RESOLUTION NO. 2016-17-02

A RESOLUTION of the Board of Directors of Washougal School District No. 112-6, Clark and Skamania Counties, Washington, providing for the submission to the voters of the District at a special election to be held therein on February 14, 2017, of a proposition authorizing a tax levy to be made annually for three years commencing in 2017 for collection in 2018 on all of the taxable property within the District of \$7,550,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.91 per \$1,000 of assessed value (such assessed value representing 100% of true and fair value unless specifically provided otherwise by law), in 2018 for collection in 2019 of \$7,750,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.91 per \$1,000 of assessed value, and in 2019 for collection in 2020 of \$7,980,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.91 per \$1,000 of assessed value, all in excess of the maximum tax levy specified by law for school districts without voter approval, for the District's General Fund, the proceeds of such levies to be used to pay expenses of educational programs and operations, all as more particularly set forth herein; designating the District's Business Services Director and special counsel to receive notice of the ballot title from the Auditor of Clark County, Washington; and providing for other matters properly related thereto, all as more particularly set forth herein.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF WASHOUGAL SCHOOL DISTRICT NO. 112-6, CLARK AND SKAMANIA COUNTIES, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Washougal School District No. 112-6, Clark and Skamania Counties, Washington (the "District"), takes note of the following facts and hereby makes the following findings and determinations:

(a) Calendar year 2017 is the last year of collection of the District's current three-year General Fund educational programs and operations tax levy, which was authorized pursuant to Resolution No. 2013-14-03, adopted by the Board on November 19, 2013, and a special election held and conducted within the District on February 11, 2014.

(b) With the expiration of the District's current three-year General Fund educational programs and operations tax levy, it appears certain that the money which will be available for the General Fund for the school years 2017-2018, 2018-2019, 2019-2020 and 2020-2021 will be insufficient to permit the District to meet the educational needs of its students, maintain current educational program funding levels and support the District's educational programs, student services and operations by paying expenses thereof, all as more particularly set forth in Section 3 of this resolution, during such school years, and that it is necessary that a replacement excess tax levy of \$7,550,000 be made in 2017 for collection in 2018, \$7,750,000 be made in 2018 for collection in

2019, and \$7,980,000 be made in 2019 for collection in 2020, for the District's General Fund to provide the money required to meet those expenses.

(c) The District's proposed three-year General Fund educational programs and operations tax levy authorized in this resolution provides for approximately the same purpose as the District's expiring three-year General Fund educational programs and operations tax levy.

(d) The District is authorized pursuant to Article VII, Section 2(a) of the Washington Constitution and Revised Code of Washington ("RCW") 84.52.053 to submit to the District's voters at a special election, for their approval or rejection, the proposition of whether the District shall levy excess property taxes for support of the District's educational programs, student services and operations expenses.

Section 2. Calling of Election. The Auditor of Clark County, Washington, as *ex officio* Supervisor of Elections (the "Auditor"), and the proper officer of the county to which the District belongs pursuant to chapter 28A.323 RCW, is requested to call and conduct a special election in the District in the manner provided by law to be held therein on February 14, 2017, for the purpose of submitting to the District's voters, for their approval or rejection, the proposition of whether a replacement General Fund educational programs and operations tax levy shall be made annually for three years commencing in 2017 for collection in 2018 on all of the taxable property within the District of \$7,550,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.91 per \$1,000 of assessed value (such assessed value representing 100% of true and fair value unless specifically provided otherwise by law), in 2018 for collection in 2019 of \$7,750,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.91 per \$1,000 of assessed value, and in 2019 for collection in 2020 of \$7,980,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.91 per \$1,000 of assessed value, all in excess of the maximum tax levy specified by law for school districts without voter approval. The exact tax levy rate may be adjusted based upon the actual assessed value of the taxable property within the District at the time of the levy.

Section 3. Use of Levy Proceeds. If the proposition authorized by this resolution is approved by the requisite number of voters, the District will be authorized to levy excess property taxes and use the proceeds of such levies to meet the educational needs of its students, maintain current educational program funding levels and support the District's educational programs, student services and operations by paying expenses thereof (including, but not limited to, supplies, textbooks, library, teacher and staff support, technology, athletics, transportation and facility maintenance and operations, and other educational programs and operations expenses) during the school years 2017-2018, 2018-2019, 2019-2020 and 2020-2021, all as may be authorized by law and deemed necessary by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and deemed necessary and advisable by the Board.

Section 4. Form of Ballot Title. Pursuant to RCW 29A.36.071, the Clark County Prosecuting Attorney, as the county prosecuting attorney of the county within which the majority area of the District is located, is requested to prepare the concise description of the aforesaid proposition for the ballot title in substantially the following form:
