DESCRIPTION:

CPZ2016-00009 Revision to the Parks Capital Facilities Plan and attendant Park Impact Fees –

Consider changing the phasing of the increase in Park Impact Fees. A change in the phasing of Park Impact Fees may also require changing the Parks Capital Facilities Plan. The Board of County Councilors adopted a new schedule to increase the Park Impact Fees, with 80% of the new Park Impact Fees going into effect January 1, 2017. This change had occurred as part of the 2016 Comprehensive Plan Update. The Board is now considering adopting a more gradual phasing in of the increase in Park Impact Fees.

ACTION REQUESTED: It is requested the Board of County Councilors revise the Parks Capital Facilities Plan and its attendant Park Impact Fees.
