## Major Changes to Association Newsletter Delivery

As we referenced in previous newsletters, beginning in 2018, the NSCNA has reduced the number of published, printed, and delivered newsletters to only three issues per year.

These three newsletter issues will still be mailed, and we will also still make them available both on the website - <https://SalmonCreekLive.com> - as well as available for email **directly to your inbox**.

We do expect to publish a digital-only version of a newsletter as information warrants, so to make sure you receive the timely, informative, and important content related to your Neighborhood, please sign up for the FREE e-newsletter.

## Changes to NSCNA Meeting Schedule for 2017-18

**The upcoming October 24 meeting will be the final meeting for 2017.**

Traditionally, we have had meetings in both September and November, but we have consolidated those into a single Fall meeting. The November meeting was always a challenge around Thanksgiving, so this change made a lot of sense.

**There will also be changes to the 2018 meeting schedule**, as our next meeting will be our Spring 2018 meeting, to be held on March 27.

We know that Neighborhood news and events don't stop in between meetings, so make sure to visit the website and sign up for the FREE e-newsletter so you don't miss anything important!

THANK YOU! To our neighborhood partners at **Wayside Market** for providing the refreshments for our Neighborhood Association meetings. We appreciate their generosity and we hope you support them in the neighborhood.

## Salmon Creek Farmers' Market wraps up its 10th season

The Annual 'Harvest Halloween' Farmers Market will be held on Tuesday, October 31, from 11 a.m. to 3 p.m. at the entrance to Legacy Salmon Creek Hospital.

The market's mission is to support small businesses in the community, providing opportunities for selling, marketing and growing. In particular, fresh farm products and locally produced processed food.

## Want to get more involved in your Neighborhood Association?

**If you're like many of us, you think it would be nice to help out somehow, but time is limited.**

It's less work, and more rewarding, than you probably think. If you would like to help you can come to a meeting and let us know, or you can email us. We would look forward to working with you!

**Email us at: [Newsletter@SalmonCreekLive.com](mailto:Newsletter@SalmonCreekLive.com)**

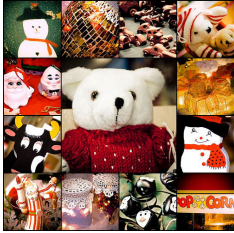

*Neighborhood Associations are volunteer groups and not agents of Clark County government. Newsletter information and views are solely those of the neighborhood association and not of Clark County. Clark County Information and Public Outreach Office supports these volunteers by printing and distributing these newsletters.*

**There will be lots happening this Fall and throughout the Holiday Season, keep up to date on everything on your neighborhood website:**

***SalmonCreekLive.com***

Follow the Fun of **Holiday Bazaar Season!** Stay up to date with dates, times, and locations for the dozens of local holiday bazaar's.

Visit [SalmonCreekLive.com](http://SalmonCreekLive.com) beginning November 1 for all the details to help you plan your

successful bazaar binge!

And whether it be the Veteran's Day Parades or other fun Fall activities, or maybe the Holiday happenings from Holiday Hops to Christmas Ships to the Festival of Trees, keep up with the neighborhood and community activities and events on the calendar page on the website.

**Can You Lend a Helping Hands During the Holiday Season...**

**Walk & Knock** solicits charitable donations of food, supplies, and money, which in turn are given to the Clark County Food Bank for providing food to those in need across our community.

**Santa's Posse** is a partnership between the Clark County Sheriff's Office and Rotary Clubs of Clark County to collect and distribute toys and food to make a special Christmas holiday for less fortunate families in our community.

**Watch for details on the website on how you can help these worthy causes.**

**Association Elections on the Agenda**

It is a critical time of year for your neighborhood Association, as we determine the composition of our Board for the upcoming year. Please make sure to attend the October 24 meeting. If you have an interest in helping shape the future of your neighborhood, the Board would welcome your participation. Make sure your vote counts, we'll see you at the meeting.

**A Note from your Friends at the NSCNA**

**Did you hear about the new high density housing going in down the street from you?**

**How about the big box retail outlet being planned on that overcrowded intersection?**

And the crime in your neighborhood with the break-ins and car prowls? Where are all the nice parks we paid tax dollars to fund? How can I get to know my neighbors if we aren't even in an incorporated city?

**Somebody needs to do something!**

You really love living in your neighborhood: the people, the access to shopping and big city events and the general excellent livability. But understand that can change in the blink of an eye. Growth will continue in our area because of the attraction of all the wonderful advantages, but we need to keep our neighborhood livable.

You now have the chance to keep North Salmon Creek an excellent place to live. Please consider joining with us on the North Salmon Creek Neighborhood Association as we discover and discuss all the forces of change going on in our area.

We get together as a planning board to prioritize the topics for our general meetings. Please visit our next board meeting and give us your input. Give us your email and we will let you know the next meeting.

**We need your help to keep our neighborhood livable!**
