23 extension of time is necessary. In no case shall a request for extension extend  
24 beyond an additional forty-five (45) days. If no request for an extension is  
25 made or no alternative to demolition has been agreed to, the Commission shall  
26 act and advise the official in charge of issuing a demolition permit of the  
27 approval or denial of the waiver of a certificate of appropriateness.
- 28 (5) When issuing a waiver, the Commission may require the owner to mitigate  
29 the loss of the CCHR property by means determined by the Commission at the  
30 public hearing. Mitigation may include, but is not limited to, an identification  
31 plaque, use of an architectural element in new construction, moving the  
32 building, and/or buffering of the historic or cultural resource.
- 33 (6) The Commission's recommendations, decision and conditions of approval  
34 shall be transmitted to the responsible official. Any conditions in this review  
35 process shall become conditions of approval of the permits granted. After the  
36 property is demolished, the Commission may initiate removal of the property  
37 from the CCHR.

39 property for removal from the register and are subject to enforcement under Title 32.
