Upon request by the County, County shall review and approve the Contractor's grievance and complaint procedures.

25. INDEMNIFICATION

- 25.1. The Contractor does release, indemnify and promise to defend and hold harmless the County, its elected officials, officers, employees, and agents from and against any

and all liability, loss, damages, expense, action, and claims. This includes costs and reasonable attorney's fees incurred by the County, its elected officials, officers, employees and agents in defense thereof, asserting or arising directly or indirectly on account of or out of the performance of service pursuant to this Agreement.

- 25.2. The Contractor specifically agrees to indemnify and hold harmless the County from any and all bodily injury claims brought by employees of the Contractor and expressly waives its immunity under the Industrial Insurance Act as to those claims that are brought against the County. This paragraph does not purport to indemnify the County against the liability for damages arising out of bodily injuries or damages caused by or resulting from the sole negligence of the County, its elected officials, officers, employees, and agents.

26. INSURANCE

At the execution of this Contract, the Contractor shall provide the County with proof of the following insurance coverage. Proof shall be on an ACORD Certificate(s) of Liability Insurance. Each certificate shall show the coverage, deductible, and policy period.

26.1. COMMERCIAL GENERAL LIABILITY

\$1,000,000 in annually renewing occurrence-based Commercial General Liability (CGL) coverage or a Business Owners Policy (BOP) showing the broker of record, insurance limits, and renewal dates. The insurance must be maintained throughout the term of this Contract. In no event shall the deductible exceed \$5,000. A "Claims-Made Policy" is not acceptable. In the case where the underlying insurance policy is expended due to excessive defense and/or indemnity claims before renewal, the Contractor warrants and guarantees the coverage limits, to include indemnity and defense up to the listed limit, from its own resources regardless of coverage status due to cancellation, reservation of rights, or any other no-coverage-in-force reason. Coverage shall not contain any endorsements excluding nor limiting product/completed operations, contractual liability, or cross liability. The Contractor agrees that its policy is primary and also waives its right of subrogation.

Contractor agrees to endorse the County as an "Additional Insured" on the CGL or BOP policy with the following or similar endorsement providing equal or broader additional insured coverage: the CG2026 07 04 Additional Insured - Designated Person or Organization endorsement, or the CG2010 10 01 Additional Insured - Owners, Contractor, or the CG2010 07 04 Contractor, or Contractor endorsement, including the "Additional Insured" endorsement of CG2037 10 01 Additional Insured - Owners, Contractor - Completed Operations, which shall be required to provide back coverage for the Contractor's "your work" as defined in the policy and liability arising out of the products-completed operations hazard. The Additional Insured Endorsement shall read "Clark County Washington."

26.2. AUTOMOBILE LIABILITY

If vehicles are to be used in the performance of work under this Contract, the Contractor shall provide the County with proof of \$1,000,000 in annually renewing occurrence-based automobile coverage for all owned, used, or leased vehicles. The

insurance must be maintained throughout the term of this Contract. If vehicles are not used, the Contractor shall provide the County with a written declaration on company letterhead, that no vehicles will be used in the performance of the Contract.

26.3. FIDELITY INSURANCE

If the Contractor receives \$10,000 or more per year in funding from a granting agency, the Contractor shall provide the County with proof of Fidelity Insurance. The insurance must be maintained throughout the term of this Contract. Every officer, director, employee, or agent who is authorized to act on behalf of the Contractor for the purpose of receiving or depositing funds, or for issuing financial documents, checks, or other instruments of payment shall be insured to provide protection against loss. The amount of Fidelity coverage secured shall be either \$100,000 or the highest planned reimbursement for the contract period, whichever is lowest. Fidelity Insurance secured pursuant to this paragraph shall name Clark County as beneficiary.

26.4. PROFESSIONAL LIABILITY

If the Contractor provides professional services under this Contract, the Contractor shall obtain and maintain a professional liability/errors and omissions insurance policy to protect against legal liability arising out of Contract activity. Such insurance shall provide a minimum of \$1,000,000 per occurrence, with a \$3,000,000 aggregate, with a maximum deductible of \$25,000. It should be an occurrence-based policy. However, if the policy is a claims-made policy, then tail coverage must be provided for three (3) years after the end of the Contract or completion of the project. Moreover, the Contractor shall require any architect, engineer, land surveyor, or other licensed professional to obtain and maintain professional liability/errors and omissions insurance.

26.5. ADDITIONAL INSURANCE REQUIREMENTS

All insurers must have an A.M. Best's Rating of A-VII or better. The Contractor shall provide its own insurance protection at its own expense for any property (contents or personal property) maintained on its premises. In addition, Contractor shall insure the real property and all fixtures and improvements for its full insurable replacement value against loss or damage by fire and other hazards included within the term "extended coverage." All policies and renewals on the real property shall be in a form and with a carrier acceptable to Clark County. Clark County shall be the named insured. The address for all certificates shall be written as follows: Clark County Washington, PO Box 5000, Vancouver, WA 98666-5000.

27. INTERPRETATION OF CONTRACT

- 30.2. Any notice required to be given pursuant to the terms of this section shall be in writing and shall be sent by certified or registered mail, return receipt requested, postage prepaid, or by hand delivery, to the receiving party at the address listed on the signature page, or at any other address of which a party has given notice.

37. SEVERABILITY

It is understood and agreed by the parties that if any part, term, or provision of this Contract is held by the courts to be illegal, the validity of the remaining provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the agreement did not contain the particular provision held to be invalid. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you.
