# CLARK COUNTY STAFF REPORT

**DEPARTMENT:** County Auditor's Office, Elections Division

**DATE:** February 27, 2018

**REQUESTED ACTION:** Approval of Precinct Boundary Changes by Ordinance

\_\_\_\_\_ Consent     Hearing    \_\_\_\_\_ County Manager

---

## BACKGROUND

RCW 29A.16.040 requires limiting election precinct sizes to 1,500 active registered voters or less. In Clark County, there are six precincts that are over, or very close to the 1,500 limit. Six new precincts will be added to bring precincts into compliance with this law.

RCW 29A.16.050 requires that every voting precinct be completely within a single congressional district, a single legislative district, a single district of a county legislative authority, and if applicable, a city. Annexations were made in City of Vancouver, City of La Center, and the Town of Yacolt. Adding four new precincts and altering 13 existing precinct boundaries will bring precincts into compliance with this law.

We ask that the Clark County Board of County Councilors amend Clark County Code Section 2.12.020 to authorize the county Auditor to implement precinct boundary changes as required to bring the precincts into compliance with the statute.

Attached is "Exhibit A" as the new legal description for Clark County election precinct boundary lines; "Exhibit B", a list of precincts by county councilor district; "Exhibit C", a list of precinct changes to be made; and "Exhibit D", a county map drawn and showing all 2018 proposed precinct boundary changes.

## COUNCIL POLICY IMPLICATIONS

This action will require a change to county code to add the new precincts and alter existing boundaries.

## ADMINISTRATIVE POLICY IMPLICATIONS

This action renews an existing policy of Clark County Code 2.12, Section 020.

## COMMUNITY OUTREACH

Notice of public hearing was published in a newspaper of record not less than 10 days before the hearing.

Once the precinct boundary changes are approved and completed by the Auditor's Office, notification of the changes will be sent to the affected voters of Clark County. These changes will

affect 6,618 voters. Notification will be sent to only 3,356 voters affected, because all annexations by the City of Vancouver have already received notification of the changes.

**BUDGET IMPLICATIONS**

This action falls within existing budget capacity and no additional funding will be required in order to administer these changes and notify the voters of the changes.

**DISTRIBUTION:**

Board staff will post all staff reports to The Grid at <http://www.clark.wa.gov/thegrid/>
