FOOTNOTES

- ¹Patient identifier information is not sent to CDC.
- ²Outpatient dx: ambulatory diagnosis in a physician's office, clinic, group practice, etc.
 Inpatient dx: diagnosed during a hospital admission of at least one night.
- ³After 1977 and preceding the first positive HIV antibody test or AIDS diagnosis.
- ⁴If case progresses to AIDS, please notify health department.
- ⁵If further clarification of definitive and presumptive diagnostic methods is needed, please contact health department.
- ⁶Chronic: more than one month's duration.
- ⁷Recurrent: 2 or more episodes within a 1-year period.
- ⁸Wasting syndrome due to HIV infection includes >10% weight loss plus 1) chronic diarrhea and/or 2) fever and chronic weakness lasting over 30 days in absence of a concurrent illness other than HIV which could explain the findings (e.g., cancer, TB, cryptosporidiosis, or other specific enteritis).

WASHINGTON STATE REPORTING REQUIREMENTS

AIDS and HIV infection are reportable to local health authorities in Washington in accordance with WAC 246-101. HIV/AIDS cases are reportable within 3 working days and reporting does not require patient consent.

ASSURANCES OF CONFIDENTIALITY AND EXCHANGE OF MEDICAL INFORMATION

- Several Washington State laws pertain to HIV/AIDS reporting requirements. These include: Maintain individual case reports for AIDS and HIV as confidential records (WAC 246-101-120,520,635); protect patient identifying information, meet published standards for security and confidentiality if retaining names of those with asymptomatic HIV, (WAC 246-101-230,520,635); investigate potential breaches of confidentiality of HIV/AIDS identifying information (WAC 246-101-520) and not disclose HIV/AIDS identifying information (WAC 246-101-120,230,520,635 and RCW 70.24.105).
- Health care providers and employees of a health care facilities or medical laboratories may exchange HIV/AIDS information in order to provide health care services to the patient and release identifying information to public health staff responsible for protecting the public through control of disease (WAC-246-101-120, 230 and 515; and RCW 70.24.105).
- Anyone who violates Washington State confidentiality laws may be fined a maximum of \$10,000 or actual damages; whichever is greater (RCW 70.24.080-084).

FOR PARTNER NOTIFICATION INFORMATION

- Washington state law requires local health officers and health care providers to provide partner notification assistance to persons with HIV infection (WAC 246-100-209) and establishes rules for providing such assistance (WAC 246-100-072).
- For assistance in notifying spouses, sex partners or needle-sharing partners of persons with HIV/AIDS, please call HIV/AIDS Prevention & Education Services, DOH, at (360) 236-3422, or your local health department. In King County, please call Edith Allen, Public Health Seattle & King County, at (206) 731-4377.
