NE Hazel Dell Neighborhood Association Monthly Meetings

**Tuesday, May 15, 2018
7 to 9 PM**

Meeting Topics: Clark County Genealogical Society,
Lethene Parks, Library Director and Brian Runyan,
President

Bridge The Gap, Foster Care Support - Eva Halter -
Executive Director

Meeting Location:

Clark County Operations
Center, Community Room
4700 NE 78th Street

At these meetings several announcements and general
information will be shared and discussed.

Refreshments served are provided by Burgerville.

Don't miss our June 19th neighborhood
association meeting. We will be serving
Root Beer Floats, ice cream, cookies and
other goodies to celebrate the end of our fiscal
year and introduce our new neighborhood
association officers and board members and to
welcome new neighbors and guests.

**THANKS TO:
Burgerville USA**

For providing refreshments at the NE Hazel Dell Neighborhood Association meetings

NE Hazel Dell Neighborhood Association is on Facebook

Check out our neighborhood association on Facebook:

Newsletter Publication

The NE Hazel Dell Neighborhood Association will publish six issues of the newsletter this year. Here are the issue dates for the newsletter and deadlines for 2018:

<u>Issue</u>	<u>Deadline</u>
1. May/Jun	April 20, 2018
2. September	August 15, 2018
3. Oct/Nov	September 30, 2018
4. December	November 15, 2018

The deadline date is for submitting newsworthy items for publication. Thanks!

Parade of Bands May 19th

The 54th Annual Hazel Dell Parade of Bands is on Saturday, May 19, 2018 beginning at 10:30 a.m.

The 2018 Hazel Dell Parade of Bands is presented by the Hazel/Dell Salmon Creek Business Association with support from Presenting Sponsor Bomber Brothers Fireworks and more than two dozen local sponsors.

This year's theme is "Farm Family Traditions". Grand Marshals are John and Mary Ann Morrison.

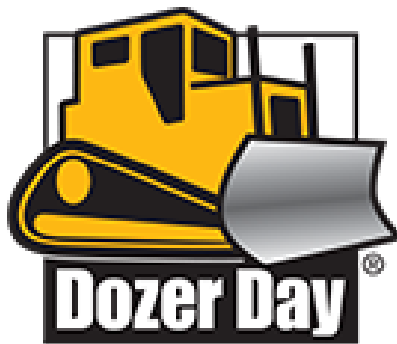

The parade starts at 10:30. As more information becomes available and parade packets are completed, we will make that information available. We look forward to another busy parade (as it always is in an election year). If you have any questions prior to that,

please contact either of our Parade co-chairs: Shelly Palmer or Brad Lothspeich.

The Hazel Dell Lions will be providing breakfast in the truck bay at the fire station from 7:00 a.m. until 10:00 a.m. Cost for breakfast will be \$6.00 for adults and \$5.50 for children and senior citizens. The Lion's Club uses the proceeds from this breakfast for hearing aids, prescription glasses, and other charitable activities. Come have a great breakfast and then enjoy the parade.

Neighborhood Association Officer/ Board Elections to be held in May

Nominations for new officers and Board Members are open. Officers and Board members will be elected at the May Neighborhood Association meeting per our bylaws. For more information, contact Doug Ballou at 360-573-3314 or e-mail at dougballou@comcast.net

Where kids Drive!

Dozer Day provides children the opportunity to hop in the driver's seat and actually drive big yellow dozers, dump trucks, and other heavy equipment with a professional operator at their side. Not only is Dozer Day fun for the entire family, it is also a fundraiser benefiting local charities through the Nutter Foundation.

Where:
Clark County Fairgrounds

17402 Delfel Road
Ridgefield, Washington
Exit 9, I-5 Freeway

When:
Saturday, May 19th and
Sunday, May 20th
11 a.m. – 4 p.m.

Tickets:
Kids and Seniors: \$8
Adults: \$10

If you have any questions, or would like more information about the Nutter Foundation and/or Dozer Day contact:

Event Coordinator: Renee Nutter
Email: Renee@NutterFoundation.org
Volunteer Coordinator
Email: Volunteer@NutterFoundation.org

To get tickets or to register to volunteer visit website at:
<http://vancouver.dozerday.org/>

Fire District #6 Open House

Plan on joining members of our Fire District #6 and other service agencies for the Annual open House on Saturday, June 2, 2018 from noon to 4:00 PM. Park at the Hazel Dell Target Store and walk over to the fire station.

Here are just a few of the activities planned are:

- Auto extrication
- K-9 Demonstrations
- Life Flight Helicopter
- Fire Engine Rides
- Free Food – Hot Dogs, Soda, popcorn, chips and snow cones

Meeting Guest Speakers for June Meeting

Our guest speakers have some great information to share with neighbors at our neighborhood association meetings scheduled on third Tuesday's from 7 - 9 PM at the Clark County Public Works Operations Center at 4700 NE 78th Street.

Tuesday June 19th, 2018:

7:30 PM to 8:00 PM – Vancouver Housing Authority

Leah Greenwood, Director of Property and Assets Manager.

8:00 PM to 8:30 PM – SW Washington Workforce Development Council

Miriam Martin, Manager - Youth Initiatives

Melissa Boles, Manager - Industry Initiatives

Boomsnub-Airco Superfund Site

Soil and groundwater contamination at the Boomsnub-Airco Superfund Site resulted from disposal of chrome-plating wastes, and solvents such as trichloroethylene (TCE), into dry wells. Chromium and volatile organic compounds (VOCs) seeped into the upper aquifer, and contaminated groundwater spread westward to form a cigar-shaped plume. As of 1995, the contaminated groundwater plume extended nearly a mile beneath the current Clark County recreational complex, the adjoining Church of God property, and at least as far west as the Bonneville Power Administration right-of-way.

Over the past twenty years, groundwater contamination has been greatly reduced through removal of the most contaminated soil, treatment in place of some contaminated soil, and continuous extraction and treatment of contaminated groundwater. The plume is now far less concentrated, and smaller, extending about a thousand feet from the source areas.

Extraction and treatment of contaminated groundwater, and associated monitoring of groundwater quality, is on-going and will continue until federal and state drinking water quality standards are met. As groundwater reaches these cleanup levels, infrastructure will be removed from the overlying properties.

Remedial action at the site is being performed by the Linde Corporation under U.S. Environmental Protection Agency (EPA) supervision. The governing legal agreement also requires Linde to reimburse EPA for its regulatory oversight costs.

EPA reviews Superfund sites every five years to assess cleanup progress and identify any additional actions that might be needed. The 2018 review is now underway and scheduled to be completed by September. As part of the review, EPA would like to hear from the community.

If you have concerns, questions, or information helpful to the review team please contact Jonathan Williams, EPA Remedial Project Manager, at 206-553-1369 or williams.jonathan@epa.gov.

For more information visit the EPA site page at: <https://www.epa.gov/superfund/boomsnub-airco>

10 Ways to Prevent Elder Abuse

- 1- Talk - with trusted family members, friends and professionals to help plan your or a loved one's future.
- 2- Be Cautious - if something doesn't feel right, listen to your gut.
- 3- Stay Connected - keep in touch with others regularly.
- 4- Engage - in an activity that you or a loved one enjoys or try a new one together.
- 5- Volunteer - with a social organization that works with seniors (like RSVP) or one that provides services for seniors (like Meals On Wheels).
- 6- Do A Wellness Check - stop by or pick up the phone to see how a

neighbor, family member, friend, or even a stranger is doing.

7- Report - it's the right thing to do & it's easy! If you suspect that you or someone you know is being mistreated, call Adult Protective Services at 877-363-4876.

8- Ask For Help - feeling overwhelmed? There are great community resources to help seniors and caregivers. Try Respite Care to give yourself a break.

9- Know The Signs - learn the signs for the different types of elder abuse and tips on how to safely intervene.

10- Get More Information - contact your local area agency on aging or community organizations.

Who's At Risk?

Persons of any race, religion, ethnicity, culture, sexual orientation, socioeconomic status, health status, gender identity, living arrangement, women, persons with cognitive impairment, and those who are socially isolated are at an even higher risk of abuse.

There Are 6 Different Types Of Elder Abuse:

- 1- Physical: hitting, shoving, kicking, pinching, slapping, force feeding, shaking, pushing
- 2- Sexual: look for bruising to outer arms, chest, mouth, genitals, abdomen, inner thighs, pelvic region
- 3- Psychological (Emotional): isolation, making threats, intimidation, humiliation, disrespect, shaming, and blaming
- 4- Neglect: malnutrition, pressure sores, dehydration, unexplained weight loss, infestation
- 5- Self-Neglect: hoarding, putting pets needs before self needs, refusing medical care, hazardous home conditions.

Abandoned Vehicles

Do you have vehicles in your neighborhood that litter the street and never seem to move? Well, according to Washington State Law any motor vehicle that is parked on any public street and has not moved in 3 days (72 hours) can be declared abandoned and subject to towing. It is recommended

that you call the Police non-emergency phone number "311" to report the vehicle's location; make; model and license plate ID code. In comparison vehicles parked within the city limits of Vancouver streets must be moved within one day (24 hours) before they can be reported as abandoned.

Shopping Cart Recovery

Following up on the story in the Jan/Feb 2018 issue on Grocery Cart Eyesores and recovery. Presently the best solution for those wayward carts is to call your local retailers and ask them to come and retrieve their carts. To that end, please look up phone numbers for major retailers in the area and ask to speak to a manager.

Heritage Farm Meetings

The Board that over sees the Heritage Farm complex on NE 78th Street has several meetings throughout the year that are open to the public. The meetings are held at the Luke Jensen Sports Center located at 4000 NE 78th Street 98665 from 4 to 5 PM. The participants will assemble in the Bud Van Cleve Community Room located above the concession stand in the middle of the park. Future meeting dates are scheduled for: May 24th, July 26th and Sept. 27th, 2018.

Lions in the Park

Your local Hazel Dell Lions Club can be seen in the Hazel Dell Neighborhood Park at least 3 - 4 times a year helping with small maintenance projects under the direction of the Clark County Parks Department. Roughly in 2014 the Hazel Dell Lions started volunteering in the park and officially adopted the park in 2017. Some of the many projects that the Hazel Dell Lions engage in at the Park might be: picking up downed limbs after a wind storm; washing down picnic tables, pavilions and play structures; knocking down cob webs; picking up litter; raking up tree debris; spreading crushed gravel or bark chips; planting native vegetation.

The Hazel Dell Lions Club is an organization that engages in Community Service projects thru a partnership with the Hazel Dell Elementary School; contributes to Lion Sight & Hearing causes; participates with the Walk 'N' Knock food drive to help stock the Clark County Food Bank; sponsors scholarship programs. For more information about the Lions Club go to www.hazeldellions.com.

For more information about volunteering and the Adopt-A-Park program contact Clark County Public Works at 360-397-6118 (ext 1627) www.clark.wa.gov/publicworks.

Package Theft Prevention

Package theft is a crime that occurs throughout the year but can be especially high during the holidays, as online shopping increases.

The Vancouver Police Department wants to remind you to consider package theft prevention strategies when ordering gifts online. Packages delivered while you are away from home are easy and ideal targets for thieves. With the increased volume in home deliveries, thieves have more opportunities to steal your packages. Here are some crime prevention tips that may keep thieves from nabbing your deliveries:

- Pick up packages promptly after they have been delivered.
- Ask neighbors to receive and store your package deliveries when you are not home.
- Consider shipping the package to a relative that will be available to receive the package.
- Require signature delivery to avoid the package being left unattended.
- Utilize tracking services offered by the delivery company.

- Request specific delivery times that are suitable to when you will be home.
- Invest in a camera system to monitor your packages and home.
- Send packages to secure delivery, holding, or pick-up locations.
- Many parcel delivery companies offer secure locations for packages to be delivered and stored until you are available to pick items up. There are many companies and locations throughout Vancouver that offer these services.

If you see a package theft occurring, call 911.

If you are the victim of a package theft, please call 311 to report it to police and follow up by reporting the theft to the US Postal Inspection Service by calling 1 (877) 876-2455 or www.postalinspectors.uspis.gov.

Recycled Arts Festival

Is it trash or is it ART? Come visit the 13th annual Recycled Arts Festival (RAF) at Esther Short Park in Vancouver on June 23 & 24. RAF is the hippest, most eco-conscious festival in all of Clark County. See how people, just like you, are giving new life to old items that would otherwise have been lost in a landfill. Come out and be amazed at the artists' creations, join your kids in expressing their inner "green side" by creating their own Eco-Art, or just relax and listen to some wonderful music on the main stage. There will also be all sorts of helpful information on how you can help improve Clark County's environment. The Festival and Park location is 605 Esther Street.

The RAF started in 2005 as a way to educate and get the community excited about waste reduction, reuse and recycling in Clark County. It has grown into a huge family event, with more and more artists participating every year. There is an amazing lineup of local bands planned for this year. The fun starts on Saturday at 9:00am - 4:00pm and on Sunday 10:00am - 4:00pm. You can make recycled instruments and arts & crafts! Be

amazed and entertained by a juggler, stilt-walker and clown! Come out and have some fun!

Repair Café

Clark County Repair Cafés are free community events where skilled 'fixers' volunteer to lend their skills to residents who bring in their broken items for repair. The goal of the events is to keep stuff out of the landfill, conserve resources, save money and share skills throughout the community.

Bring your clothing, small home appliances, electronics, jewelry, or tools/knives that need sharpening, and fixers will try to repair them or help you fix them! Attendees may bring one item each and must be present during the repair. If multiple items are brought, the attendee will need to re-enter the line for their additional item after one repair is completed.

Attendees are encouraged to bring replacement parts (i.e. cords, zippers) specific to their broken item for fixers to use in the repair.

Experienced fixers will try to repair or mend your items and can sometimes teach you how to fix them. Please only bring items small enough to be easily carried by one person, and do not bring any items that are leaking, dangerous, dirty or have a strong odor. There are no guarantees an item can be fixed, or that attempting to fix it won't break it even more, but fixers will be available to diagnose problems and offer their best, unbiased advice. Volunteers will provide free diagnosis and repair skills, and replacement parts may be available for sale at a low cost (i.e. cords, spark plugs).

Upcoming Repair Café events
June 7th - Vancouver Community Library, 5:30-7:30pm
August 9th - Filbin's Ace Hardware (Hazel Dell), 6-8pm
October 23rd - Battle Ground Community Center, 6-8pm

Funding for these events is provided by the Washington State Department of Ecology. The program is directed

through Columbia Springs Environmental Education. For more information go to www.repairclarkcounty.org

School and Community Garden

Grow your own veggies or grow food for the school children at the Hazel Dell Elementary School and Community Garden. Grow nutritious, healthy fresh food for the school's Backpack Program or grow your own vegetables. The gardens are located at 511 NE Anderson Road, just off NE Hazel Dell Avenue between NE 63rd and NE 78th Streets. 4ft X 8ft beds are available at \$15 for the growing season to grow organic produce for your family. Or volunteer to assist with growing veggies for the school's Backpack Program. Send home fresh produce to appreciative families. The gardens are used as a teaching tool for the Hazel Dell students and the Boy's and Girl's Club next door. For more information contact Barbara or Bobbi at GrowSmiles@hotmail.com (place HD Garden in the subject line) or call 360-901-7700

Street Sweeping Schedules

Street sweeping makes a community look clean and tidy. It also keeps some dirt, debris and other contaminants from washing into storm drains, thereby reducing the harmful effects of polluted storm runoff. Clark County Public Works sweeps residential streets during fall, winter and spring months. During the summer, street sweepers are used primarily for summer road preservation and other construction projects. Residential streets are swept 3-4 times a year, typically during the daytime. Arterials are swept about once a month, typically during the late afternoon or evening. The county coordinates its sweeping schedule with garbage-recycling pickup to avoid conflicts. For complete information go to www.clark.wa.gov/public-works

Upcoming street sweeping

Clark County provides an online interactive map so residents can get a general idea for when their streets are

scheduled for sweeping. This information will allow them to move parked vehicles, basketball hoops and other items that can prevent sweepers from covering the entire street and picking up as much debris as possible. Residents can type their address in the "Search by Address" field to see a recent sweeping history for their street, as well as when their street will be swept next.

The map provides a spectrum of colors for upcoming sweeping, from red signifying "One to five business days" to blue indicating "More than four weeks." A complete color key can be accessed by clicking on "Legend" in the map's upper right corner. Residents should remember that this map provides a general estimate for when streets may be swept, not a firm timetable for when they will be swept. A number of factors, from bad weather to mechanical breakdowns, can and will affect when streets are swept. Clark County Public Works appreciates your cooperation and understanding.

Vegetation trimming along streets

For maximum coverage during street sweeping, residents should trim low-hanging branches and other vegetation so sweepers can get as close to the curb as possible. All low-hanging material needs to be trimmed to provide 14 feet of vertical clearance from the top of the curb. Another 8 feet of clearance should be provided for the full width of the sidewalk.

Veterans Assistance

The VA has established a methodology and program to get most vets who have a less than honorable discharge to get benefits. Veterans who are interested should contact a DAV Service Officer to start the process. Call 360-209-4189

Wishful Recycling

Affects 99 out of 100 citizens. This affliction causes people to place items in their curb side recycle bin that do not belong there. First off, Clark County does not go by the Universal Recycle Symbol or the recycle number on plastics. Not that Waste Connections does not want your stuff, it is just that they do not have

markets/vendors in our area to take your stuff. Other parts of the country might have vendors. A recent audit has revealed that roughly 20% of what people are putting in their recycle bins is (10% garbage and 10% wishful recycling). In addition China has tighten up their restrictions in that they only want quality recyclables. To that ends we all need to pitch in and make an extra effort to adhere to RECYCLING DONE RIGHT guidelines.

When in doubt it is best to just throw it out. Non-recyclable items in the recycle bin end up taking the long way to the landfill. That is if they are caught in time. Otherwise, they contaminate the good recyclables. In addition Waste Connection truck drivers make anywhere between 400 to 1200 pickup stops with the average being 800 daily. Save yourself some time and energy by only putting your recycle bins out when they are 3/4 full or more. The same applies to the glass recycle bins. For more information on recycling in Clark County contact www.clark.wa.gov (or) www.wcnorthwest.com

United States Postal Stamps

The recent postal rate increase in January 2018 has led to some confusion. Most all stamps now are Forever Stamps and say so on the stamp. If there is no face value printed on the stamp, then it can be considered a Forever Stamp. (i.e. domestic postcard stamps)

SALT Times Newsletter

There is a free newsletter geared toward seniors called SALT Times (Senior's and Law Enforcement Together).

If you would like to receive this newsletter call the Clark County Sheriff's Office Outreach Unit at 360-397-2211 x3380.

"Growing Pains"

The History of Hazel Dell

For sale by the Northeast Hazel Dell Neighborhood Association.

Only \$8!!

Sample Excerpt from Growing Pains-

"There has been considerable evidence of Indian habitation in this region. Mattie and Joe Davidson found signs of underground ovens built of rocks on their property overlooking Vancouver Lake backwaters. There were a number of these ovens in a small, smooth clearing."

To order your book, contact Doug Ballou by e-mail at dougballou@comcast.net

Financial Support Needed

We need your continued financial support more than ever to cover our costs of operating the neighborhood association. Please consider providing financial support to your neighborhood association.

**Neighborhood Association
Mission:**

The residents of the Hazel Dell area established the NE Hazel Dell Neighborhood Association (NEHDNA) in order to unite the common interests and promote the welfare of the area. The association is involved with a variety of matters, which affect the livability of the neighborhood and community in general.

All residents within the neighborhood association boundaries or neighboring areas not within an existing neighborhood association are welcome to attend and participate in the association.

If you have any questions or would like more information, please contact one of the officers or board members listed on this page. The NEHDNA does not subscribe to any religious affiliation or political party. Our desire is to work together for the common good of the neighborhood in which we all live. You don't have to live in the area to be a member or to come to the meetings! All are welcome.

Neighborhood Association newsletters are copies free of charge by the Clark County Public Information and Outreach Office. The information and views expressed are solely those of the Neighborhood Association and not Clark County Government or the Public Information and Outreach Office.
