**Notes:**

- <sup>1</sup> This number first includes fees waived at application. As a project progresses, additional fees may be added at permit issuance or for the next steps in the process.
- <sup>2</sup> Due to the large number of projects under the original waiver program (grandfathered cases), only a portion of the total list and total amount waived is shown here.
- <sup>3</sup> Applicants with projects qualifying under the original ordinance have re-applied under the new ordinance, so new cases will be added to the list under Resolution 2013-06-06.
- <sup>4</sup> This is a SUMMARY list of fee holiday projects. Each project can include one or more cases. The previous list included each case within a project.
- <sup>5</sup> The possible TIF to be waived is deleted or modified to reflect when the TIF is collected for one or more buildings in a project.
- <sup>6</sup> The possible TIF to be waived includes impact fees projected to be waived based on data from the preliminary review of a project, which can change prior to final review.
