Department: Elections Department – County Auditor’s Office

Request: Approving Precinct Boundary Changes

Date: January 20, 2015

Agenda: Consent X Public Hearing

SUMMARY OF RECOMMENDATIONS:

We ask that, by resolution, the Clark County Board of County Councilors approve the “Exhibit A” as the new legal description for Clark County election precinct boundary lines and as drawn and shown in “Exhibit B,” a map showing all 2015 proposed precinct boundary changes.

The approval of this resolution will accomplish several tasks. It will 1) adjust six existing precinct boundary lines to bring precincts into compliance that a precinct must be located entirely within or entirely outside of a city. The changes are due to city annexations by the cities of Camas, Battle Ground and the Town of Yacolt; 2) adjust two precinct boundary lines due to property transferred from Washougal School District to Camas School District; and 3) adjust internal precinct boundary lines due to a partial merger from Fire District 13 to Fire District 10.

COMMUNITY OUTREACH:

Once the precinct boundary changes are approved and completed by the Auditor's Office, notification of the changes will be sent to the voters of Clark County. These changes will affect 20 voters. We will also inform all voters in Clark County which of the four council districts established by the charter in which they reside.

BACKGROUND:

RCW 29A.16.060 requires every voting precinct must be wholly within a single congressional district, a single legislative district, a single district of a county legislative authority, and, if applicable, a city. Altering six existing precinct boundaries will bring precincts into compliance.
