

CLARK COUNTY STAFF REPORT

DEPARTMENT: Community Planning

DATE: September 3, 2019

REQUESTED ACTION:

A public hearing is requested to consider adoption of a Public Participation Plan for the Shoreline Master Program Periodic Review.

Consent Hearing County Manager

BACKGROUND

Clark County is undertaking a periodic review of its Shoreline Master Program (SMP), as required by the Washington State Shoreline Management Act (SMA), RCW 90.58.080(4). The SMA requires each SMP be reviewed and revised, if needed, on an eight-year schedule established by the Legislature. The review ensures the SMP stays current with changes in laws and rules, remains consistent with other Clark County plans and regulations, and is responsive to changed circumstances, new information and improved data.

A Public Participation Plan is required to describe how Clark County will encourage early and continuous public participation throughout the process of reviewing the SMP.

This Public Participation Plan describes the steps that Clark County will take to provide opportunities for public engagement and public comment, as well as Clark County contact information and web addresses. This plan is in addition to any other minimum requirements for public participation required by Clark County Code Section 40.510.040 and Chapter 40.560.
