

CLARK COUNTY STAFF REPORT

DEPARTMENT: Public Works

DATE: Nov. 6, 2018

REQUESTED ACTION: Approve resolution appointing County Engineer.

Consent Hearing County Manager

BACKGROUND

State law (RCW 36.80) and Washington Administrative Code (WAC 136-12) require Clark County to employ or contract for a County Engineer. The County Engineer must be a registered and licensed professional civil engineer in Washington State.

WAC 136-12-020 and WAC 136-12-030 require the county's legislative authority to designate, by resolution, the County Engineer and notify the County Road Administration Board of the action.

With the resignation of Heath Henderson as Public Works Director/County Engineer, effective Sept. 12, 2018, County Manger Shawn Hennessee appointed Ahmad Qayoumi, PE, as acting County Engineer on Sept. 18, 2018. On Oct. 8, 2018, Ahmad Qayoumi was appointed Public Works Director and County Engineer, effective immediately.

Approving this resolution will formalize the County Engineer's appointment to fulfill state requirements.
