 Payroll Reporting.**

6.6.1 All paid time spent by Union stewards and members in release time activities shall be reported under code UNR (Union Release Time) on employee time sheets.

6.6.2 All paid time spent by Union stewards and members on Union Business Leave shall be reported under code UNB (Union Release Conference & Training/Business) on employee time sheets.

6.6.3 All paid time spent by Union stewards and members in release time for the purposes of collective bargaining negotiations shall be reported under code UNN (Union Negotiations Release Time) on employee time sheets.

6.6.4 The County reserves the right to modify these codes as necessary for administrative or financial reporting purposes. If the County intends to modify these codes, the County shall give the Union at least thirty (30) days written notice prior to the modification.

## **ARTICLE 7. STRIKES AND LOCKOUTS**

**7.1** During the life of and for the duration of this Agreement, including any status quo period following the expiration of this Agreement, the Union, including agents, stewards, representatives, and bargaining unit members shall not engage in, acquiesce in, observe or encourage any strike, slowdown, primary picketing, sick-out, sit-down, or other disruption or stoppage of work at any County facility or at any location where County services are performed nor shall there be any lockout of bargaining unit members by the County. If any such activity takes place, the Union will immediately notify all Union agents, stewards, representatives, and bargaining unit members engaging in such activity to cease and desist, and the Union shall publicly declare by letter to the Board of County Commissioners and the Human Resources Department that such activity is in violation of this Agreement and is unauthorized. In the event the Union fails to fully and faithfully discharge its duties under this Article, the County shall be entitled to recover its losses incurred as a result of activity in violation of this Article. In the event of a lockout in violation of this Article, affected employees shall be entitled to be made whole for any wages, benefits and rights lost as a result of such lockout. Any employee engaging in any activity in violation of this Article may be subject to immediate disciplinary action or discharge and the only matter related to such action which may be subject to appeal is the question of whether or not the employee engaged in such activity.

## ARTICLE 8. JOB ASSIGNMENTS AND CLASSIFICATION

**8.1 Work Assignments and Duties.** The County may make or change the assignment of employees to specific jobs within the bargaining unit in accordance with their specific job classification or title.

8.1.1 **Work Out of Class.** Employees in certain work-out-of-classification assignments may be eligible for additional compensation as provided by Section 12.10.

8.1.2 **Career Development.** Employees may be assigned higher level work for training and development purposes on a limited term basis. The Health Department shall make every effort to distribute such assignments on an equitable basis. Assignments of employees to a position in a higher level classification under this section shall normally be for a maximum of sixty (60) days unless otherwise agreed or work-out-of-classification pay is offered. Employees shall be informed in writing of the purpose of the assignment and its expected duration. Career development opportunities shall not be used to prevent the filling of vacant positions.

8.1.3 **Alternate Staffing.** Alternate staffing is defined as the budgeting of a position at more than one classification level within a job series. Employees filling alternately staffed positions may be assigned duties at any of the classification levels of the position and shall be eligible for promotion when performing fully satisfactorily at the higher level in the judgment of the department. Classifications which are alternately staffed are listed in the County pay plan.

### 8.2 Reclassification.

8.2.1 Job classifications shall be defined by the current class description for each of the job class titles covered by this Agreement. The County may revise and update classifications to reflect current duties and qualifications for each classification. The Union shall be provided copies of changes and afforded the opportunity to bargain the effects of substantial changes with respect to mandatory subjects of bargaining during the life of the Agreement.

8.2.2 Employees who believe they are misclassified or have been assigned work outside of their current classification must notify their supervisor or manager in writing. If the department agrees that a reclassification is appropriate the supervisor or manager will request a study of the position(s) by Human Resources. If the employee's department disagrees with the request, they shall so notify the employee in writing within thirty (30) days. If the employee still disagrees, they may appeal the decision to the Human Resources Department. The Human Resources Department will notify the employee within sixty (60) days as to whether the position warrants study and an anticipated date for study. The effective date of any change will be the date of the adoption of the study or the beginning of the seventh (7th) month following receipt of the official request by the Human Resources Department, if the study has not been completed within six (6) months.

8.2.3 When a position is reclassified, the incumbent shall be continued in the position when the following criteria are met:

- a. The change in duties evolved over a period of time, generally six (6) months or longer (versus occurring instantaneously, such as via reorganization) and;
- b. The incumbent has occupied the position and has performed substantially all the duties of the new classification for six (6) months and;
- c. The incumbent meets all of the published minimum requirements of the new classification.

8.2.4 If these qualifications are not met the employee may continue in the position as an underfill for up to twelve (12) months or be reassigned to another vacant and suitable position for which the employee is qualified in the same classification in the department. If there is no position available and an underfill is not practical, the employee shall be laid off.

**8.3 Salaries for New/Revised Classifications.** When a new classification is required or a substantial change is made to an existing job classification in the area of an "upward" change in responsibilities or qualifications the County will develop/revise the classification description, proposed salary and proposed bargaining unit assignment. The salary range for the new/revised classification shall be established following County procedures so that the salary of the new class is equitable in comparison to existing bargaining unit classes. The Union shall be provided notice of the allocation and afforded the opportunity to negotiate as to the salary and bargaining unit allocation. The County may effect the proposed salary pending negotiations. If the parties agree to a change to the salary/classification, the change shall be retroactive to the County's original approval date.

## ARTICLE 9. FILLING OF VACANCIES

**9.1 Vacancies and Posting.** Except as otherwise provided herein, job postings to fill new or vacant budgeted full or part-time bargaining unit positions shall be distributed via e-mail and available on the County LAN (K:\County\Hrcounty\Jobann) and through the intra/internet. Departments without access to electronic communications will receive a hard copy of the announcement for posting on employee bulletin boards. Employees interested in positions in specific classifications must follow the posting procedures. The filing period shall be a minimum of ten (10) working days unless otherwise agreed. Such notice shall include the classification, salary, description of the duties of the position, qualifications, knowledge, skills and abilities and selection process. Only qualified candidates who apply within the established filing period will receive consideration for such vacancies.

**9.2 Classification Recruitments.** Recruitments may be conducted on a position-by-position basis or on a classification basis. Classification recruitments may be used to fill future vacant positions. When a recruitment is conducted on a classification basis, the pool of qualified candidates may be used to fill multiple current and future vacancies within a classification for up to twelve (12) months from the final posting date. Employee-candidates within the pool shall be referred to available vacancies based on their overall qualifications as well as specific qualifications, skills and preferences for particular vacancies.

### **9.3 Promotional Opportunities.**

9.3.1 When, in the judgment of the Human Resources Department, sufficient candidates from within the County are qualified, available and interested, the recruitment may be restricted to internal candidates. Promotional recruitments may be further restricted to employees of the Union or Department.

9.3.1.1 Vacant positions may be posted on a simultaneous or internal/external basis, based upon the following guidelines:

- a. All external applications will be collected directly by the Human Resources Department.
- b. The County shall first review and consider internal applications prior to reviewing any external applications.

9.3.2 Employees may apply for open recruitments and will receive consideration if they meet all required qualifications. When the selection decision is between external and internal candidates and the knowledge, skills, and abilities of the candidates are substantially equal, preference shall be granted to internal candidates, first within the Department, then within the bargaining unit, then other internal candidates.

9.3.3 When the selection decision is between two or more internal candidates within the bargaining unit who are entitled to preference under Section 9.3.2, bargaining unit seniority shall prevail where the qualifications, knowledge, skills and abilities of the candidates are substantially equal.

**9.4 Posting Alternatives.** As an alternative to posting, the appointing authority may elect to fill positions by any of the following means. Only qualified employees may be appointed by these means.

9.4.1 **Transfers within or between classifications.** Transfer requests shall be submitted in writing to the hiring manager. An employee who transfers to a new classification shall serve a probationary period of not more than three (3) months and shall have reversion rights to the former position as provided in Article 20.1.

9.4.2 **Demotions.** Voluntary and involuntary (as provided in Article 20) demotions may be made only to vacant and available positions.

9.4.3 Transfers and demotions of a qualified employee as an alternative to layoff.

9.4.4 Through a bumping or displacement procedure prescribed by this Agreement.

9.4.5 By conversion of a temporary position. Temporary employees may be appointed without a competitive posting with consent of the department head only for the specific position that they held as a temporary employee and if they held that position for a minimum of six (6) consecutive months. Converted temporary positions that represent a promotional opportunity for regular employees may not be filled without a competitive posting.

9.4.6 By appointment of the incumbent of a position that has been reclassified (upwards, downwards or laterally) and who meets the criteria required to be continued in the position as provided by Section 8.2.

9.4.7 When a position and incumbent are moved within or to another division through reorganization or other similar means.

9.4.8 To accommodate the transfer or demotion of an employee from another classification due to temporary or permanent disability.

9.4.9 To accommodate job sharing arrangements as provided by this Agreement.

9.4.10 By appointment of a laid off employee from a recall list.

9.4.11 By reinstatement of an employee who resigned from a position in the same classification and left in good standing within twelve (12) months prior to the reinstatement. However, reinstatement may not be used in lieu of promotional recruitments, that is employees are only eligible for reinstatement to classifications typically recruited for from the outside. Employees who pursuant to this provision are reinstated to their former classification within twelve (12) months of separation shall be

entitled to bridge their length of service for all purposes except layoff. Their service date shall be considered the former date of hire, less the break in service.

## ARTICLE 10. WORK HOURS

**10.1 Employee Work Schedules.** Except as otherwise established by this Agreement, the available work schedules shall be one of the following:

- a) Five (5) consecutive days of eight (8) consecutive hours, excluding lunch periods, followed by two (2) days off.
- b) Four (4) days of ten (10) consecutive hours, excluding lunch periods. Such 4-10 schedules shall provide a minimum of two consecutive days off in each 7-day workweek.
- c) Four (4) days of nine (9) consecutive hours and a day of four (4) hours, excluding lunch periods.
- d) Eight (8) days of nine (9) and one day of eight (8) hours, excluding lunch periods, during a two (2) week period.
- e) Other alternative work schedules providing there are no inherent additional payroll costs to the county.
- f) Any combination of days/hours between Monday and Friday that satisfies the budgeted FTE and is mutually agreed upon by the employee and the manager.

10.1.1 The County may utilize schedules which include a rotation or assignment on Saturday or Sunday to accommodate seasonal or other needs. The addition of Saturday or Sunday regular shifts to new classifications or to work units requires mutual agreement of the parties

10.1.2 Except in cases of emergency or other unavoidable circumstances beyond the County's control, employees shall be notified in writing of permanent changes in the work schedule at least seven (7) days in advance of their effective date. Schedule changes made in non-emergency situations with less than seven (7) days notice shall result in the payment of overtime for all work hours outside of the normal shift until the seven (7) day notice period has elapsed.

**10.2 Workday.** Normal work hours are between 7:00 am and 7:00 pm.

**10.3 Alternative Schedules and Changes.**

10.3.1 Employees or the County may propose alternative work schedules within the limits of a maximum forty (40) hour per week schedule and such schedules may be established by mutual agreement of the Union and the County. No work schedule is permitted which would result in the payment of overtime for hours worked during the regular work shift. This Section is intended to address long term or continuing schedule changes. If an employee requests an alternative work schedule, the County will consider the request and respond in writing with the approval or denial (including the reasons for the denial) within 30 calendar days of the request.

10.3.2 With advance approval of the appropriate level of management (as determined by the Department), employees may "flex" their schedules within a work week, for example

working a nine (9) hour day followed by a seven (7) hour day to accommodate personal or work situations or to balance a holiday work week as described in Article 14.3.1. This Section is intended to address occasional or intermittent changes to the schedule.

**10.4 Meals and Breaks.** All employees shall have one unpaid meal period at the approximate midpoint of each work shift of five (5) hours or more and two (2) paid rest periods of fifteen (15) minutes each, one (1) in each half of a full-time shift. An employee who normally receives a one half (½) hour meal period may request a one (1) hour meal period or vice versa. Employees may not forego a meal period to curtail the length of their working day.

**10.5 Job Sharing.** Job Sharing is a type of alternative scheduling in which two employees of the same job classification share the work schedule and duties of a single full-time position. Job Sharing proposals from employees may be considered by individual departments when it can be shown that the proposal can be implemented without significant adverse effects on the effectiveness of County services. Job Sharing is a voluntary arrangement and may be considered only when no significant extra costs above those of a single full-time employee will be incurred by the County. Job sharers must be in the same job classification.

10.5.1 Initial and continuing approval of the Job Share arrangement will be contingent on both partners meeting all of the required qualifications for the job and performing at a fully effective performance level.

10.5.2 Supervisory practices such as salary increases, performance evaluation and discipline will take place separately with each partner.

10.5.3 The County reserves the right to rescind a Job Share arrangement that has failed to meet the requirements of this policy or the employees may elect to terminate the arrangement (including by one of the job sharers resigning), subject to thirty (30) days notice. If the arrangement is terminated, and there is no agreement regarding who will resign or assume full-time responsibilities, the matter will be decided on the basis of bargaining unit. The parties to a terminated Job Share arrangement have the option to resign or transfer to an available position. If either partner resigns, transfers or is terminated, the other partner must assume the full-time responsibilities until an acceptable partner is obtained.

10.5.4 Earned vacation, sick leave, holiday hours and participation in the Washington State Public Employees' Retirement System (PERS) will be prorated according to the number of hours worked (e.g. Job Share partners scheduled to work twenty (20) hours weekly will accrue fifty (50) percent of the earned vacation, sick leave and holiday hours of a full-time employee).

10.5.5 See Article 18 for Benefits.

10.5.6 Additional hours worked over the scheduled amount shall be paid at the straight time rate and shall not result in a change in the division of health and insurance benefits. Overtime shall be payable for hours worked by either partner in excess of forty (40) hours per week or as otherwise provided by this Agreement.

10.5.7 Length of service for step increases and layoff will be based on the length of service of each of the Job Sharers individually. Bargaining unit for promotional consideration shall be determined as provided for by this Agreement.

**10.5.8 Application Procedure.**

- a. An employee currently in a full-time position who desires a Job Share arrangement must submit a written proposal to their Department Head. The proposal should include the following information:
  1. Names of employees who will Job Share;
  2. Position in which the Job Share is desired;
  3. Proposed work schedule for each employee;
  4. Proposed method of allocation and coordination of job responsibilities between the Job Share employees;
  5. Proposed procedures and routines for ensuring the information flow is maintained; and
  6. Proposed division of County insurance benefits.
- b. Upon receipt of the request, the Department Head and Human Resources will evaluate the proposal and respond to all below listed parties within thirty (30) days. The final written plan must be signed by both Job Share partners, the Department Head, Human Resources and the Union.

## ARTICLE 11. OVERTIME

### 11.1 Work periods for Overtime Calculation.

11.1.1 **Work Periods for Overtime Calculation.** Except as provided below, the work week for overtime calculation shall be the period of seven (7) consecutive twenty-four (24) hour days beginning at 12:00 am Saturday through Friday at 11:59 pm. The daily work period shall be the period of twenty-four (24) consecutive hours from 12:00 am to 11:59 pm.

11.1.2 The County may employ flextime scheduling where possible to avoid the accrual of overtime. In such instances, the operational needs of the unit must be balanced with the preferences of the employee when defining the hours to be flexed off during the same workweek when more hours than the amount regularly scheduled are worked on one or more of the days. Other alternatively scheduled work weeks will have an established beginning date and time, from which overtime eligibility is established.

11.1.3 An employee requested to come in to work prior to the regular starting time shall have the option of going home at the end of eight (8), nine (9) or ten (10) hours, being paid at the straight time rate, or working to the end of the regular shift with the additional time at overtime rates, provided the supervisor does not have additional work that is necessary.

**11.2 Compensation for Overtime.** Employees normally shall be compensated at one and one-half (1½) times their regular (as defined in Section 12.3) rate of pay for hours worked in excess of forty (40) in a week or in excess of their eight (8), nine (9), ten (10) hour daily or alternatively scheduled shift. Except as provided below, the calculation of time worked for overtime purposes shall include paid leave, holidays, floating holidays, vacation, sick leave and comptime used. Overtime will be paid to the nearest quarter hour.

11.2.1 In the case of employees who are on paid leave for a part of the work day and work outside of their regularly scheduled shift, the employee shall have the option of being paid for the additional hours at the straight time rate or reducing the amount of leave used. For example, an 8-5 employee who is off for two (2) hours due to a medical appointment but who works until 7 PM has worked a total of eight (8) hours and no use of sick leave is necessary. The employee may report either 1) eight (8) hours regular time and two (2) hours sick leave or 2) eight (8) hours regular and zero (0) sick leave. Leave need only be charged as necessary to make up the difference between the normal work hours and the hours actually worked. Daily overtime is payable only for hours *worked* in excess of the regular 8, 9 or 10 hour shift.

11.2.2 Holiday time shall be counted as time worked only for the purposes of paying overtime for work outside of the regular schedule. Holiday hours paid for a holiday falling on the employee's day off, shall be paid at the straight time rate. For example, a Tuesday through Friday 4-10 employee shall receive eight (8) hours pay (or compensatory time pursuant to Section 11.3) for a holiday which falls on Monday and shall thus be compensated for 48 straight time hours for the week.

**11.3 Compensatory Time Option.** With authorization of the department and the employee, an employee may elect to be compensated for overtime or holiday work in the form of compensatory time off rather than pay. Such election must be made in advance, either on a standing or ad hoc basis. Either party may require that overtime be compensated in pay. Such compensatory time off may be accumulated to a maximum of eighty (80) hours. Unused compensatory time shall be paid off at the employee's regular rate at the time of termination or transfer to another department.

**11.4** All overtime must be authorized by the employee's Department Head or his/her authorized representative prior to being worked.

### **11.5 Callback Pay.**

11.5.1 An employee who is called back to work after completion of his/her regular shift shall receive callback pay as provided herein.

- a. Unscheduled callback, regular work day: Two hours plus time worked, all paid at time and one half.
- b. Unscheduled callback, on regular day off: Two hours plus time worked, all paid at time and one half with a minimum of two hours (on time worked).
- c. Scheduled callbacks, regular work day: Time and one half on hours worked, no minimum hours.
- d. Scheduled callbacks, regular day off: Minimum of two hours at time and one half.

11.5.2 **For the purposes of interpreting this section, the following definitions apply.**

- a. An unscheduled callback is defined as a requirement to return to work from off-duty and off-premises status with less than twelve (12) hour's notice. It excludes overtime which is an extension of the regular shift – "holdover" overtime. It includes overtime which occurs on the "front end" of the regular shift only if no notice is given – the employee is told to report for duty early with no advance notice. All other overtime and call-ins are considered scheduled.
- b. Regular work day callbacks are those which occur during the normal workweek – "between" the employees regularly scheduled workdays.
- c. Day off callbacks shall be considered to be those which occur after midnight following the last day of work in the work week and before the scheduled start time on the first day of the next work week. For example, for a Monday-Friday, 8-5 employee, the qualifying period would be from midnight Friday to 8:00 AM Monday.
- d. "Minimum" pay is defined as a guarantee of a specified number of hours if the time worked on the callback is less than the guaranteed minimum. It is paid at the time and one half rate.

- e. Employees on standby duty shall be compensated for callbacks in accordance with Section 11.7.1.

**11.6 Assignment of Overtime.** The Department will attempt to meet its overtime requirements on a voluntary basis. However, in the event there are insufficient qualified volunteers to meet the requirements established by the Department, the Department may require employees to perform overtime work. Overtime work that can be performed by either regular or temporary employees shall be offered first to regular employees.

**11.7 Standby Pay.** Employees assigned to standby duty shall be compensated at the rate of \$1.50 for each hour on standby. For the purposes of this section, standby duty assignments are defined as a requirement to remain accessible and available for a specified period (e.g., one-week) and employees are required to return to work immediately if called. Employees whose off duty activities are not restricted and are merely subject to being called are not considered to be on standby.

11.7.1 Employees on standby duty are entitled to the two (2) hour minimum callback pay for the first call-out in each twenty-four (24) hour period of standby duty. Pay for additional call-outs shall be for actual time worked.

**11.8 Holiday Work.** Regular full-time and regular part-time employees who are required to work on a holiday shall be compensated in pay or compensatory time off at the rate of time and one half for all hours worked. Individual employees who work on both the legal holiday and the day of its observance will receive the holiday work premium on either day but not both. As with overtime, the choice of compensatory time off requires approval of the employee and the department.

**11.9 Shift Differential.** Employees whose regularly scheduled shift begins between 2:00 PM and 5:00 AM will receive a shift differential of one dollar and twenty-five cents (\$1.25) per hour. Such differential shall be paid on all hours worked on the shift plus observed holidays. Short-term assignments to other shifts of one week or less or assignments made to accommodate an employee's personal situation do not qualify for shift differential.

## **ARTICLE 12. COMPENSATION**

**12.1 Salary Schedule.** Except as otherwise provided by this Agreement, the salary schedules for employees in administrative support classifications covered by this Agreement shall consist of a salary range of six (6) steps with approximately five percent (5%) between steps. The salary schedule for employees in public health specific classifications shall consist of eight (8) steps; the first five with approximately 5% between steps and the remaining three being longevity steps. Salary schedules are included within this Agreement as Exhibit A. All employees, unless otherwise exempted through this Agreement, shall be paid at one of the steps in the range.

### **12.2 Salary Increases.**

12.2.1 Effective January 1, 2012, the salary schedule shall be increased two percent (2.0%), as set forth in Exhibit A to this Agreement.

### **12.3 Hourly Basis and Calculation.**

12.3.1 Employees covered by this Agreement shall be paid on an hourly basis. The hourly salary for an employee's classification shall be as specified by this Agreement and the County Pay Plan. The employee's annual and monthly salary shall be calculated by multiplying the hourly rate by the hours scheduled to work (2080 per year and 173.33 per month for a full time employee). No use of the term "salary" in this Agreement shall be construed to require or allow employees to be treated as exempt or salaried employees under the FLSA.

12.3.2 All cash-outs of paid leave shall be paid at the employee's base hourly rate of pay as defined in Section 13.5.

12.3.3 Employees who work overtime while in a work-out-of-class situation shall be compensated at the time and one half on the pay rate at the time of the assignment if the employee elects to receive pay for the time. If the employee elects compensatory time off, the premium pay will not be included when the time off is taken.

### **12.4 Premium Payments.**

12.4.1 Employees assigned and performing lead responsibilities shall receive a five percent (5%) premium on their base hourly pay.

12.4.2 The County agrees to provide additional compensation for employees required by their positions to use a second language in the course of their responsibilities. Employees certified to provide bilingual services shall receive an additional pay premium of \$30 per pay period. This premium will be pro-rated per the employee's current FTE.

The County shall notify and consult with the Union as to the designation of the eligible positions, the minimum level of fluency required and the testing procedures to be employed. Position designation and fluency determinations shall not be subject to the grievance procedure.

**12.5 Step Increases.** Employees shall normally be hired at the first step and shall be eligible for step increases after twelve (12) months at each step in the range. Unpaid leave of fifteen (15) days or more shall result in an adjustment to the eligibility date for the next step increase. Employees whose eligibility date falls between the first and the fifteenth of the month shall be eligible on the first day of the month. Employees whose eligibility date falls after the fifteenth of the month shall be eligible on the first day of the following month.

12.5.1 Step increases may be withheld or delayed based on disciplinary actions taken in the preceding six (6) months or unsatisfactory job performance. Such cause must be stipulated in writing and be presented to the employee at least thirty (30) days prior to the eligibility date. The employee must be informed as to why the step increase is being withheld, what action he/she must take to obtain the increase and the date on which the employee will next be eligible for consideration for a step increase. The employee's next eligibility date shall not be changed even though the increase may be withheld. Such step increase shall not be withheld or delayed for more than six (6) months.

12.5.2 Step increases will be frozen at each employee's current level for 12 months beginning January 1, 2011.

2011 Classification pay will remain unchanged at 2010 levels until 2012 Salary Anniversary dates.

**12.6 Longevity Increases for Public Health Specific Classifications.** In recognition of longevity, satisfactorily performing employees in public health specific classifications at the completion of eight, ten and fifteen years may be eligible for additional step increases. To be eligible for the increase to step six at the completion of eight years of service an employee must have been at the fifth step in the range for twelve months prior to completing the required years of service. Upon completion of ten years of service the eligible employee shall move to the seventh step in the range. Likewise upon completion of fifteen years of service the eligible employee shall move to the eighth step in the range.

**12.7 Promotional Increases.** An employee who is promoted shall be placed on the lowest step in the new range which results in an increase equivalent to a one step increase; approximately five percent (5%).

### **12.8 Other Pay Actions.**

12.8.1 **Transfers:** An employee who transfers to a new position within the same classification or to a lateral classification shall retain the same salary and step increase eligibility date.

12.8.2 **Demotions:** An employee who voluntarily demotes shall be placed at the step in the lower classification which most nearly approximates but does not exceed the rate which the employee received in the classification from which he or she is demoting. Such employee shall retain the step increase eligibility date he or she had in the higher classification. An employee who is involuntarily demoted shall be placed at the highest

step within the range assigned to the lower classification which results in a decrease and such action shall result in a new eligibility date.

### 12.8.3 **Reclassification:**

12.8.3.1 **Upward Reclassification.** For the purposes of this section, upward reclassification describes those circumstances where an employee is found to be performing the duties of a higher classification and is distinct from realignments as addressed below. When an employee remains in a position which is reclassified upward, the employee's salary will be adjusted according to the promotional formula in Section 12.7 above. In addition, such employee shall not be required to serve a new probationary period.

12.8.3.2 **Downward Reclassification.** When an employee's classification is adjusted downward the employee will be placed at the highest step in the new range which does not exceed the former salary. If the former salary exceeds the top step in the new range, his/her wage rate shall be red-circled (frozen) until such time as negotiated adjustments advance the top step of the range assigned to the lower classification to the point where it equals or exceeds the employee's red-circled rate. The employee shall then be placed at the top step of the range.

12.8.4 **Realignment.** Realignment is the upward adjustment of the salary range of an entire classification based on internal or external compensation relationships. In the event of an upward realignment and except as noted below, employees will be placed at the step in the new range which equals or exceeds their former salary and will retain their current salary anniversary date. For example, in an upward realignment of five percent (5%), an employee at step 4 of the former range will be placed at step 3 of the new range. Employees who have been at the top step of the range for more than one year will be placed at the first step in the new range which provides for the equivalent of a one step increase and shall be eligible for additional step increases (if available) after twelve (12) months at the new step. Employees who have been at the top step of the range for less than one year will be eligible for a step increase on their next anniversary date.

12.8.5 **Layoff.** Employees who demote or bump downward in lieu of layoff shall be placed at the highest step in the new range that is equal to or below their former salary. If the former salary exceeds the maximum of the new range, the employee shall be placed at the top step of the new range.

12.8.6 **Recall and Reinstatement.** When an employee is recalled from a layoff list (within 24 months), or reinstated (within twelve (12) months) to his/her former classification, he/she shall be placed in the same step that he/she occupied at the time of separation. The eligibility date for the next increase shall reflect time served toward the next step increase prior to separation, e.g., an employee who terminated or was laid off and had three (3) months to go before the next increase shall have an eligibility date that is three (3) months after recall or reinstatement.

**12.9 Salary Anniversary Dates (SAD).** Each employee's anniversary date for step increase purposes shall be established based on the date on which the current step was attained, and the

next date shall be based on the required number of months at that step. Anniversary dates shall be adjusted by the full amount of any unpaid leave of absence of fifteen (15) calendar days or longer except as otherwise required by law or this Agreement.

12.9.1 For employees below the top step in the range, time served toward a step increase shall be credited by retaining the current salary anniversary date except in the following situations:

- a. Promotions resulting in a 10% or more pay increase;
- b. Demotions or downward reclassifications to a step below the top step of the range of the lower classification;
- c. Re-employment.

12.9.2 In each of the foregoing situations the employee shall receive a new salary anniversary date as of the date of the action and be eligible for a step increase after twelve months provided he/she is below the top step of the range.

12.9.3 Employees who are promoted or reclassified upward and who have been at the top step of their former classification will receive a new anniversary date in all cases where they are placed at a step lower than the top step in a new range.

12.9.4 The following table indicates the effect of these provisions:

Action	Pay Increase	Employees Below Top Step before increase	Employees at Top Step before increase
Promotions and reclasses	less than 10%	retain SAD	New SAD if below top step in new range
Realignments	lateral except for top step employees	retain SAD	If at top step more than 12 mos, 5% increase, new SAD. If less than 12 mos, no increase, retain SAD.
Promotions and reclasses	10% or more	new SAD	New SAD if below top step in new range

**12.10 Work Out of Classification.** An employee shall be eligible for work-out-of-classification (WOOC) pay when qualified and assigned to perform substantially all the duties of a position in a higher classification for one full duty shift or more – eight (8), nine (9) or ten (10) hours – as applicable. Such assignments must be approved by the Division/Department head or his/her designee. WOOC assignments may be made only to a vacant position (or one which is temporarily vacant by virtue of the absence of the incumbent due to leave or training) or for special assignment.

12.10.1 When assigned to a position within the Union, the employee shall receive a five percent (5%) increase for the duration of the assignment.

12.10.2 WOOC assignments to management or unrepresented positions shall be governed in all respects by County policies.

**12.11 Meal Allowances.** Employees shall be eligible for a meal allowance of \$7.00 after each four (4) consecutive hours of overtime worked contiguously with the regular shift or after eight (8) hours of overtime on a day off.

**12.12 Mileage Reimbursement.** Employees shall be entitled to mileage reimbursement for business miles authorized and driven in a personal vehicle at the IRS optional standard mileage rate allowance. The Finance Director shall periodically publish the reimbursement rate. The County's Business Expense Reimbursement Policy follows the IRS guidelines for mileage reimbursement.

**12.13 Payroll.** Employees shall be paid on the 10th and 25th of each month, reflecting actual hours worked and leave taken/earned for the preceding half month work period (1st to 15th and 16th to end of month). If a payday falls on a Saturday, Sunday or holiday, paychecks shall be issued on the previous work day.

**12.14 Overpayments and Underpayments.**

12.14.1 The County shall correct the pay rate or amount of any form of compensation or benefit found to have been overpaid or underpaid. Underpayments by the County shall be paid to the employee in a single payment as soon as practicable.

12.14.2 Employees are legally required to return overpayments to the County. The repayments must be made by payroll deduction in order to correct and adjust the necessary tax payments and adjustments.

12.14.3 The following steps will be undertaken:

12.14.3.1 The County and employee will agree on a repayment schedule so as to not cause an undue burden on the employee. In most cases the repayment will occur over the same or fewer pay periods that the overpayment occurred. For example, an employee repaying the County for overpayment that occurred over six pay periods would be entitled to repay the funds over six pay periods. Employees are required to consent to the payroll deductions necessary to effect such repayments.

12.14.3.2 If agreement on a repayment schedule can not be reached, the County may initiate a deduction not to exceed five (5) percent of the employee's disposable earnings in a pay period other than the final pay period. The deductions shall continue until the overpayment is fully recouped.

12.14.4 Any outstanding overpayment that exists at the time of termination will be withheld from the final paycheck.

12.14.5 An employee may request a union representative attend any meeting scheduled to discuss the overpayment and repayment options.

12.14.6 Employees who receive excess compensation are expected to report the error to the County. Employees who knew or should have known of an overpayment and fail to report the matter are subject to appropriate corrective action.

## ARTICLE 13. VACATION

**13.1 Accrual Basis.** Employees shall accrue vacation based on paid hours. For example, an employee earning twelve (12) days (ninety-six [96] hours) per year shall accrue .0461538 hours (96/2080) for each straight time hour of work or paid leave. No accrual shall occur during unpaid leave and vacation accrual will be pro-rated based on the number of hours in paid status. Regular part-time employees shall accrue vacation on a pro rata basis. New employees shall accrue vacation beginning with the first day of employment but shall not be eligible to sell back or receive termination payoff until completion of six months of service. New employees are generally not authorized use of vacation in the first six months of employment but exceptions may be authorized by the department head.

**13.2 Accrual Rates.** Effective January 1, 2003, Regular Full-time employees shall accrue vacation according to the following schedule.

Completed Years of Service	Hours per Pay Period	Hours per Year	Days per Year	Max
Start	3.33	80	10	N/A
1	4.33	104	13	208
5	5.33	128	16	256
10	6.33	152	19	304
15	7.33	176	22	352
20	8.33	200	25	400
25	9.33	224	28	448
30	10.33	248	31	496

**13.3 Maximum Accumulations.** Employees may accumulate vacation up to a maximum of two (2) times their annual accrual rate, e.g., an employee earning 21 days/168 hours may not accumulate more than 42 days/336 hours. When an employee has reached the maximum allowable accrual, future accruals will cease until such time as the balance allows for additional earnings. Employees are responsible for monitoring their accruals and scheduling time off as necessary to preserve the ability to accrue vacation.

**13.4 Vacation Scheduling.** Vacation times shall be scheduled by the work unit based primarily on the needs of efficient operations. For purposes of scheduling, the term “vacation year” shall be defined as the period from February 1 through January 31.

13.4.1 Black out dates for vacation scheduling will be permitted for unusual departmental situations. In such circumstances the department will first meet with the Union through labor management and the Union will have input on the proposed black out schedule.

13.4.1.1 Employees shall indicate their preference for vacation times on such schedule no later than November 30<sup>th</sup> of each vacation year.

13.4.1.2 Supervisor approval of requested vacation times from said schedule shall be on the basis of bargaining unit seniority; provided that each employee will be permitted to exercise seniority rights only once each vacation year for this purpose.

13.4.1.3 Bargaining unit seniority can only be exercised for the same major holiday once in two years. Major holidays are those encompassing the weeks of Thanksgiving, Christmas, New Year and July 4<sup>th</sup>.

13.4.1.4 Supervisors must approve vacations requested during this process by December 20<sup>th</sup>. Vacation requests received from December 1st through December 20<sup>th</sup> for the next vacation year will be considered as being received on December 20<sup>th</sup> and will be responded to within two weeks.

13.4.1.5 Bargaining unit seniority shall not be determinative of conflicts in vacation times requested after November 30<sup>th</sup>.

13.4.2 Notwithstanding Section 13.4.1.4 above, all written requests shall be responded to within two weeks of receiving the request.

13.4.3 The manager may require up to three weeks' advance request for split vacations (one day but less than one week).

13.4.4 Supervisors may not refuse any vacation requests except for the following reasons:

- a. An epidemic
- b. Natural disaster
- c. Emergency
- d. Number of requests already submitted and approved
- e. Time requested is blacked out and unit needs cannot be met
- f. Ability to cover staffing if the request is submitted less than four weeks in advance
- g. Insufficient vacation hours have been earned by the employee
- h. Established peak client activity times
- i. Request is inconsistent with provisions of this Agreement
- j. Request is before the November 1<sup>st</sup> posting for the next or any subsequent vacation year

13.4.5 Approved vacations may not be rescinded by management for any reason other than a staff emergency that would prohibit our ability to provide essential services or public health emergency (such as a pandemic flu outbreak). The employee may rescind an approved vacation of one or more weeks if they become ill and their illness prevents the employee from taking the planned vacation.

**13.5 Termination Payoff.** Upon termination of County employment with more than six (6) months of service an employee shall be paid for all accrued and unused vacation and

compensatory time at his or her final base hourly rate of pay. The termination payoff shall be based on the base (excluding shift differential or other forms of premium pay) hourly rate of pay as of the last day of work. Employees may not elect to extend employment beyond the last day of work by using accumulated leave.

**13.6 Vacation Leave Donation Plan.** Employees may donate vacation to the sick leave account of another employee for the employee or for a covered family member suffering from an extended serious illness or injury as provided for by County policy. Leave amounts shall be calculated based on the donor's hourly rate and credited to the receiving employee based on his/her hourly rate. The County shall, in its sole discretion, determine the eligibility of the employee or covered family member to receive donations and the means for apportionment of donated leave. Such determination shall be based on the severity of the illness or injury, length of service and the employee's performance and attendance record.

**13.7 Vacation Sell-Back.** Employees may elect pay in lieu of vacation up to a maximum of sixty (60) hours per year. Vacation sell-back is subject to the following requirements and procedures:

13.7.1 The opportunity to cash out vacation shall be offered twice per year in the months of June and December. Requests must be submitted by May 15 and November 15 on forms designated by the payroll office.

13.7.2 To be eligible to cash out vacation, an employee must have used a total of eighty (80) hours vacation and floating holiday hours in the prior calendar year. The total of vacation sold may not exceed the maximum hours limitation but may be apportioned according to the employee's choice between the June and December sales periods.

13.7.3 The vacation sell-back option is subject to availability of adequate funds. Vacation sales may be restricted or suspended by the County. In the event vacation sales requests exceed available funds, the Human Resources Department shall develop procedures to equitably apportion vacation sales among employees with pending requests.

13.7.4 Vacation sell-back and donations shall be computed at the base hourly rate.

13.7.5 Vacation sell-back amounts and eligibility will be pro-rated based on FTE.

## ARTICLE 14. HOLIDAYS

**14.1 Observed Holidays.** The following days are recognized as legal paid holidays for which time off is to be granted:

New Year's Day – January 1  
Martin Luther King's Birthday – Third Monday in January  
Presidents' Day – Third Monday in February  
Memorial Day – Last Monday in May  
Independence Day – July 4  
Labor Day – First Monday in September  
Veterans' Day – November 11  
Thanksgiving Day – Fourth Thursday in November  
The day immediately following Thanksgiving Day  
Christmas Day – December 25

14.1.1 Any of the above holidays which fall on a Saturday shall be observed on the previous Friday. Any of the above holidays which fall on a Sunday shall be observed on the following Monday.

14.1.2 Employees shall receive the same number of holidays regardless of work schedule. If the date of observance of a holiday falls on an employee's day off, the employee shall receive an alternative day off or be paid for the holiday. To be eligible for pay for a holiday, the employee must be in paid status on the scheduled work days immediately before and after the holiday. Employees will not receive pay for holidays occurring during an unpaid leave of absence or after the last day of work in the case of termination. The first day of work for a new employee may not be the day of a holiday.

14.1.3 Holidays occurring during a period of leave with pay (vacation, sick leave, or other paid leave) shall be charged as a paid holiday leave and shall not be charged against paid leave.

**14.2 Floating Holidays.** Employees shall receive three (3) floating holidays per year. Floating holidays shall be credited on January 1 of each year.

14.2.1 Floating holidays must be used by the end of the year and may not be carried forward into the next calendar year.

14.2.2 Requests for use of floating holidays may be in increments of one-half (½) hour. Requests should comply with procedures outlined for the use of vacation except that departments may authorize shorter advance request requirements or less formal application procedures.

14.2.3 New employees shall receive a pro rata share of floating holiday hours at the rate of one twelfth of the annual entitlement for each full month of service during the year. Employees who terminate during the year shall be entitled to cash out unused floating holiday hours based on the foregoing formula.

14.2.4 During the calendar years 2011 and 2012 only, pursuant to the above provisions, employees shall receive four (4) floating holidays per year.

**14.3 Part Time and Variable Schedule Employees.** Part time employees shall be credited with observed and floating holidays on a pro rata basis based upon the ratio of their assigned schedule to full-time employment.

14.3.1 Employees working a full time but irregular schedule such as a 4-10 or other alternative work schedule arrangement shall receive eight (8) hours of holiday leave for each observed or floating holiday. Full pay for the period may be obtained by charging additional leave, e.g. a 4-10 employee can use eight (8) hours of regular holiday time and two (2) hours of floating holiday time to receive full pay for a holiday falling on the day of a ten (10) hour shift or may take it as unpaid leave. To the extent that it is compatible with the business needs of the county, and with the approval of department management, full pay for the period may be obtained by permitting employees to flex their schedules to “make up” the hours to a maximum of forty (40) hours per work week (overtime will not result from hours worked to earn the “make-up” holiday hours). Employees must notify their supervisor at least two (2) weeks in advance of their desire to flex their schedule during a work week in which a holiday fall.

**14.4 Holiday Work Premium.** Regular full-time and regular part-time employees who are required to work on a holiday shall be compensated in pay or compensatory time off at the rate of time and one half for all hours worked. Individual employees who work on both the legal holiday and the day of its observance will receive the holiday work premium on either day but not both. As with overtime, the choice of compensatory time off requires approval of the employee and the Health Department.

**14.5 Commissioners Holiday.** The special Commissioners Holiday may be granted or not granted at the sole discretion of the Board of County Commissioners and the hours, rules and procedures governing its use are not subject to any duty to bargain or the grievance procedure of this Agreement.

## ARTICLE 15. SICK LEAVE

**15.1 Purpose.** Sick leave is provided to continue pay during illness or injury incapacitating the employee to perform his/her work, contagious disease whereby his/her attendance at work would create a direct threat to the health of fellow employees or the public, or as otherwise provided by law or this Article. The County and the Union agree that sick leave use is subject to certain conditions and restrictions as defined herein.

15.1.1 Use of sick leave is contingent upon following required reporting procedures and compliance with the purposes of sick leave. Employees who fail to call in according to procedures or fail to provide medical verification, if properly requested, may be charged unpaid time for the absence.

15.1.2 With prior approval, earned vacation leave or accrued compensatory time may be used when accrued sick leave is not available for an absence necessitated by illness or injury.

**15.2 Sick Leave Accruals.** Full time employees covered by this Agreement shall accrue sick leave at the rate of four hours per pay period or ninety-six (96) hours per year. Sick leave may be accumulated up to a maximum of 1200 hours. Accruals and maximum accumulation shall be prorated for regular part-time employees.

15.2.1 Employees shall accrue sick leave based on paid hours. For example, an employee earning twelve (12) days per year shall accrue .0461538 hours (96/2080) for each straight time hour of work or paid leave.

15.2.2 No accrual shall occur during unpaid leave and sick leave accrual will be prorated based on the number of hours in paid status up to a maximum of the employee's full or part time schedule.

**15.3 Workers' Compensation Integration.** An employee may charge his/her sick leave account, or other accrued paid leave if his/her sick leave balance is exhausted, for the difference between any compensation received from the Workers' Compensation Insurance and the employees' normal pay for injuries or illnesses covered by Workers' Compensation. The calculation shall be based on the difference between the employee's pay period compensation (rate times pay period hours) minus the benefits from Workers' Compensation. Employees may use accrued sick leave or other accrued leave for the first three day waiting period for Time Loss benefits.

**15.4 Family Illness Usage.** Except as provided in 10.3.2 employees may use sick leave in the event of an illness or injury in the employee's immediate family requiring the attendance of the employee. For the purposes of this section, immediate family is defined as spouse, domestic partner subject to state law and County Policy, dependent children incapable of self care of the employee or their domestic partner provided the child resides in the home of the employee and the domestic partner, parents or the step/in-law equivalents and grandparents. Sick and/or unpaid leave may be allowed to care for such other relatives and in such circumstances as required by state and federal leave laws and administrative regulations.

**15.5 Medical and Dental Appointments.** Except as provided in 10.3.2 sick leave will be allowed for doctor and dentist appointments for the employee or members of the employee's immediate family requiring the attendance of the employee. If the employee has used all sick leave, other accrued paid leave will be allowed. Employees shall make a reasonable effort to schedule these appointments to occur during off-duty hours or during the work day such as it causes the least disruption to the department.

**15.6 Reporting and Approval Procedure.** Employees unable to report for duty shall notify the County's designated representative in accordance with procedures and timelines established at the department level. Employees who know in advance that they will be utilizing sick leave for a particular purpose (e.g., surgery, hospitalization, dental or medical appointments, etc.) shall give notice of the dates of such leave as far in advance of the leave as is practicable. Employees who fail to notify the department of an absence are subject to disciplinary action for absence without leave.

**15.7 Medical Verification.** The County may require a physician's certification of the nature and duration of an employee's disability from work, of an employee's ability to return to work, and/or of an employee's ability to continue the full performance of his or her duties.

**15.8 Attendance.** The parties agree that employee attendance is an important element of overall job performance, contribution to the organization and service to the community.

15.8.1 The parties also agree that the effective management of employee attendance should incorporate the following overall principles:

- Sick leave is granted as a form of insurance against pay loss due to illness or injury and is not a “vested” benefit such as vacation.
- Standards and techniques for assessing attendance should be consistent throughout the department.
- Management is responsible for taking appropriate, corrective action when attendance falls below expectations (including progressive discipline as outlined in Section 20.2).
- Employees are responsible for addressing the circumstances which give rise to absences.
- A fair measure of attendance and absenteeism must take into account both the total hours of absence and the number of individual, unscheduled absences due to illness or injury.
- Time off taken under the auspices of federal and state disability and family leave laws will not be considered as part of an assessment of employee attendance or a corrective action plan.

15.8.2 For the purposes of this section, “attendance” refers only to absences due to illness or injury and not to scheduled absences such as vacation, comptime, floating holidays, bereavement, military leave, industrial injury leave, jury duty, and scheduled sick leave. Scheduled absences are those that have prior supervisory approval.

15.8.3 Toward the goals above, the County may continue to utilize the “8/8” attendance program as a means to communicate the importance of attendance and respond to employees with absence rates in excess of the 8/8 standard. That standard is defined as a record of more than sixty-four (64) hours total absence (excluding FMLA and other leave as identified above) which included more than eight (8) unscheduled absences over a twelve (12) month period. Employees below either measurement are considered to have an acceptable record.

**15.9 Sick Leave Payoff.** Employees who separate from county service via resignation or layoff with at least ten (10) years of service will be paid for accrued but unused sick leave at their base rate of pay according to the following formula:

Portion/Tier of Accumulated hours	Percent Payable	Maximum Payout
900 to 1,200	75% of hours over 899	225
600 to 899	50% of hours over 599	150
300 to 599	25% of hours over 299	75
Total		450

For example, an employee earning \$14.00 per hour with a balance of 1200 hours would be paid for 75% of the top bank of 300 hours ( $1200-900 \times 75\% = 225$  hours), 50% of the next bank of 300 hours ( $900-600 \times 50\% = 150$  hours) and twenty-five (25%) of the next bank ( $600-300 \times 25\% = 75$  hours) for a total of 450 hours or \$6,300. Employees with balances below 300 hours are not eligible for payoff.

**15.10** Employees who have no sick leave usage (or absences due to illness/injury which are charged to other paid leave accounts) for any full calendar year of service shall be entitled to a day off with pay. Eligibility shall be determined and reported to departments by March 1 of each year and time off must be used by May 31. This program is only available to full time employees who were on the payroll and in paid status for the full calendar year – January 1<sup>st</sup> through December 21<sup>st</sup> (2080 hours).

## ARTICLE 16. OTHER LEAVES

**16.1 Bereavement and Funeral Leave.** A full-time employee shall be granted up to three (3) consecutive workdays of paid bereavement leave at the time of a death in the employee's immediate family. Such employee shall be granted up to an additional two (2) days of paid bereavement leave when air travel or one-way land travel of four (4) hours or longer is necessary. To be eligible for the additional one or two days paid leave, pre-authorization from the Department Director or designate is required. Bereavement leave may be used for qualifying family members in the case of imminent death but the total bereavement leave portion shall not exceed the three or five workday's limitation. For the purposes of this Section, eligible family members are:

- a) The spouse, children, parents, brother, sister (or the step and in-law equivalents).
- b) The employee's domestic partner and children, parents, brother, sister (or the step and in-law equivalents) of the domestic partner (an Affidavit of Domestic Partnership must be on file in the HR-Benefits Department).
- c) The employee's grandparents, grandchildren, aunts and uncles.
- d) Other relatives living in the employee's household.
- e) Any person under the guardianship of the employee.

16.1.1 Bereavement leave in excess of the duration's identified above or for other relatives may be granted with the approval of the supervisor and charged to an employee's vacation, floating holiday, or compensatory time account.

16.1.2 Time off with pay will be allowed for attending the funeral of a County employee.

**16.2 Military Leave.** The County shall abide by the provisions of federal and state laws to provide military leave and reinstatement rights for employees. The provisions of the laws are defined under the Uniformed Services Employment and Reemployment Rights Act (USERRA), and Washington State Law RCW 38.40.060. Employee benefits will only continue for those months in which the employee is in a paid status the first working day of the month.

### **16.3 Civic Duty and Examination Leave.**

16.3.1 Leave with pay shall be granted as necessary to allow employees to serve as a member of a jury. Any compensation received by the employee for such duties, excluding mileage allowance and meal allowance, shall be waived, remitted to the County, or, in the alternative, the County shall pay the difference between the employee's regular salary and the fees received. When an employee is excused or dismissed from jury duty, he/she shall promptly notify the County. Employees may be required to report to work for any portion of their regularly scheduled shift during which they are not actually serving on a jury or waiting to be assigned to a panel of jurors.

16.3.2 Service as a witness in matters arising from the course and scope of employment shall be considered on-duty time. Service as a witness or party to non job related matters shall be charged against the employee's vacation, floating holiday or comptime balance or may be taken as unpaid leave at the option of the employee.

16.3.3 Upon prior notice to his/her supervisor, an employee shall be allowed paid work time to take examinations required for other positions within the County. Testing undertaken on a day off shall not be considered working hours for overtime calculation purposes.

16.3.4 Employees unable to vote while off duty may use paid vacation, comptime or floating holiday time to vote.

**16.4 Serious Health Conditions, FMLA and Family Care Leave.** The County shall authorize leaves of absence to employees for qualifying circumstances, as specified in the Federal Family and Medical Leave Act (FMLA), the Washington Family Leave Law, the Family Care Act, this Agreement, and other relevant statutes.

**16.4.1 Reporting Requirements.** Employees unable to report for duty shall notify the employer's designated representative in accordance with procedures and timelines established at the department level. The employees requesting leave for a qualifying circumstance under this Article must state why they are off work, the expected duration of the time off of work, and if the leave is to care for a family member the employee must identify which family member. In situations where an emergency arises the employee must notify the designated representative as soon as reasonably possible under the circumstances. For Family Care Leave the employee should provide as much advance notice of the need as possible. For FMLA leave, where possible, an employee should give 30 calendar days advance notice of the need for leave; if 30 calendar days advance notice is not possible the employee or the employee's designee shall request leave as soon as the employee knows of the need to be a way from work.

**16.4.2 Family Care Leave.** Regular and part-time employees who have accrued paid leave available and have a dependent covered under the Act with a qualified health condition shall be eligible for Family Care Leave. An eligible employee is entitled to use accrued sick leave or other accrued paid time including Comp Time to care for a legal spouse, parent, parent-in-law, or grandparent of the employee who has a serious health condition or emergency condition, or to care for a child of the employee with a health condition that requires treatment or supervision if the child is either under eighteen years of age or older but incapable of self-care because of mental or physical disability. Family Care Act leave that also qualifies for FMLA and/or the Washington Family Leave Law shall be counted concurrently. The duration of leave under the Family Care Act will continue as long as the employee has accrued paid time available and the family member has a qualified health condition.

**16.4.3 Family Medical Leave.** An FMLA eligible employee may take up to twelve (12) weeks of job protected leave from work because of a serious health condition, a family member's serious health condition, or for parental leave to care for a new born or newly adopted or placed child. Under FMLA, a family member is an employee's parent or person who acted as a parent, legal spouse, or a child who is either under age eighteen (18) or older and incapable of self-care because of a mental or physical disability. Unpaid leave shall be authorized only after the exhaustion of all other available paid leaves including Comp Time. At the time of initial placement, parents of adopted

children may use sick leave to care for the child under the same conditions granted natural parents. A birth mother's period of temporary pregnancy related disability shall not be deducted from the twelve (12) week FMLA leave entitlement. All other paid time including Comp Time used during FMLA leave shall be deducted from the twelve (12) week leave entitlement.

16.4.3.1 With the agreement of the department, employees may work a reduced work schedule for up to two (2) months preceding and/or following the period of parental leave.

16.4.4 The County may require a physician's certification of the nature and duration of an employee's disability from work, of an employee's ability to return to work and/or of an employee's ability to continue the full performance of his or her duties.

**16.5 Workers' Compensation.** All employees are covered by the Washington State Workers' Compensation Act for injuries or illnesses received while at work for the County. An employee may charge his/her sick leave account, or other accrued paid leave if his/her sick leave balance is exhausted, for the difference between any compensation received from the Workers' Compensation Insurance and the employee's normal pay for injuries or illnesses covered by Workers' Compensation Insurance and the employees' normal pay for injuries or illnesses covered by Workers' Compensation. The calculation shall be based on the difference between the employee's pay period compensation (rate times pay period hours) minus the benefits from Workers' Compensation. Employees may use accrued sick leave or other accrued leave for the first three day waiting period for Time Loss benefits.

**16.6 Other Leaves of Absence.** Employees may request leaves of absence of up to twelve (12) months for educational reasons, union business leave, medical/disability leave or compelling personal circumstances. A minimum of two (2) year's service is required prior to requesting educational or personal leaves.

16.6.1 All requests for leaves of absence or extensions shall be submitted in writing to the department head or his/her designee and approved in advance of the effective date. Employees reporting to work at the end of an authorized leave of absence shall be employed in the same class held at the start of such leave of absence.

16.6.2 For unpaid leaves of fifteen (15) calendar days or more, salary anniversary, length of service and bargaining unit seniority shall be adjusted by the full amount of the unpaid leave. Absence without leave and failure to return from leave shall be treated as job abandonment or may be the basis for termination.

16.6.3 Paid leave taken prior to going on unpaid leave shall not be counted toward the twelve (12) month maximum. Unless otherwise authorized by the department head and Human Resources, the employee must exhaust accumulated vacation, floating holidays and comptime before going on unpaid status.

**16.7 Mandatory leave.** The department may place an employee on an appropriate category of leave if it can be reasonably concluded that he/she cannot be permitted to work without risk to the health and safety of the employee, coworkers or the public.

of or rebuttal to adverse materials. Adverse materials shall not be placed in the personnel file without the knowledge of the employee. Written warnings shall be removed after two (2) years if there are no related problems.

## **20.5 Voluntary Termination Procedure.**

**20.5.1 Resignation.** Any employee desiring to terminate employment with the County in good standing shall present a letter of resignation at least two (2) calendar weeks prior to the effective date of termination. The date of resignation shall be the last day of work and leave payoffs shall be based on balances as of the date of termination. The letter of resignation shall indicate the effective date and the reason for the resignation. Employees who quit without adequate notice may be ineligible for future employment with the County. The department head may waive the two (2) week notification period.

**20.5.2 Retirement.** Employees who intend to retire should provide a minimum of thirty (30) days written notice of retirement date.

### **20.5.3 Abandonment of Position.**

**20.5.3.1** An employee shall be considered to have resigned via abandonment of his/her position based on any of the following circumstances:

- a. Absence for three (3) consecutive days without notice or approval.
- b. Failure to return from a leave of absence following the last day of approved leave after three (3) consecutive days without notice or approval.

**20.5.3.2** Employees considered to have abandoned their positions will be terminated and the separation will be treated as a resignation without notice. In the event it was not the employee's intention to resign, absence without leave constitutes an adequate basis for discipline and an employee may be involuntarily terminated for action constituting abandonment of the position unless the failure to notify was clearly beyond the employee's control. The department head will send a confirming notice to employees considered to have abandoned their positions.

**20.5.3.3** In the event a grievance concerning abandonment is pursued to arbitration, the arbitrator's authority shall be limited to determining whether this section was properly applied.

**20.6 Indemnification.** Clark County shall protect, defend, hold harmless and indemnify for any damages, including court ordered attorney's fees, all covered employees and their respective marital communities against any and all claims or causes of action which arise as a result of alleged acts or errors and omission occurring within the scope of their duties and responsibilities or employment with Clark County. The County may elect not to provide indemnification for acts not undertaken in good faith, acts of misconduct or if the employee fails to fully cooperate with the defense of such action. Legal representation services will be provided by the Prosecuting Attorney's Office or outside counsel at the discretion of the County.

## ARTICLE 21. LAYOFF

**21.1** The County may layoff an employee based on the elimination of the employee's position due to lack of work, lack of funds, reorganization, elimination of services/functions or other similar reasons. Additionally, employees may be laid off through displacement by an employee through the bumping procedure outlined in this Agreement. Employees who bump downward or accept vacant positions in a lower class shall be considered laid off from their former classification for the purpose of recall rights under this Article. Forced reduction of hours may also be considered a layoff by the employee provided the hours are reduced to less than .75 FTE. As additional revenue becomes available to the program involved, the affected employee's hours and assignment of office, where applicable, will be restored to the greatest degree possible.

**21.2 Alternatives to Layoff.** The County will make every reasonable effort to avoid layoff of bargaining unit employees. Such efforts will include consideration of the following strategies to prevent or minimize the effects of layoffs:

21.2.1 Termination of non-critical employees and consultants.

21.2.2 Temporary reduced work hours programs including reduced work weeks and furloughs/ shutdowns.

21.2.3 Attrition-based programs such as early retirements, voluntary layoffs and voluntary reduction in FTE status.

21.2.4 Reduction of paid leave balances or accrual rates.

The County will solicit Union input as to available and desirable alternatives prior to any final decisions as to the necessity of the layoff. The County will negotiate with the applicable Union to the extent that any alternative to layoff program impacts mandatory subjects of bargaining such as reduced work hours programs or paid leave reductions.

**21.3 Bilingual Designated Positions.** Positions designated as of January 1, 2007, as requiring bilingual skills at least fifty percent (50%) of the time shall be protected from bumping under the provisions of this Article unless a reduction in the need for bilingual services can be validated. The Committee shall design and formalize processes to determine which positions are bilingual and to certify bilingual employees occupying such designated positions.

**21.4 Seniority for Layoff.** Seniority for selection of employees for layoff and bumping/reassignment shall be based upon bargaining unit seniority, defined as the length of service in positions within the bargaining unit since the last date of hire or appointment to a position in the unit. The following additional considerations shall apply as warranted:

21.4.1 In the event of a tie in bargaining unit seniority, seniority shall be prioritized as follows: classification seniority, and then ties at this point will be broken by lot.

21.4.2 When an entire classification is eliminated and replaced with a new classification (for example Office Assistant II replacing Program Assistant II), seniority in the former classification shall be added to seniority in the new classification.

21.4.3 Seniority in a homogeneous classification series, e.g. Public Health Nurse I/II, shall be computed as all time in any of the classifications.

21.4.4 Bargaining unit seniority shall be based upon continuous active service, including time on Workers' Compensation leave and unpaid leaves of absence of fourteen (14) days or less, since the last date of hire or appointment to the position or as otherwise provided by law.

21.4.5 Bargaining unit seniority rights shall not be exercised until completion of the required new hire probationary period for the classification. Employees on a promotional probationary period may not bump into other positions in the classification in which they are still on probation.

## **21.5 Selection and Notice.**

21.5.1 The appointing authority shall identify by classification the positions to be eliminated. Within classification, employees having the least bargaining unit seniority shall be selected for layoff.

21.5.2 Employees who will be separated from County service shall be provided a minimum of twenty (20) working days notice or pay in lieu of notice (one day's pay for each day of notice below twenty). The Union shall be notified concurrent with notice to employees. A minimum of ten (10) working days notice shall be provided to employees who are reassigned to lower classifications. One (1) week minimum notice is required for employees who are reassigned laterally as a result of layoff. No pay-in-lieu-of-notice is authorized but the reassignments and demotions shall be delayed until the required notice period has been met. The County may issue contingent layoff notices to employees whose positions are not being eliminated but who it determines are subject to being bumped by more senior employees.

## **21.6 Reassignment and Bumping.**

21.6.1 Employees facing layoff shall be offered reassignment in the order below. No step may be utilized unless there are no available positions in the preceding steps except that the steps may be rearranged as necessary to provide a minimum pay reduction. In all cases the employee must be qualified to perform the duties of the position following a reasonable period of orientation and training; project positions may have more restrictive training requirements. In the event there is more than one qualified candidate for a position, such position shall be offered on the basis of bargaining unit seniority. In bumping situation, the employee may bump only into the position occupied by the least senior employee, not any less senior employee. The order of consideration shall be:

- a. Vacant bargaining unit positions in the classification from which the employee is being laid off.
- b. Vacant bargaining unit positions in former classifications in which the employee has served and completed the probationary period.
- c. Occupied bargaining unit positions held by less senior employees in former classifications in which the employee has served, completed the probationary period and possesses current requisite certifications and licenses that are required to perform the job.

d. Bumping across bargaining units is not permitted.

21.6.2 If there are no available positions in steps a-c above the County will make every effort to place laid off employees in other vacant positions for which they are qualified but have no prior service.

**21.7 Recall.** Employees who are laid off or reassigned in lieu of layoff shall be placed on a recall list in order of bargaining unit seniority for the classification from which they were laid off and any former classifications. In order to be considered for recall, the employee must have served and completed the probationary period and possess current certifications and licenses required to perform the job. The recall period shall be two (2) years for the classifications from which they were laid off and one (1) year for formerly held classifications in the bargaining unit. Bargaining unit seniority for recall shall be computed the same as seniority for layoff and bumping.

21.7.1 Laid-off employees will be offered employment in any available vacancy in a classification for which they have recall rights provided they are fully qualified for the position. In the event there are multiple employees eligible for recall within a classification and multiple positions available, Human Resources shall coordinate a placement process whereby eligible employees are placed in the most suitable positions based on interest, qualifications, and department's needs, provided however that this procedure may not be used to recall a more junior employee in place of a more senior one. The intent of this language is to facilitate voluntary placements within the list of available vacancies and employees who are being recalled. As an alternative to recall, available positions may be filled by promotion, transfer or demotion of current employees with mutual agreement of the department, Human Resources and the applicable Union.

21.7.2 Laid-off employees are eligible for consideration for other positions in the County through the competitive recruitment and selection procedures and shall be allowed to compete as internal candidates for the duration of their recall rights period. Laid-off employees are responsible for making themselves aware of available positions other than those for which they are entitled to recall consideration.

**21.8 Recall Procedure.** Notice of recall shall be sent to the employee by certified mail at the last address reflected in the employee's official personnel file and the employee must respond within fifteen (15) calendar days of the date of the notice. The County may send out multiple recall notices and recall the most senior employee who responds within the allotted time period. An employee shall be allowed to waive one offer but shall otherwise be removed from the recall list for a classification based upon rejection or failure to respond. The employee shall be responsible for notifying the Human Resources Department of any change in address or telephone number.

**21.9 Rights Upon Recall.** Employees who are recalled shall be reinstated with all rights formerly attained including accrued sick leave, less any which may have been paid out upon layoff. The bargaining unit seniority date shall be adjusted to reflect the time on layoff but the employee shall otherwise retain all seniority credit held at the time of layoff. Employees recalled to their former classification shall be appointed to the step and range formerly held and

credit toward the next salary anniversary date shall be continued, not including the time on layoff.

**21.10 Benefits Continuation.** The County shall continue the County's contribution toward the cost of medical and dental insurance through the end of the first calendar month following layoff.

## ARTICLE 22. GRIEVANCE PROCEDURE

### 22.1 Purpose and Scope.

22.1.1 The purpose of this Grievance Procedure is to establish effective machinery for the fair, expeditious and orderly adjustment of grievances. Only matters involving the interpretation, application, enforcement or alleged violation of an express provision of this Agreement shall constitute a grievance.

22.1.2 The parties agree that every effort should be made to resolve grievances informally with the first level supervisor or others, as appropriate, and to settle grievances at the lowest possible level. The grievant and/or the Union and the appropriate County representative shall meet, if necessary, to attempt to resolve the grievance at any step.

22.1.3 A grievance may move to any level in the grievance procedure by written mutual agreement of the parties.

**22.2 Filing and Processing Requirements.** A grievance may be brought under this procedure by one or more aggrieved employees, with or without a Union representative, or by the Union as a class grievance (hereafter described as "the grievant"). No grievance shall be processed beyond Step 3 without Union concurrence and representation.

22.2.1 Disciplinary grievances shall be initially submitted at Step 2. Grievances concerning written warnings may not be processed beyond Step 2.

22.2.2 Class or class action grievances of bargaining unit wide application shall be initially submitted at Step 3. Class grievances are those which would potentially have application across departmental lines and/or apply to a large number of employees covered by this Agreement, for example, interpretation of overtime work periods.

22.2.3 A written grievance shall be signed and dated and indicate the step at which is being filed. Grievances not meeting the requirements of this section shall not be considered officially filed or may not be moved to the next step until the missing information is provided, as applicable. Written grievances and responses shall address, at a minimum, the following points:

- a. The statement of the grievance/response and the facts upon which it is based;
- b. A statement of the specific provision(s) of the agreement that is (are) the basis of the grievance/response;
- c. The manner in which the provision is purported to have been violated, misapplied or misinterpreted (or in which the provision supports the response);
- d. The date or dates on which the alleged violation, misinterpretation or misapplication occurred; and
- e. The specific remedy sought or offered.

## **22.3 Timelines.**

22.3.1 When computing deadlines under this Article, the day which triggers the deadline (contract violation, receipt of grievance, etc.) shall not be included. "Working days" means Monday through Friday, excluding holidays. Filing and response time limits shall be met by mailing, delivery or facsimile transmission. Receipt shall be considered to be the date of actual receipt. The time limits prescribed herein may be waived or extended by mutual agreement, in writing, by the aggrieved employee, or the Union in a class grievance, and the appropriate County representative at each step.

22.3.2 A grievance not brought within the time limit prescribed for every step shall be considered settled on the basis of the last decision received by the grievant or the Union. A grievance or complaint not responded to by the County representative may be moved to the next step in the procedure.

## **22.4 Steps.**

22.4.1 **Step 1.** If unable to resolve the grievance informally with the immediate supervisor, the grievant shall present the grievance in writing to his/her immediate manager (defined as the first level of management not included in the bargaining unit or as otherwise designated by the department head). The grievance must be filed within ten (10) working days of the occurrence of the grievance or the date the grievant knew or should have known of its occurrence or the date of conclusion of informal resolution attempts. Copies of the grievance shall be filed with the department head and Human Resources. The immediate manager must respond in writing within ten (10) working days.

22.4.2 **Step 2.** If the grievance is not resolved at Step 1, the aggrieved employee or the Union shall submit the written grievance to the department head within ten (10) working days, following the manager's response. The department head shall respond in writing to this grievance within ten (10) working days.

22.4.3 **Step 3.** If the grievance is not resolved at Step 2, the employee or Union shall submit the written grievance to the Human Resources Director as the Board's designee for Labor Relations within ten (10) working days of receipt of the department head's response. The Human Resources Director shall respond in writing to this grievance within ten (10) working days.

22.4.4 **Step 4.** If the grievance has not been resolved, the Union may refer the dispute to final and binding arbitration. The Union shall notify the County in writing, of submission to arbitration within ten (10) working days after receipt of the County's written response in Step 3 above.

22.4.5 The above steps shall include meetings between the parties at the request of either party to facilitate resolution of the grievance.

**22.5** When submitting a grievance to arbitration, the Union shall request a list of seven (7) qualified neutrals from Oregon or Washington (or as many as are available) from the Federal

Mediation and Conciliation Service (FMCS). Each party shall have the right to reject one panel in its entirety and request that a new panel be submitted. Within ten (10) working days after receipt of the list, the parties shall alternately strike the names on the list, and the remaining name shall be the arbitrator. The first strike shall be made by the Union. As an alternative to requesting lists and striking names, the Union and the County may agree to use the services of a particular arbitrator.

**22.6** The arbitrator shall have the power to issue and enforce subpoenas in accordance with RCW 7.04. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement in arriving at a decision of the issue or issues presented, and shall confine his/her decision solely to the interpretation, application, or enforcement of this Agreement. The arbitrator shall confine him/herself to the issues submitted for arbitration, and shall have no authority to determine any other issues not so submitted to him/her. The decision of the arbitrator shall be submitted within thirty (30) days and shall be final and binding upon the employees, Union and County. The arbitrator's decision shall be in writing and within the scope and terms of this Agreement.

**22.7** Each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim transcript of the proceedings, it shall pay the costs of the court reporter and of the arbitrator's copy of the transcript. Should both parties desire a copy of the transcript, they shall share the costs of the court reporter and of the arbitrator's copy of the transcript. The losing party shall bear the fees and expenses of the arbitrator.

**22.8** It is agreed that the grievance procedure is intended to be the exclusive remedy for resolving contractual disputes that may arise out of the interpretation or application of this collective bargaining Agreement and that taking an issue to arbitration shall constitute a waiver of the right of the Union to litigate the subject matter in any other forum.

**22.9 Mediation.** As an alternative or supplement to the grievance procedure, or for such other purposes as the parties may mutually determine, the parties may invoke a mediation process to resolve grievances or other issues between them as provided herein. As contemplated by this section, mediation involves the use of a third party, to serve as a mediator, using contemporary mediation techniques. A decision to utilize a mediator shall be voluntary by both parties and subject to the following understandings:

22.9.1 The mediator shall be a mutually acceptable PERC staff representative, or in the alternative, the parties may share equally the cost of employing a fee-based professional mediator. The parties may choose to strike names from a list, employ a standing panel or select on a case-by-case basis.

22.9.2 If the parties agree to enter into mediation, the mediator shall first attempt to assist the parties in achieving a voluntary resolution. The mediator will not have the authority to force either party to accept a particular resolution. If the parties are unable to reach **resolution**, the mediator, **if the parties mutually agree**, may be requested to offer a bench option.

22.9.3 Settlement discussions by the parties during mediation may not be introduced during any subsequent arbitration or PERC proceedings, nor may the comments by the mediator be referenced.

Any unlawful manufacture, distribution, dispensation, possession, use or working under the influence of an illegal drug or controlled substance in or on any County facility, vehicle or while on County business is strictly prohibited. Consumption of alcohol is prohibited for employees while on duty (including any breaks, lunches, etc.) or while in a designated "on-call" status or two (2) hours following an accident or incident (unless a breath alcohol test has already been performed).

Clark County has established a drug awareness program which includes, but is not limited to, the following confidential employee services:

2. Employee Assistance Program (EAP) that may assist in counseling employees with substance/alcohol abuse problems
3. Clark County Dept. of Community Services: Alcohol and Drug Services Program

Any employee found to be in violation of the County's Substance Abuse Free Workplace Policy will be subject to a requirement to participate satisfactorily in an abuse assistance or rehabilitation program approved for such purposes by a federal, state, local health, or appropriate agency approved by Clark County, and/or appropriate disciplinary action up to and including termination.

**24.2 Covered Classifications.** All classifications within the union bargaining unit are covered by this Article.

### **24.3 Drug or Alcohol Tests Required.**

**24.3.1 Post Incident.** To be conducted after accidents and/or incidents involving an employee and/or equipment and/or facility. Post incident testing shall take place as soon as practicable, but no later than within two (2) hours following the accident or incident for alcohol and within thirty-two (32) hours of the accident or incident for drugs. An employee subject to such testing is expected to remain readily available to undergo the tests. However, this should not be construed to require the delay of necessary medical attention for injuries or to prohibit an employee from leaving the scene of an accident or incident if necessary to obtain assistance to respond to the accident or incident or to obtain emergency medical care. In all circumstances the testing will be conducted at the job site, collector's office or medical facility (transportation, if necessary, will be provided). An employee waiting to be tested will remain in paid status from the time of the accident/incident until testing is completed.

Employees who test negative will be transported back to the duty station and remain on paid status for the completion of the shift or if normal work hours are exceeded, until leaving the normal place of work. Employees whose tests are not immediately available will be transported from the test site to their residence via a local cab company at the County's expense. Employees, who leave the scene of an accident or incident inappropriately, will be considered to have refused to test and will be subject to corrective disciplinary action up to and including termination.

**24.3.2 Reasonable Suspicion.** Conducted when a supervisor observes specific indicators characteristic of prohibited drug or alcohol use is present in the employee's appearance, behavior, speech or body. The supervisor will request a second opinion from another non-represented management employee who has been trained (both must agree) prior to requesting an employee to take a reasonable suspicion drug/alcohol test. At this time, the employee shall be informed of the right to Union representation. This will not be construed as an opportunity for an employee to delay testing. Employees may not operate county motor vehicles or equipment after being notified that a reasonable suspicion test is warranted. Additionally, employees believed to be under the influence or impaired for any reason shall be tested at the job site, collector's office or medical facility (transportation, if necessary, will be provided). Following the testing, the employee will be transported home via a local cab company, at the County's expense, or provided the opportunity to contact a non-duty-employee or non employee for a ride. The employee will be informed that the law enforcement authorities shall be notified of his/her vehicle license number if the employee insists on driving. In no case will a supervisor or other on-duty employee transport the employee.

**24.3.3 Refusal to Test.** Refusing or failing to submit an adequate specimen for drug or alcohol testing or specimen tampering during specimen collection, as defined by the Medical Review Officer (MRO), will be treated as if the employee has tested positive. The employee will be evaluated by a Substance Abuse Professional (SAP) or Chemical Dependency Professional (CDP) and will be subject to discipline up to and including immediate termination.

**24.3.4 Refusal to submit to a test includes:**

- Refusal to take a drug or alcohol test
- Tampering with or attempting to adulterate the specimen or collection procedure
- Not reporting to the collection site in the time allotted, or
- Leaving the scene of an accident or incident without a valid reason before testing.

**24.3.5 Providing False Information.** Any employee providing false information will be treated as if they have tested positive, be evaluated by a SAP or CDP, and will be subject to discipline up to and including immediate termination.

**24.4 Drug/Alcohol Testing Processes.** Drug and alcohol testing shall be conducted in strict accordance with federal regulations to ensure accuracy, reliability, and confidentiality. Testing records and results will be released only to those authorized by the federal drug and alcohol testing rules to receive such information. Clark County will make every appropriate effort to protect the employee's privacy and dignity during the sample collection, testing and notification process.

**24.4.1 Drug Testing.** Specimen collection for drug testing will conform to controlled certified laboratory standards to maintain documented chain of custody and assure sample reliability. Testing for drugs will be conducted at the job site, collector's office or medical facility. The specific procedure used for testing is as follows:

- The collection site personnel will obtain the appropriate urine custody and control forms and inspect the collection room.
- The donor will be asked to present picture identification to the collection site person.
- The donor will check belongings and remove unnecessary outer garments.
- Donor will wash hands, take the collection cup and enter the privacy enclosure to collect at least forty-five (45) milliliters of specimen unobserved.
- The collection site person records the temperature of the specimen.
- The specimen will be split into two bottles.
- Both bottles will be labeled and sealed in front of the donor.
- The custody control form will be completed, transferring custody from the donor to the collection site person.
- The split specimen will be placed in secure storage until shipped for analysis.

The integrity of the testing process is ensured through a variety of methods. The collection site is secured when not in use, access to the site is restricted during specimen collection, water sources are controlled to discourage specimen adulteration, trained site collection personnel carefully follow prescribed procedures, specimens are labeled and sealed in front of the donor, chain of custody forms are used, specimens are left in locked storage, and the laboratories used for analysis must meet strict standards to be certified by the U.S. Department of Health and Human Services.

The initial drug screen shall use the Immunoassay (EMIT) process and the confirmatory test will be by gas chromatography/mass spectrometry. The drug testing results will be reviewed and positive tests interpreted by the MRO. The following tests and positive test levels shall be used:

Initial test analyte	Initial test cutoff concentration	Confirmatory test analyte	Confirmatory test cutoff concentration

<sup>1</sup> Delta-9-tetrahydrocannabinol-9-carboxylic acid (THCA).

<sup>2</sup> Morphine is the target analyte for codeine/morphine testing.

<sup>3</sup> Either a single initial test kit or multiple initial test kits may be used provided the single test kit detects each target analyte independently at the specified cutoff.

<sup>4</sup> Methamphetamine is the target analyte for amphetamine/methamphetamine testing.

<sup>5</sup> To be reported positive for methamphetamine, a specimen must also contain amphetamine at a concentration equal to or greater than 100 ng/mL.

<sup>6</sup> Methylenedioxymethamphetamine (MDMA).

<sup>7</sup> Methylenedioxyamphetamine (MDA).

<sup>8</sup> Methylenedioxyethylamphetamine (MDEA).

**24.4.2 Alcohol Testing.** The alcohol test will be performed using an Evidential Breath Testing (EBT) device that is approved by the National Highway Traffic Safety Administration (NHTSA) and administered by a trained Breath Alcohol Technician (BAT).

The alcohol testing process will consist of the following steps:

- Upon arrival, the employee will be shown to the testing site. The site will afford the employee privacy during the process.
- The employee will provide picture identification to the BAT for inspection.
- The BAT will explain the test process and will, with the employee, complete the Alcohol Testing Form.
- The BAT will open a sealed disposable mouthpiece in view of the employee and attach it to the EBT device for a screening test.
- The employee will blow forcefully into the mouthpiece and be shown the result.
- If the test result is less than .04 (non-DOT and .02 (DOT)) the test will be recorded as negative.

- If the initial test indicates an alcohol concentration of .04 (non-DOT and .02 (DOT)) or greater, a second confirmatory test will be conducted at least 15 minutes, but not more than 30 minutes, after the initial test.
- Before the confirmatory test is conducted, the BAT shall conduct an airblank test which must read 0.00 to proceed.
- The confirmatory test will be conducted using the same screening procedures as the screening test with the exception of the post-test airblank.
- If the test results are not identical, the result of the confirmatory test is considered to be the final result.

The integrity of the alcohol testing process is ensured through the external calibration checks required on the EBT device, the security of the testing site and EBT device, and the strict testing procedures required to produce a valid test.

#### **24.5 Positive Test Results.**

An employee who tested .04 or greater for alcohol or fails to pass a drug test will be removed from the performance of his/her job, and evaluated by a substance abuse professional. An employee may substitute any available vacation, floating holiday or comp time for the non-pay status.

An employee who tests positive for illegal drugs or controlled substances will be removed from the performance of his/her job, and evaluated by a Substance Abuse Professional (SAP) or Chemical Dependency Professional (CDP).

An employee who tests positive for drugs shall have the right to challenge the accuracy of the test results. The employee may request that the original sample be analyzed again. Such request must be made within 72 hours of when the MRO made the employee aware of the original test results.

#### **24.6 Pay Status.**

If an employee is removed from his/her job prior to or during an investigation, they shall be in a pay status pending outcome of the investigation and/or disciplinary action. Employees shall be advised of their right to union representation during any investigatory interview or meeting which could reasonably be expected to lead to disciplinary action.

Employees who have satisfied any disciplinary action and who are in a recognized treatment program for a drug or alcohol problem may use available sick leave, floating holiday, accrued vacation or comp time for counseling and treatment.

#### **24.7 Return to Duty and Follow-up Testing.**

An employee who tests positive for an illegal drug, controlled substance and/or alcohol will generally be allowed to return to duty following compliance with all treatment recommendations of the SAP or CDP. Employees who test positive a second time for an illegal drug, controlled substance or alcohol or who fail to comply with treatment requirements (as determined by the SAP or CDP) are subject to immediate termination.

Follow up testing will be conducted when an individual who has violated the prohibited substance abuse conduct standards returns to work. Follow-up tests are unannounced and will be conducted as recommended by the SAP or CDP. Follow-up testing of CDL drivers must conform to DOT standards. Employees testing positive during the follow-up testing period are subject to discipline up to and including immediate termination.

#### **24.8 Employee Rights and Responsibilities.**

The County will keep confidential all testing results.

If at any point the results of the testing procedures specified in Section 24.4 (Drug & Alcohol Testing Processes) of this Article are negative, all further testing shall be discontinued. The employee will be provided a copy of the results, and all other copies of the results (including the original) will be maintained in the Human Resources Department.

Prior to participating in the mandatory testing process, employees who voluntarily seek assistance concerning a drug or alcohol problem shall not be disciplined by the employer and will be immediately referred to the County's EAP. Employees may use available sick leave, floating holiday, accrued vacation or comp time for counseling and treatment.

An employee not designated "on-call" and requested to report to work shall inform their supervisor of any inability to work due to the consumption of alcohol or drugs which may impair the employee's ability to safely perform his/her job. Under this Section, an employee will not be subject to discipline for advising the employee's supervisor of his/her inability to work.

All employees who must use a prescription drug that causes or results in adverse side effects (e.g., drowsiness or impaired reflexes or reaction time) shall inform their supervisor that they are taking such medication according to the advice of a physician. Employees are not required to notify their supervisor of the name of the medication, only that they are taking a medication that causes adverse side effects. If the prescription drug use could cause productivity or safety problems, a supervisor may grant the employee sick leave or temporarily assign the employee different duties, if available.

Employees are required, in compliance with this Substance Abuse Free Workplace Policy, to notify the County of any criminal statute conviction for a substance abuse related violation occurring in the workplace no later than five (5) working days after such conviction.

#### **24.9 Education and Training.**

All supervisors and first level managers will be required to attend a training course which will cover this policy, the effects of illegal drugs, controlled substances and/or alcohol abuse in the workplace, behavioral symptoms of being under the influence of drugs and alcohol, and rehabilitation services available. Union shop stewards will be invited to attend the above training. Employees attending the training will be on paid status. Refresher courses will be offered periodically and will also be on paid status.

All employees will receive a copy of this Section, informational materials about the effects of controlled substances/alcohol in the workplace and rehabilitation services available.

#### **24.10 Record Retention.**

The drug and alcohol records will be maintained in the Human Resources department in a secure location with controlled access, in accordance with HIPAA guidelines. The following records shall be maintained for five (5) years:

- Records of alcohol test results indicating an alcohol concentration of .04 or greater.
- Records of verified positive drug test results.
- Documentation of refusal to take a required alcohol/drug tests.
- Drug and Alcohol related evaluations and referrals.

Records of negative and canceled drug tests and alcohol test results with a concentration of less than .04 shall be expunged immediately unless following a valid positive test and in that case subject to the same retention as the positive test.

The County shall provide copies of these records to other employers when former County employees have applied for employment with those employers and have written and signed a release form authorizing the County to release such information.

#### **24.11 Laws & Regulations.**

Should the federal or state government requirements change, the parties agree to negotiate the impact of the change on mandatory subjects of bargaining.

## APPENDIX A

### MEMORANDUM OF UNDERSTANDING REGARDING HEALTHCARE BENEFITS

This is a Memorandum of Understanding between the undersigned parties creating a Clark County Multi-party Healthcare Committee.

**Purpose:** It is the purpose of the Healthcare Committee, working within the negotiated parameters, to seek a balance between the continuance of the quality of care traditionally provided to the County's represented employees and keeping the parties' costs to a minimum, while meeting legal and contractual obligations.

**Committee Membership:** The Committee shall be comprised of two representatives from each bargaining unit (including representation from their respective union staff), two representatives from the ranks of the non-represented employees and up to eight representatives from management provided that bargaining unit representation shall always make-up no less than two-thirds (2/3) of the total membership.

Ratification of this Memorandum of Understanding by the signatories shall empower each party's selected representatives to reach a binding decision. Such decisions shall be reached by a two-thirds (2/3) majority of all members of the Committee present or via proxy. Members who will be absent during a meeting may participate in decisions by submitting a vote by proxy.

One union representative and one management representative will be selected to serve as meeting coordinators who will set meeting times and places, prepare agendas and arrange for meeting minutes to be prepared and distributed.

**Parameters of the Committee:** The Committee is authorized to determine healthcare benefits for the parties based upon the following parameters:

- The Committee shall research and make decisions about the structure, coverage, design, and plans, excluding eligibility, of medical, vision and dental insurances provided to employees.
- If costs exceed the "Per Employee Per Month" composite budget (as set forth below), employees will be responsible for contributing the amount above the budgeted amount; not to exceed five percent (5%) for 2011 and seven percent (7%) for 2012 of the new composite rate. Tiered rates or contribution formulas may cause individual contributions to exceed 5% or 7% respectively.
- The Committee shall determine the cost distribution for the payment of insurance premiums between that portion contributed by the County and that which may be contributed by the employee. Employee contributions shall be applied equally regardless of plan provider (i.e. Kaiser, Regence, and WDS).
- The Committee shall meet on County time but the County shall not be required to pay overtime to any member due to the scheduling of daytime meetings outside some

members' normal work shifts. Committee members meeting outside of their regularly scheduled shift will be permitted to flex or adjust schedules if possible to accommodate meeting attendance.

- As the last item on its agenda, the Committee shall draft and publish an update of every meeting.
- Departments within the County will promptly provide all requested information about insurance that is in the possession of the Departments.
- The Committee will set meeting dates as determined necessary.

**Budget for the Committee:** The County’s financial commitment to funding healthcare benefits shall be limited per the budget formulas identified below. These will initiate from the 2009 budget of \$1,194.51 per employee per month. The table below identifies the budget within which the Committee will work to make decisions regarding healthcare.

Year	Percent Increase	Per EE Per Mo.
2010	0.0	\$1,194.51
2011	0.04506	\$1,248.33
2012	0.0023	\$1,251.20

- The Committee is also tasked with providing cost projections for the 2013 benefit year.

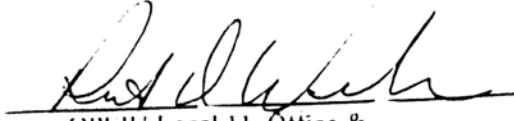

**Decision making:**
