## Clark County Fair Concession Audit and Evaluation Services

### Part I Proposal Requirements

#### Section IA

#### General Information

1. Introduction  
The Clark County Fair has been in existence since July 1868. Hundreds of volunteers and paid staff produce the annual event. The 10 day Fair has an annual attendance of more than 250,000 people each year and starts the first Friday of August. There are currently 48 food vendors participating.
2. Background  
Prior to 2006, no formal auditing system was in place. The obvious need for professional auditing was due to the growing number of food vendors and the lack of in-house staff to accomplish the tasks required. Since this time, the Fair has utilized a professional food auditor and recognized a significant increase in accountability.
3. Scope of Project  
Previous experience, support staff and knowledge of this service are important aspects for award of this contract.  
  
Daily audits, recording, monitoring, verification and compilation of data that assures compliance and accountability of each vendor are a strict requirement. Approximately 12 hours per day of the Fair will be needed for on-site services including nights and weekends.  
  
Upon conclusion of the 10 day Fair, reconciliation amounts payable are due to the governing board.
4. Project Funding  
Payment will be made upon satisfactory completion of services and payable within 30 days of the last day of the Fair.
5. Timeline for Selection  
The following dates are the **intended** timeline:  

Proposals due:	October 5, 2016
Proposal review/evaluation period:	October 10-15, 2016
Contract negotiation/execution:	October 17-22, 2016
Contract intended to begin	January 1, 2017
6. Employment Verification  
"Effective November 1<sup>st</sup>, 2010, to be considered responsive to any formal Clark County Bid/RFP or Small Works Quote, all vendors shall submit before, include with their response or within 24 hours after submittal, a recent copy of their E-Verify MOU or proof of pending enrollment. The awarded contractor shall be responsible to provide Clark County with the same E-Verify enrollment documentation for each sub-contractor (\$25,000 or more) within thirty days after the sub-contractor starts work. Contractors and sub-contractors shall provide a report(s) showing status of new employee's hired after the date of the MOU. The status report shall be directed to the county department project manager at the end of the contract, or annually, which ever comes first.
