*Proebstel Church—18702 NE 4th Plain Blvd, Vancouver WA*

**Did you know? Proebstel Neighborhood Association is NOT an HOA!**

Neighborhood residents have formed our neighborhood association and Clark County's Neighborhood Program Coordinator works with us as a liaison for information to be shared with citizens. Everyone in Clark County is in a neighborhood association, though many are inactive because no volunteers have stepped forward to operate them. Volunteers regularly receive information from Clark County so their members can be better informed on issues such as annexation plans, new housing or business development, etc.
