

Clark County Revised Comprehensive Plan Notice of Environmental Impact Statement Scoping

Clark County, Washington is updating its 2007 Comprehensive Growth Management Plan. The county will prepare a supplemental environmental impact statement in compliance with the State Environmental Policy Act (SEPA). The environmental review process will inform the public of the advantages and disadvantages of proposed growth alternatives. Agencies, affected tribes and members of the public are invited to comment on the scope of the SEIS.

You may comment on alternatives, mitigation measures, probable significant adverse impacts, or other approvals that may be required.

Submit comments on the scope of the EIS in any of these ways:

In person, at Scoping Open Houses:

August 19, 2014, Vancouver Community Library, 920 C Street, Vancouver
