## Welcome...

Join us at the next **North Salmon Creek Neighborhood Association** general meeting as we have several important topics on the agenda.

What's this about the **proposed increase in PIF fees**? What about this **Lewis and Clark Greenway Trail**? And more new **park acquisitions**?

We'll hear from former NSCNA President **Barbara Anderson**, member of the Parks Advisory Board, who will be joined by two Clark County Parks staff members; **Bill Bjerke**, Parks Division Manager and **Laurie Lebowski**, Planner. Together, they will provide an overview on parks and park funding, PIF district 10 status, new acquisitions, status on the proposed Lewis and Clark Greenway trail, information on the proposed increase to PIF fees, and neighborhood advocacy opportunities. Don't miss this important conversation.

**Please remember to Vote November 8.** We all benefit from an educated and engaged electorate.

## Major Changes to Association Newsletter Delivery

The NSCNA creates, publishes and distributes five newsletters per year. Of these, three are mailed, and two are hand-delivered. Due to the challenges of coordinating hand-delivery to more than 4,000 households in our Neighborhood, **we are forced to discontinue the hand delivery of the two issues each year** (these have traditionally been the May and September issues).

**We do expect to continue publishing five issues per year.** We will still have three issues that will be mailed. Additionally, we will have all five issues available both on the website - [www.SalmonCreekLive.com/nscna](http://www.SalmonCreekLive.com/nscna) - as well as available for email directly to your inbox.

**To make sure you receive the timely, informative, and important content related to your Neighborhood Association, please sign up for the FREE Neighborhood Association newsletter.**

### That's a Wrap

Salmon Creek Farmers' Market season wraps up its 7<sup>th</sup> season at the end of September.

The Tuesday and Thursday farmers' markets in Salmon Creek have their final days for the season on September 27 and September 29.

The markets continue to live up to its mission of supporting small businesses in the community, providing opportunities for selling, marketing and growing. In particular, fresh farm products and locally produced processed food provides the core of both markets – as its customers well know

The Salmon Creek Farmers' Market at Legacy Hospital looks forward to hosting its Halloween/Harvest Market at the hospital on Tuesday, October 25, from 11 to 3.

Thanks to Riverview Bank for its support of the market this year. Best of all, thanks to these wonderful customers and vendors who make it all happen every week. For a complete schedule and more information, visit [www.salmoncreekfarmersmarket.com](http://www.salmoncreekfarmersmarket.com)
