**Klinline Kids Fishing Event**

Klinline Kids Fishing will be held at Salmon Creek Park / Klinline Pond. Special Needs kids will experience fishing on Friday - April 7, 2017. Kids ages 5 through 14 will fish on Saturday - April 8, 2017.

Presented by the Klinline Kids Fishing Nonprofit, the Washington State Department of Fish and Wildlife and Clark Public Utilities, this program is aimed at getting more kids involved in fishing and building a base for the future stewards of this resource.

Here is the link to the event registration forms:  
<http://www.klinline-kf.org/register.html>

Fewer and fewer kids are taking part in the sport of fishing either because of environmental or economic factors. This is a disturbing trend. To create stewards for our future fisheries we need to introduce children to the beneficial aspects of fishing as an individual and family activity and as a way to become more aware of our natural resources.

The "Klinline Kids Fishing" event accomplishes both of these goals. First, it gives the child an opportunity to experience the thrill of catching a fish. Second, educational sessions, offered by the Washington State Department of Fish and Wildlife and local fishing groups will help the child learn more about fishing and the outdoors.

Let's help get more kids fishing more often.

Donations are welcomed and should be made to Klinline Kids Fishing Nonprofit (IRS non-profit registration EIN # 45-3764565).

### Code Enforcement

Code Enforcement is a special type of law enforcement that regulates land use. The county obtains its authority to regulate land use from the police powers conferred upon it by the Washington State Constitution which permits counties to make and enforce within its limits all local, police, sanitary, and other ordinances and regulations not in conflict with general laws of the land. Unless in conflict with state law, the courts generally view land use ordinances as valid exercises of police power when reasonably related to public health, safety, and welfare. Clark County has adopted several land use ordinances to combat public nuisance including but not limited to:

- Unified Development Code (zoning ordinance)
- Public nuisance ordinance
- International building and fire codes including dangerous buildings

Our philosophy is that compliance is our primary goal and education is the key to reaching that goal. Many citizens do not realize that they are violating local ordinances. However, most people are willing to play by the rules if they know them.

### Reporting a violation

When reporting a violation to Code Enforcement, be prepared to provide us with detailed information, like:

- a detailed property address of the violation
- a description of the violation
- your name and phone number

Code enforcement prefers to receive complaints online at [www.clark.wa.gov/development](http://www.clark.wa.gov/development). You may also call us at (360) 397-2408 or visit us at our office located at 1300 Franklin Street, Vancouver.

### Be a park hero!

The Adopt-A-Park program is an opportunity for community members to help beautify our parks.

The program provides an ongoing volunteer opportunity for various groups or individuals and requires:

- Committing for a minimum of 6 months
  - Volunteering a minimum of 2 times a month
  - Volunteering for 2 - 3 hours at a time
- For more information, please go to [parkhero.org](http://parkhero.org). Or, contact Karen Llewellyn at 360-397-6118 ext. 1627 or [karen.llewellyn@clark.wa.gov](mailto:karen.llewellyn@clark.wa.gov)

### WasteBusters Challenge!

Clark County Public Health is excited to create some friendly competition in communities throughout Clark County with WasteBusters! WasteBusters is an online waste-reduction pledge for Clark County residents and businesses that have challenged us to produce less garbage and make the county healthier and more sustainable. To participate, visit [www.wastebusters.green](http://www.wastebusters.green) to sign up before March 10th and select one of the following pledges:

WasteBusters Pledges:

**Reduce** | I pledge to reduce my food waste by thoughtfully planning my meals each week and buying only the food I will use.

**Reuse** | I pledge to use reusable coffee mugs and water bottles for all of my to-go beverages.

**Recycle** | I pledge to recycle everything that is accepted in my curbside recycling containers.

The challenge starts on March 10th and will run for 21 days, because some say that is how long it takes for a new habit to form. To encourage you to stick to your pledge, Clark County is giving away some great Green Neighbors prizes. Your participation online will earn you points, and top participants will be entered in a drawing for an iPad Mini!

The first 100 people to sign-up will receive a free Green Neighbors reusable bag! Visit [www.wastebusters.green](http://www.wastebusters.green) now to sign up and choose a pledge.

### Four Regional Parks to charge Parking Fees again

Vancouver, Wash. – Clark County will resume collecting daily parking fees at four of the county's largest regional parks starting Monday, April 3.

Daily fees will be collected year-round at Frenchman's Bar Regional Park, Lewisville Regional Park, Salmon Creek Regional Park/Klineline Pond and Vancouver Lake Regional Park. Parking fees will be \$2 for motorcycles, \$3 for cars, \$6 for cars with trailers and \$8 for buses or motor homes.

Parking fees were eliminated in 2013. Last year, the Board of County Councilors agreed to resume fee collection to provide more sustainable

## 4 NE Hazel Dell Neighborhood Association

parks funding and reduce vandalism and other illegal activities.

Daily parking fees will be collected at fee booths, typically from May 1 through Sept. 30, and during busy off-season events. Fee booth attendants will accept cash, debit cards, Visa and MasterCard. No checks or Discover or American Express cards will be accepted.

When fee booths are not staffed, park users will need to use self-pay stations. Only cash will be accepted at self-pay stations.

Under Clark County Code, failure to pay parking fees could result in a \$40 fine.

Annual parking passes are available for \$30 and are good for the calendar year, not the 12-month period following the purchase. Passes are sold at:

Clark County 78th Street Operations Center, Building A, 4700 N.E. 78th St., 7 a.m. to 4:30 p.m. Monday through Friday.

Annual passes also can be purchased at the four parks when fee booths are staffed.

More information is available on the county's website at [www.clark.wa.gov/public-works/parking-fees](http://www.clark.wa.gov/public-works/parking-fees)

### Farm Forestry Seedling Sale

### Lunch buddies needed:

Do you have 45 minutes a week to eat lunch with a child? To make a difference? Consider becoming a Lunch Buddy.

- VPS elementary schools participate in Lunch Buddies
- Good-hearted adults find 45 minutes a week to eat lunch with a child
- Children are on the wait list, most of them boys

For more information, please contact: LunchBuddy@vansd.org or 360.313.4725

### Grow your own groceries!

You can have a raised growing bed in the Hazel Dell School Garden (off Hazel Dell Avenue between 78th St and 63rd St). Enjoy growing tasty produce for more flavor and less cost than from the grocery store.

4' by 8' growing beds make growing vegetables easier: the soil warms faster, water drains better, and the soil is a nutritious mix that provides vegetables with the nutrients they need so the vegetable can provide us with the nutrients that we need. Growing vegetable is a fun family activity and kids tend to eat vegetable that they grow! Planting/growing advice and some seeds available. Limited number of beds left. To reserve yours, email

GrowSmiles@hotmail.com with HD School Garden in the subject line.

## Support Local Businesses in Hazel Dell

Small and locally owned businesses are the mainstay of our community's economy. The owners of these businesses live and work in our community and have a vested interest in our community's quality of life. Local businesses provide jobs, are a key source of tax revenue to support public services, support our schools, our parks, and are instrumental to the quality of life in our community. They have a vested interest and provide important goods and services to all of us living here in Hazel Dell.

From time-to-time we feature Hazel Dell businesses in our neighborhood newsletter. We want you to know who your local businesses are and what they have to offer. We urge you to do business with them, support them and in so doing support your local community. Everyone benefits from a strong and solid local economy. Your neighborhood association supports local business and we hope you will, too.

For more information about local businesses, contact the Hazel Dell-Salmon Creek Business Association at <http://www.hdscba.org>

**Neighborhood Association  
Mission:**

The residents of the Hazel Dell area established the NE Hazel Dell Neighborhood Association (NEHDNA) in order to unite the common interests and promote the welfare of the area. The association is involved with a variety of matters, which affect the livability of the neighborhood and community in general.

All residents within the neighborhood association boundaries or neighboring areas not within an existing neighborhood association are

welcome to attend and participate in the association.

If you have any questions or would like more information, please contact one of the officers or board members listed on this page. The NEHDNA does not subscribe to any religious affiliation or political party. Our desire is to work together for the common good of the neighborhood in which we all live. You don't have to live in the area to be a member or to come to the meetings! All are welcome.
