RE: Appointment to AAADSW COG board

Dear Councilor Boldt,

Each year, the Councilor representative to our Council of Governments (COG) board is appointed by each county, often at the beginning of the calendar year. Clark County is currently represented by Councilor John Blom. We highly value and would appreciate the continuity of having Councilor Blom continue as a member of our COG board.

Also, each county is requested to approve an alternate representative in the event that the Councilor is unable to attend a meeting. It is desired that this appointment is designated to another County Councilor. However if need be, the alternate appointment could be made to a County employee, or a current Advisory Council member.

The COG meetings are scheduled bi-monthly, on the fourth Thursday of every other month (except for November). The approved 2018 meeting dates are as follows:

Thursday January 25th  
Thursday March 22nd  
Thursday May 24th  
Thursday July 26th  
Thursday September 27th  
Thursday November 15th  
(third Thursday, due to Thanksgiving)

Sincerely,

David Kelly  
Executive Director
