HAI Community Task Force Meeting Minutes
6/22/16
2:30 - 4pm
PeaceHealth Southwest Medical Center

Agenda Item	Presenter	Discussion	Action Items
Introductions & Announcements	Group	<ul style="list-style-type: none"> • Welcome to attendees and CCPH nursing student Candra. 	
APIC Presentation in September <ul style="list-style-type: none"> • Who would like to participate? 	Catherine Kroll	<ul style="list-style-type: none"> • OSWAPIC meeting will be held in Bend, OR. On 9/22 & 9/23. Catherine is seeking interested attendees to assist with the HAI Task Force panel discussion. 	<ul style="list-style-type: none"> • Interested individuals are asked to please let Catherine know ASAP if you are interested in attending. • Catherine is verifying what funds may be available to support travel costs.
Beating VGE Outbreaks with Warding	Dave Brantley BSN ManorCare DON	<ul style="list-style-type: none"> • Dave shared an overview of their recent experience regarding a VGE outbreak and the success they achieved with warding. Dave outlined the importance of identifying physical barriers in your facility and initiation of control measures immediately. • Dave outlined challenges related food/meal delivery and linen supply/delivery. • High level overview of the actions their facility initiated: <ul style="list-style-type: none"> ○ Immediate initiation of VGE outbreak control measures. ○ Restricted admissions to identified warding area. ○ Provided line lists to CCPH daily. ○ Ceased activities for the entire facility. ○ Ceased social dining and infected residents were provided paper items for their meals to facilitate easy disposal and limit transmission. ○ Ceased utilization of the therapy gym and provided therapies in resident rooms. 	<ul style="list-style-type: none"> • Notify CCPH immediately in the event of an outbreak. They are a valuable resource and help to provide answers to questions you may have to guide your facility response. • Dave Brantley is available to provide assistance if your facility would like guidance determining physical barriers to help determine warding and/or any additional questions.

		<ul style="list-style-type: none"> ○ Provided refresher training for all staff related to VGE and control measures ○ Initiated more robust bleach cleaning throughout the facility. ○ Notified LTCF partners throughout the County to alert them. ○ Notified inpatient partners to alert them. 	
HAI Task Force Charter Review	Catherine Kroll Dave Brantley, BSN	<ul style="list-style-type: none"> ● All attendees reviewed the current Charter document and were afforded an opportunity to provide feedback and ideas. ● The attendees agreed to add Dana Nguyen as a Co-chair in addition to Catherine Kroll and Dave Brantley. CCPH will be providing administrative assistance. The Medical Center partners will continue to oversee data collection and dissemination. 	<ul style="list-style-type: none"> ● Derel will provide information on National data related to the recommended % of healthcare workers receiving influenza vaccination. ● Co-chairs will take the feedback and make the necessary changes to the document.
CCPH Updates	Derel Glashower Dana Nguyen RN	<ul style="list-style-type: none"> ● Derel provided updated information regarding VGE and Influenza. His presentation is available on the HAI website for review. 	
Scorecard Review	Catherine Kroll	<ul style="list-style-type: none"> ● Limited data was submitted as a result we were unable to develop a formal scorecard. 	<ul style="list-style-type: none"> ● Please remember to submit your data to Catherine the first week of each month so she can facilitate development of a scorecard.
Agenda Items for next meeting	Group	<ul style="list-style-type: none"> ● August will be the 4 year Anniversary of this task force. ● Planning for Sepsis Summit in the Fall ● Planning for Influenza refresher in September. 	<ul style="list-style-type: none"> ● Please share any ideas you have for celebrating the Task Force Anniversary with one of the Co-Chairs. ● Catherine will follow up with Quails and U of W to solicit their availability to participate. ● Derel & Dana will determine if CCPH can coordinate CCPH hosting the September Task Force meeting and provide refresher training in lieu the meeting.

Next Meeting HAI Task Force – July 27th, 2:30 to 4 pm at Avamere Cascade Park
