

MEMORANDUM OF UNDERSTANDING

for

Monitoring Labor Standards

between the

Clark County Department of Community Services (Clark County)

and the

City of Vancouver (City)

This Memorandum of Understanding ("MOU") relates to the procedures by which the "Monitoring Agency" identified below will monitor the compliance of contractors and subcontractors with certain federal labor standards on CDBG funds provided by the County pursuant to Agreement #2013-CDBG-1309 dated July 11, 2013.

Project Name: Columbia River Mental Health Roof Retrofit Phase II

Project Address: 6926 E. Fourth Plain Blvd.

Vancouver Washington

"Monitoring Agency": Clark County Department of Community Services

Clark County agrees to assume all responsibility for monitoring and enforcement of Federal Labor standards compliance on the funded project in accordance with HUD Handbook 1344.1, Rev. 1, related HUD Labor Relations guidebooks (29 CFR Part 1, 3, 5, 6, 7) and Labor Relations Letters, the Contract Work Hours & Safety Standards Act, and the Copeland Act. This includes retention of records pertaining to Federal Davis-Bacon requirements. Clark County also agrees that it will be solely responsible for addressing any wage restitution for any violation of the Federal Labor Standards by itself or any Contractor or Sub-contractor hired by the Columbia River Mental Health for this project. Records relating to Clark County's Federal Labor Standards compliance efforts will be made available to the City for review upon request. Clark County will send the City a copy of the final Labor Standards Report Form submitted to HUD for these Projects.

To confirm our mutual understanding, we have signed the foregoing MOU on the dates set forth below.
