

COVID-19 food guidance

WHAT IS ALLOWED

- Take-out
- Drive through
- Delivery

WHAT IS NOT ALLOWED

- No indoor or outdoor dining areas
- No providing space for gatherings (of any size)

SOCIAL DISTANCING

- Encourage at least 6 feet between customers, between employees and between individuals during the delivery of food
- Stack tables, chairs to create space to wait for orders
- Avoid close contact with sick people
- Encourage mobile orders and payment, calling ahead to limit wait for orders
- Designate an employee to enforce social distancing rules

OTHER REQUIRED PUBLIC HEALTH CRITERIA

- Ensure gloves are only used when needed for food safety, such as preventing contact with ready to eat foods. Use tongs, utensils
- Wash hands with soap and water often
- Frequently clean and disinfect surfaces – especially frequently touched surfaces. Standard concentrations of chlorine or quaternary ammonia are believed to be sufficient
- Cough and sneeze into the elbow or into a tissue; immediately throw tissue away; wash hands

RECOMMENDATIONS

- Review sick leave policies. Employees should stay home when sick
- [Consider donating unused perishable food supplies](#)
