Proposed Cell Tower Hits Close to Home

Salmon Creek residents near a proposed cellular phone tower have received notice of environmental impact hearings for the proposed site. The construction is proposed for a tower 130 foot tower and ground equipment about 800 feet south of 151st Street across from NW 29th Ct.

The project name is POR Bliss. If you have received a notice of the application and the environmental hearing you are welcome to make comment to the county. Terri Brooks is listed at the staff contact and can be reached at 360-397-2375 x 4885 or Terri.brooks@clark.wa.gov. There is also a new Facebook group that you may join to share information and discuss this project with your neighbors, Bliss Rd Cell Phone Tower.

At this time the application is on hold, but as of last report it is expected to move forward at a later date. This gives time for those who may be affected by this project to contact the county and share their concerns.

THANK YOU! To our neighborhood partners at **Wayside Market** and **Starbucks** for providing the refreshments for our Neighborhood Association meetings. We appreciate their generosity and we hope you support them in the neighborhood.

Another Successful Season

The **Salmon Creek Farmers' Market** wrapped up its season of markets at the entrance to Legacy Hospital on October 29 with a Harvest-Halloween Farmers Market. Looking forward to the 2016 season in the Salmon Creek area, when new market manager Eric Tworivers will be taking the helm of the Thursday market, while Ann Foster continues with managing the Tuesday market at the entrance to Legacy.

A Giving Tree in the Neighborhood

You may be surprised to know that upwards of 30% of the students in our district are in need, especially during the holidays. This could be your way to help with Christmas giving/donations.

Each of our neighborhood schools has Giving Trees and related events. The schools recognize a need in our community, and all four schools make efforts to reach out to needy families during this time of year. If you can help, either by assisting or donating, please contact the individual school, Chinook or Salmon Creek Elementary, Alki MS or Skyview HS. Thank you!

A **Big Thank You** to outgoing NSCNA Board member and community leader **Sandra Day**.

Sandra Day

Sandra has been an active part of our Board for several years, most recently as our liaison to the Neighborhoods Associations Council of Clark County. She has recently sold her investment property in Salmon Creek and will return her focus to serving the citizens of Ridgefield as a City Council Member.

Please join us in thanking Sandra for her efforts with the NSCNA and wishing her continued success!
