

**AMENDMENT
To The
Interlocal Agreement
Between
Clark Public Utilities
And
Clark County's Department of
Community Services**

This Amendment modifies the Interlocal Agreement between the Parties dated January 1, 2004. This Agreement is revised as follows:

- 1) The following language is added to Article III (Scope of the Agreement):

Beginning November 1, 2015, Clark County shall distribute funds in accordance to the revised Program Standards identified in Exhibit "A."

- 2) The following language is added to end of Exhibit A (Program Standards) paragraph 1:

c. Funding may be used for the installation of ductless heat pumps in electrically heated homes.

- 3) The language in Exhibit A (Program Standards) paragraph 2 is replaced with the following:

CPU dollars may be invested in the following baseload measures, regardless of heat source: LED lighting, CF lighting, hot water tank replacement, and water conservation measures.

Dated this 24th day of November, 2015.
