TIPS:

- **Call before heading out to shop. Store locations change often enough that you should call if you haven't been there for a while.**
- **Call before heading out to donate. Never dump and ditch! Nonprofits pay for garbage, that $ could be used for services instead.**
- **To buy used and reuse, check out antique stores, yard sales, and more!**
- **Check out FreeCycle, Craigslist, and other webpages that are regionally-based to buy, sell, give, or receive used items.**
