**Natural or Green Burials**

Burials allowed with or without Caskets or Liners.

Caskets must be approved by the Cemetery. All soil removed from burial will remain on the grave within a frame until the cemetery determines that it has settled and at which time grass will be planted and frame removed. Families must consult with cemetery staff to go over all details.

**Definition of "In District"**

"In District" prices are for those living inside the cemetery district and paying cemetery taxes. Proof of prior residence inside the district of at least 15 years or more can qualify for the "In District" prices.
