**H1N1 Response
Hours Worked Per Volunteer
Oct 1 - Dec 1, 2009**

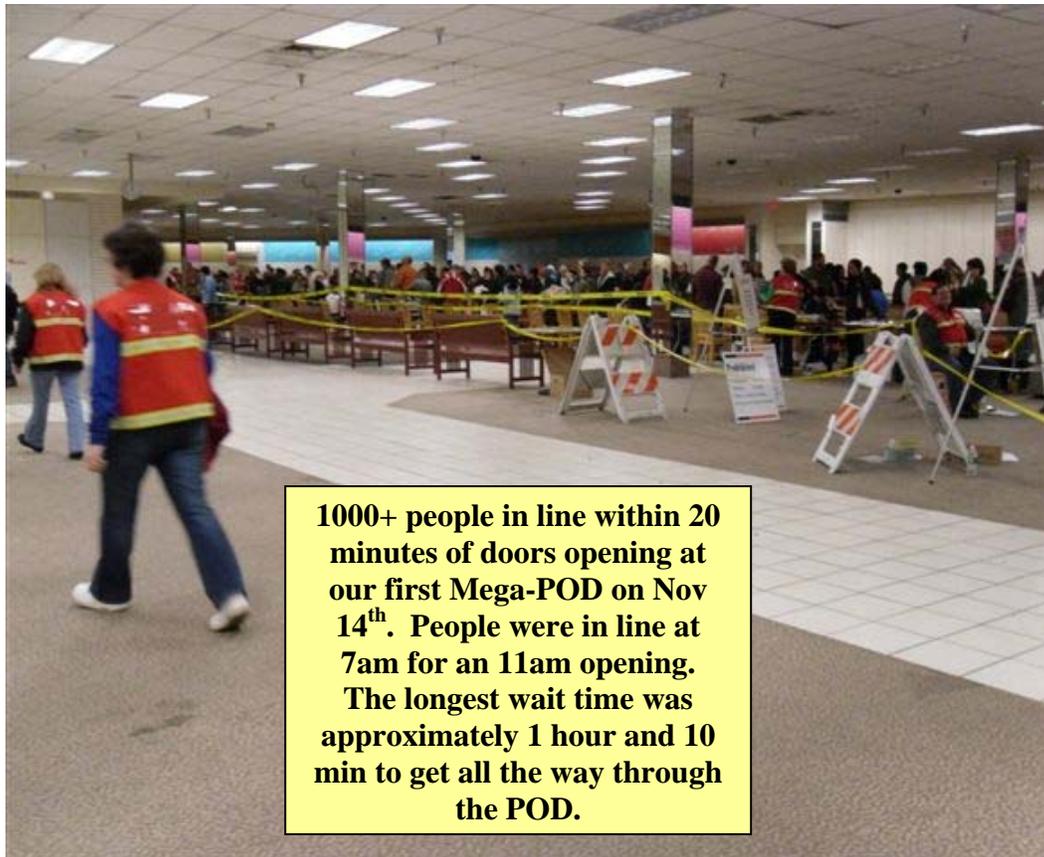

Briefing to 120 Volunteers / Staff by the POD Supervisor prior to doors opening to the public.

Inside the POD at the old Mervyn's Store at Westfield Shopping Center (Vancouver Mall) prior to our first Mega-POD on Nov. 14th.

1000+ people in line within 20 minutes of doors opening at our first Mega-POD on Nov 14th. People were in line at 7am for an 11am opening. The longest wait time was approximately 1 hour and 10 min to get all the way through the POD.
