

STORIES OF PARTNERSHIP FROM AUGUST 2015

Rehabilitation & Administration Region 3 Mentoring Program (Major) partnered with **Life Journey Lutheran Church & Thrivent Financial** - Pastor Bob and his group graciously, with a grant from Thrivent, catered our annual mentor/mentee BBQ. The food was provided by "Adams Ribs & More". They traveled to Longview, set up everything, served us all, cleaned up, and even made sure all had a plate of BBQ ribs and chicken to go. We are in discussions for making this partnership an annual occurrence. The theme of the BBQ was "Generosity & Service". Thank you Pastor Bob! Thank you Faith-Based Coffee Meeting!

Wy'East Middle School & Cascade Park Baptist Church - Wy'East Middle School teamed up with volunteers from Cascade Park Baptist Church to host the "1st Annual Wy'East Back to School BBQ". Students and instructors from Clark County Skills Center were also on hand to give free back to school haircuts.
