

# Immunizations are NOT just for kids

**Some adults were never vaccinated as children.**

**Newer vaccines may be available.**

**Immunity may wane.**

**Some vaccines are recommended annually.**

The **CDC recommends** that all healthcare workers be vaccinated for: **MMR, Hep B, Tdap, Varicella, and the Flu.**

## It starts with YOU!

**Protect yourself. Protect your patients.**

**Get ALL of your vaccines!**
