## There's a new Sheriff in Town... No, really, there is.

As you likely know, for the first time in more than 20 years, the citizens of Clark County have a new Sheriff. After 24 years at the helm, our own Salmon Creek neighbor (now retired Sheriff) Garry Lucas will settle in to whatever his next great venture will be. (- Thanks for all that you did on our behalf, Sheriff)

But what about the new Sheriff? How will things change? Or will they? And who is this man set to lead law enforcement in our community?

**We'll come find out! Sheriff Chuck Atkins will be our special guest at the May, 2015 NSCNA Neighborhood Meeting!**

You may not know Sheriff Atkins spent 35 years with the Department. You may not know that he graduated from the FBI Academy. Get to know the man and his mission. And get your questions answered about what's next in Law Enforcement in our neighborhoods.

**Come to our meeting on May 26 at 7:00 at the Riverview Community Bank.** Meet the new Sheriff and hear his vision for the Sheriff's Office.

*Sheriff Chuck Atkins*

## Parks Survey Results are In

Earlier this year, Clark County invited Clark County residents to take an online survey to help shape future priorities for the community's park system.

Thanks to the participation of many, Clark County Parks received almost 1,500 responses over a seven-week period. This and other community input will be used to help update the comprehensive parks, recreation and open space plan, which establishes long-term goals and priorities for land acquisition, facility development and other aspects of the county's parks program.

If interested in reviewing the survey results, you may access on the county's website using this link: <http://j.mp/1luaxeM>

**BIG THANKS!!** To our neighborhood partners at **Wayside Market** and **Starbucks** for providing the refreshments for our Neighborhood Association meetings. We appreciate their generosity and we hope you support them in the neighborhood.

## 'Recycling Done Right' Educational Campaign Completes Program

**"A 2014 study found that approximately 17 percent of recycling material in both incorporated and unincorporated areas is contaminated. Two years earlier, a similar Recycling Done Right outreach effort found contamination dropped after single-family home residents received educational material."**

Building on the success of an earlier education program, Clark County and its partners recently completed Recycling Done Right, an outreach effort designed to remind residents that plastic bags, plastic wrap and glass should be separated from other materials going into blue recycle carts.

The goal of the program is to reduce contaminants in the recycling cart at single-family homes and ultimately the recycling stream. Every type of plastic bag and plastic wrap clogs machinery at the local recycling facility, causing shut-downs and posing a danger to workers who must manually remove it. Glass fragments degrade materials that go into making recycled products. Glass must be placed in a separate container at the curb. Plastic bags and plastic wrap may be taken to grocery stores for recycling. They are not accepted in the curbside collection program.

The Recycling Done Right outreach was supported by a partnership with Waste Connections . For more information, please contact Clark County Environmental 397-2121 ext. 4352

# Upcoming Fun!

## Salmon Creek Farmers' Market kicks off

After great success at the Clark PUD Home & Garden Idea Fair at the Fairgrounds the last weekend of April, as well as Farmers' Market Earth Day events at Legacy Hospital on April 21 and 28, the Salmon Creek Farmers Market is set to kick off 2015.

The Salmon Creek Farmers Market does not officially open until June 23 at Legacy Hospital, but you can get all the seasonal information, at [www.salmoncreekfarmersmarket.com](http://www.salmoncreekfarmersmarket.com).

The Salmon Creek Farmers Market is the only farmers market in unincorporated Clark County and its mission is to support and nurture local SW Washington farms, farm products and food producers. All of the people who generously volunteer time to produce the two markets in Salmon Creek truly appreciate the ongoing participation and attendance from Clark County residents.
