Klineline Kids Fishing Event

Klineline Kids Fishing will be held at Salmon Creek Park / Klineline Pond. Special Needs kids will experience fishing on Friday - April 10, 2015. Kids ages 5 through 14 will fish on Saturday - April 11.

Presented by the Klineline Kids Fishing Nonprofit, the Washington State Department of Fish and Wildlife and Clark Public Utilities, this program is aimed at getting more kids involved in fishing and building a base for the future stewards of this resource.

Here is the link to the event registration forms:

<http://www.klineline-kf.org/register.html>

Fewer and fewer kids are taking part in the sport of fishing either because of environmental or economic factors. This is a disturbing trend. To create stewards for our future fisheries we need to introduce children to the beneficial aspects of fishing as an individual and family activity and as a way to become more aware of our natural resources.

The "Klineline Kids Fishing" event accomplishes both of these goals. First, it gives the child an opportunity to experience the thrill of catching a fish. Second, educational sessions, offered by the Washington State Department of Fish and Wildlife and local fishing groups will help the child learn more about fishing and the outdoors.

Let's help get more kids fishing more often.

Donations are welcomed and should be made to Klineline Kids Fishing Nonprofit (IRS non-profit registration EIN # 45-3764565).

VSD Patron Tours

Join Superintendent Steve Webb on Friday, March 13, as he showcases dynamic learning opportunities at Thomas Jefferson and McLoughlin middle schools. Patron tours are the best way to find out what's new in your school district.

Both schools will showcase applications of the district's strategic plan, Design II, and commitment to preparing students for college, careers and life. Visitors will explore the technology-rich environment in which Jefferson and McLoughlin students are taught and learn on one-to-one iPads and laptops. They'll also see the schools' Gateway to Technology project-based science, math and technology classes and Advancement Via Individual Determination, a college-readiness program.

The tour of McLoughlin will provide a glimpse of the school's Family-Community Resource Center and community partnerships. At Jefferson, tour-goers can discover Honors classes, as well as the school's commitment to teaching positive, respectful behaviors.

The tour will begin and end at the Bates Center for Educational Leadership, 2921 Falk Rd. The tour starts at 8:30 a.m. and concludes at 1 p.m. After the school tours, a delicious lunch prepared by Vancouver culinary arts students is available for \$4 per person.

Everyone is welcome, so please plan to attend and invite co-workers, friends, neighbors and family members, too.

To register for a tour, go to vansd.org/PatronTours or call Sue Knable at 360-313-4720. Space is limited, so sign up today.

Support Local Businesses in Hazel Dell

Small and locally owned businesses are the mainstay of our community's economy. The owners of these businesses live and work in our community and have a vested interest in our community's quality of life. Local businesses provide jobs, are a key source of tax revenue to support public services, support our schools, our parks, and are instrumental to the quality of life in our community. They have a vested interest and provide important goods and services to all of us living here in Hazel Dell.

From time-to-time we feature Hazel Dell businesses in our neighborhood newsletter. We want you to know who your local businesses are and what they have to offer. We urge you to do business with them, support them and in so doing support your local community. Everyone benefits from a strong and solid local economy. Your neighborhood association supports local business and we hope you will, too.

Clark County Parks Adopt-A-Park Program

Clark County Parks believes that YOU can make a difference in how local parks look and operate! By participating in the Adopt-A-Park program, you will beautify a public space, while enhancing park safety and building community.

The Adopt-A-Park program is an ongoing volunteer opportunity, and we ask for a minimum six-month commitment. By volunteering only twice per month, for two to three hours at a time, you can make a huge difference in your parks! You get to choose the days and times that you volunteer, so this is a great opportunity for those who have busy schedules. We encourage businesses, clubs, classes, community groups, and individuals to adopt a park! If you plan on volunteering as an individual, extra screening may be required.

Two parks in our neighborhood, Tenny Creek and Kate and Clarence LaLonde neighborhood parks have yet to be adopted by a group to help with the maintenance.

To volunteer for park clean up and maintenance events please sign up at parkhero.org

Neighborhood Association Mission:

The residents of the Hazel Dell area established the NE Hazel Dell Neighborhood Association (NEHDNA) in order to unite the common interests and promote the welfare of the area. The association is involved with a variety of matters, which affect the livability of the neighborhood and community in general.

All residents within the neighborhood association boundaries or neighboring areas not within an existing neighborhood association are

welcome to attend and participate in the association.

If you have any questions or would like more information, please contact one of the officers or board members listed on this page. The NEHDNA does not subscribe to any religious affiliation or political party. Our desire is to work together for the common good of the neighborhood in which we all live. You don't have to live in the area to be a member or to come to the meetings! All are welcome.
