

## Commencing July 8, 2012 the Clerk's Office will begin using the "Strikes/Set-over" on-line form.

Attorney Offices will need to submit strikes & set-overs using the online form. No longer will you be able to strike or set over a case by email to the docket clerk. When the online form is filled out and the "Submit" button is clicked the "strike/set-over" will immediately be populated into a table that is updated on our webpage.

Once you have had the opportunity to use this process, please feel free to express any concerns or suggestions that would be beneficial for all users.
