

Clark County Clean Water Commission 2017 Annual Report

Clark County Clean Water Commission

The Clean Water Commission is a nine-member volunteer citizen board serving in an advisory capacity to the Clark County Council on issues related to the Clean Water Division. The Clean Water Commission works with staff to review the program budget in detail, implement stormwater treatment improvements, bolster water quality monitoring, and enhance public education and outreach.

Clean Water Commission Pledge

We, the members of the Clean Water Commission, will in all our actions and recommendations strive to achieve healthy watersheds throughout Clark County and to ensure the integrity of the water cycle, as defined by commonly accepted best standards.

We will do so recognizing the importance of the community's needs, seeking and recommending actions that can be implemented at a rate and with methods that are achievable with our conditions.

“Cultivating a Clean Water Culture through
Trust and Cooperation”
