

Guest Speaker
Alan DeLaTorre, Ph.D.

Commission on Aging Speaker Series

Join us Feb. 20, 2018

4:30 – 6:00 p.m.

Public Service Center

1300 Franklin Street, Vancouver

Learn about Transportation Issues

As our communities age it is imperative to provide enabling and inclusive environments that enhance mobility for those across the life course. Specific challenges and opportunities should be considered pertaining to transportation options, safety, community planning, and emerging technology.

Alan DeLaTorre, Environmental Gerontologist and Research Assistant with Portland State University Institute on Aging will frame this discussion and kick off the commission's 2018 focus.
