A Commitment to Clark County

PROGRAMS

The Parks Foundation Nature Explore Club is a free program designed to encourage families and children to get outside to explore their local parks, trails and open spaces.

Nature Explore Club

A Commitment to Our Community

Florence B. Wager Awards

Created in recognition of the impact and influence her leadership had in our community, the Florence B. Wager award honors leaders, volunteers, and parks and recreation professionals who, through their actions, influence, and example, have had a significant impact in the development and enhancement of the parks, trails, and recreation programs of Clark County. The award's namesake, Florence B. Wager, exemplified this level of service in our community for decades.
