Vancouver Fire Department

Our neighborhood is serviced by the Sifton Firehouse-Station 4 at 6701 NE 147th Ave (just off Fourth Plain Blvd & Ward Rd). The Sifton Firehouse-Station 4 provides emergency response to over 40,000 citizens and covers over 23 sq. miles. The next scheduled monthly tour of this fire station is: *To Be Determined*. Should our Neighborhood Association schedule a special group tour, we'll notify our neighbors in advance to reserve spots.

There are a number of volunteer opportunities through the Vancouver Fire Department.

Parks

We have formally adopted our developed park within Heritage. Volunteers of all ages and abilities are encouraged to join us for a park clean-up! We perform a variety of tasks such as walking the park to see it's overall condition and to look for issues such as vandalism, graffiti and more. We remove cigarette butts, litter, weeds and more. We also rake the bark chips back under well-played areas like the swings and slides. In the fall, leaves need raking. These are just a few examples of the tasks we do at a park, however, we do need volunteers to fill an equally important but less physical role, such as being at a table with our necessary paperwork, supplies, personal belongings, tools and refreshments.
